Spiritual Meaning of Numbers Trevor Ross, 2015-03-12 What do pineapples sunflowers star fish pinecones snails pedals on many flowers a nautilus shell and the family tree of honeybees all have in common All of these things as well as others possess a mysterious numerical pattern known as the Fibonacci Sequence Even bones in the human hand and the shape of an ear follow this numerical pattern An ordered system of numbers permeates and is embedded in the universe In fact if there is no order with numbers no times dates or years our society would descend into chaos The number system is inherent to our understanding of the world around us and structure of existence This book will journey beneath the surface to examine what is behind the world of numbers Seeking out matters of truth is important as we all have a finite time on this earth and we don't know when it will end For many life is much shorter than anticipated Like the writer of Ecclesiastes 9:12 says Moreover no man knows when his hour will come As fish are caught in a cruel net or birds are taken in a snare so men are trapped by evil times that fall unexpectedly upon them Yet life is often approached too casually with little or no thought that our time here could end suddenly and unexpectedly It is prudent to heed the words of Scripture as recorded in Psalm 90:12 Teach us to number our days aright that we may gain a heart of wisdom Trevor Ross lives with his wife Monica in Toronto Canada He is an elementary school teacher and completed his Masters of Theology Studies from Tyndale Seminary
