Earth *Creating Enlightened Organizations* J. Neal, 2013-12-05 There is a growing movement to incorporate faith and spirituality in the workplace to do things better to utilize all the human capabilities of employees and to truly revolutionize the role of business in the world *Creating Enlightened Organizations* is the first book to provide a truly comprehensive approach to creating an organization designed to unleash full human potential in the workplace Businesses have learned how to involve employees in problem solving improve the emotional intelligence of their leaders reengineer the business processes and create customer delight but they have left out one essential ingredient that makes all the difference the human spirit There is a hunger for meaning and purpose in our workplaces and in our institutions This book simplifies and organizes the best of what is going on in organizations at the individual team and systems levels and provides guidance for putting it to practical use It also offers a radically new view of the purpose of business in society and provides examples of leading edge organizations that make a positive difference in the world Spirituality is the new competitive edge and enlightened organizations know how to integrate the human spirit and spiritual values into their business practices *Noble Enterprise* Darwin Gillett, 2008-01-01 If you want the insights leadership tools and inspiration to create a noble enterprise and lead your people to new heights of performance then this is the book for you In it you will learn how to Strengthen your organization Awaken and activate the rich array of human energy wisdom passion and purpose in your organization Revitalize your company Create and implement a plan for turning around and turning on even the most stuck operation Build sustainable growth and profitability Learn the secrets of corporate revitalization and apply them to achieve sustainable success Expand your leadership impact Build employee morale and commitment and help your people achieve big performance goals Inspire your people Increase your people's enthusiasm and confidence and turn your company into a high performing noble enterprise A must read for serious students and practitioners of leadership Ken Bardach associate dean and Charles and Joanna Knight Distinguished Director of Executive Programs Olin Business School Washington University in St Louis *The Spirit of Project Management* Dr Judi Neal, Mr Alan Harpham, 2012-08-01 Projects have always been essentially human endeavours Large modern projects are generally highly complex fraught with technical difficulties and supported by diverse often apparently conflicted stakeholders The spirituality that originally defined some of the great construction projects of the classical era surely has a role in project management today *The Spirit of Project Management* explains the context for spirituality in projects and explores how it can be used to create a larger sense of purpose and achievement to help encourage an esprit de corps amongst all those involved to act as a touchstone for ethical and sustainable decision making This is a very pragmatic book The first part includes an explanation and a variety of useful models for understanding the significance and value of spirituality in projects Judi Neal and Alan Harpham devote the second part of the book to help you integrate these ideas into your day to day management of projects Thus there are chapters on spirituality from the perspective of the individual the project team the project organization and even project management within a sustainable

world framework Read this book use the ideas to help you articulate your projects engage and sustain your project team and your stakeholders and frame how you work in terms of your organisation society and the environment **Resurgence** ,2001

Op Jacht Naar de Echte Werkelijkheid Dick Houtman,2008-06-10 Hedendaagse westerse samenlevingen lijken nauwelijks nog vatbaar voor een sociologische analyse in termen van structuren en instituties en sociologen geloven amper nog dat zij intellectueel toegang hebben tot een onder of achter de cultuur verborgen echte sociale werkelijkheid Onder deze omstandigheden biedt de cultuursociologie bij uitstek geschikt voor de analyse van de culturele discoursen die tot bloei zijn gekomen als reactie op de onttovering van de wereld een wenkend perspectief De meest in het oog springende van deze discoursen zijn opgetrokken rond idealen van persoonlijke authenticiteit rebels non conformisme en individuele vrijheid Hoewel ze hun wortels hebben in de zogenoemde tegen cultuur van de jaren zestig behoren ze al lang niet meer tot de maatschappelijke rafelrand en zijn ze ook al lang niet meer per se progressief Ze spelen thans een prominente en dwingende rol in de werelden van consumptie religie management en politiek de tegencultuur van destijds is de dominante cultuur geworden
