inherit How can we find peace in a world overtaken with dislocation noise and unrest In this indelible work of contemplative storytelling Arthur Riley invites us to descend into our own stories examine our capacity to rest wonder joy rage and repair and find that our humanity is not an enemy to faith but evidence of it At once a compelling spiritual meditation a powerful intergenerational account and a tender coming of age narrative This Here Flesh speaks potently to anyone who suspects that our stories might have something to say to us **Masters of Belief** Felipe Zimmer,2019-03-07 Imagine taking all the distractions away technology your job your car your books and even the people you meet daily Picture all of them temporarily out of your life Don t worry they ll be back But imagine living without distraction for several months What would you come across Perhaps you would rediscover your beliefs feelings and needs things of which you were not conscious due to life distractions That is what author and speaker Felipe Zimmer did when he retreated to a house in the thick of nature in an effort to discover himself on a deeper level and rediscover humanity as a whole By looking at existence from beyond the mental meanderings of daily life Felipe s consciousness expanded and he was struck by inspiration not of this world but from what is beyond As an analogy what if we thought Earth was all there is Then what if we received the opportunity to visit the rest of the universe Masters of Belief is that universe as we look beyond the every day to make contact with a higher power Exploring subjects like spirituality mind life death relationships and much more this book won t tell you what to believe but it might help you understand your own beliefs and guide you through the process of remembering who you are The Palgrave Handbook of Spirituality and Business L.
