Spirituality Of Men Sixteen Christians Write About Their Faith:

The Spirituality of Men Philip Leroy Culbertson, 2002 Sixteen men attempt to lay out what it means to be an adult male Christian The authors move beyond old stereotypes of manliness and Christian identity to chart new identities roles and attitudes They include men who are deeply in the Christian church and men barely in the church straight and gay men white men and African Americans Protestant and Catholic younger and older

Men and Masculinities in Christianity and Judaism Bjorn Krondorfer, 2013-02-12 Bjorn Krondorfer one of the leading scholars in this field has collected 35 key texts that have shaped this field within the wider area of the study of gender religion and culture The texts in this critical reader engage actively and critically with the position of men in society and church men's privileged relation to the sacred and to religious authority the ideals of masculinity as engendered by religious discourse and alternative trajectories of being in the world whether spiritually relationally or sexually Each of the texts is introduced by the editor and accompanied by

bibliographies that make this the ideal tool for study

Gender, Violence, and Justice Pamela Cooper-White, 2019-03-20 Gender Violence and Justice is a volume of collected essays by an expert in the field of violence against women and pastoral theology It represents over three decades of research advocacy and pastoral theological reflection on the subject of sexual and domestic violence Topics include intimate partner violence sexual abuse and trauma and clergy sexual misconduct controversial theological issues such as forgiveness and as well positive frameworks for fostering well being in families church and society Framed by a foreword and an introduction that place this work in the context of new and contemporary challenges in theory and practice these essays show an evolution of issues and frameworks for theology care and activism arising over time from the movement to end violence against women both within and beyond religious communities while at the same time demonstrating an unchanging core commitment to gender justice

Reclaiming Men's Spirituality Christopher Felix Bezzina, 2024-02-16 Reclaiming Men's Spirituality is a study that investigates men's spirituality by exploring three research questions Can a form of spirituality about men be identified and described how can this spirituality be examined and what is it that needs to be reclaimed To answer these questions and at the same time remain committed to the importance of lived experience this study opted to investigate the lives of men by attending to ten spiritual histories The study is situated in Malta and the ten spiritual histories provide access to various features expressions and contours that relate closely to men's being Semi structured interviews were also conducted with ten spiritual directors who have men as spiritual directees Their contribution clarifies the structure of men's spirituality the effort required when directing male spiritual directees and the impact generated in the lives of men thanks to spiritual direction To provide a frame of reference for the examination of all the gathered data John of the Cross's spiritual framework has been chosen as the mystical instrument against which men's spiritualities are studied leading to richer insights into the operations motives goals and problems of such spiritualities

Forging the Male Spirit W. Merle Longwood, William C. Schipper, Philip Culbertson, Gar

Kellom,2011-12-08 Young men undergo significant changes during their years in college They wrestle with big questions which are essentially spiritual questions as they ponder who they are what they believe what kind of persons they want to become and how they might shape the world into something they can feel comfortable being themselves in Those who participate in men s groups realize that their involvement can nurture their inner lives as they explore these questions and connect to transcendent values and a vision of a larger whole This book includes historical and sociological perspectives on men and spirituality and an expanded case study of how one campus pioneered in the development of men s spirituality groups which became a model for other campuses It includes quantitative empirical research that explores college men s openness to spirituality and their interest in men s groups The book s most extensive discussion is based on a qualitative analysis of thirty six interviews with male college students focusing on their understanding of the relationship between their masculinity and their spirituality and how spirituality groups provided a venue in which they could begin to engage what it means to be spiritual and what it means to be a man Religion & Sexuality Charles Kevin Robertson,2006 Issues of religion and sexuality elicit passionate debate as witnessed in the well researched provocative essays contained in this volume Cutting edge scholars representing radically different traditions and positions wrestle with controversial and even taboo subjects in modern American culture Oral sex polygamy homosexuality and clergy celibacy and boundaries are addressed as editor C K Robertson facilitates a lively conversation that will be of interest to students of religion and popular culture or anyone wishing to explore what is on and off limits in today s increasingly pluralistic yet strongly spiritual society

A Spiritual Life Allan Hugh Cole Jr.,2011-04-19 This revealing collection presents a selection of twenty poets prophets and preachers who share their understandings of what makes a good spiritual life They draw on their professional experiences and as important grace us with their personal thoughts The result is essentially a textbook for spirituality courses exposing readers to the spiritual lives of a wonderfully diverse group of people with a wide range of Christian experiences Every reader is sure to find a perspective with which he or she can identify Numen, Old Men Joseph Gelfer,2016-09-17 Since the early 1990s there have been various movements designed to encourage masculine spirituality All these movements share a concern that spirituality has become too feminine and that men s experiences of the spiritual are being marginalized The task of masculine spirituality is to promote authentic masculine characteristics within a spiritual context Numen Old Men examines these characteristics to argue that masculine spirituality is thinly veiled patriarchy The mythopoetic evangelical and Catholic men s movements are shown to promote a hetero patriarchal spirituality by appealing to either combative and oppressive neo Jungian archetypes or biblical models of man as the leader of the family Numen Old Men examines spiritualities that aim to honour and transcend both the masculine and feminine and offers gay spirituality as an example of masculine spirituality that resists patriarchy *Making Justice Our Business* Stephen B. Boyd,2011-11-01 Making Justice Our Business is the story of Darryl Hunt and of those drawn to him who refused to give up on him each other

and justice Boyd tells the story of how one summer morning in 1985 an attractive white newspaper editor named Deborah Sykes was raped brutally stabbed and murdered in a Southern town A 911 caller gave a false name Sammy Mitchell and the investigation quickly focused on him and his friend Darryl Hunt a black nineteen year old orphan Facing public pressure and having a history with Mitchell a District Attorney won a conviction before an all white jury sending Hunt to prison for life Convinced of his innocence a handful of people led a community effort to free him that turned into a nineteen year struggle with a few exhilarating highs but more discouraging depressing defeats against an intractable justice system Their dogged determination led to an improbable series of events in 2003 that broke the case open This is the story of an extraordinary man told by a white uneasy participant who came late to the struggle but was transformed by the process **A new history of ecclesiastical writers: Sixteenth century (2 v.)** Louis Ellies Du Pin,1703 *The Cry of Tamar* Pamela

Cooper-White,2013-06-24 In this comprehensive practical and gripping assessment of various forms of violence against women Pamela Cooper White challenges the Christian churches to examine their own responses to the cry of Tamar in our time She describes specific forms of such violence and outlines appropriate pastoral responses The second edition of this groundbreaking work is thoroughly updated and examines not only where the church has made progress since 1995 but also where women remain at unchanged or even greater risk of violence *LGBTQ Intimate Partner Violence* Adam M.

Messenger,2020-05-14 Nationally representative studies confirm that LGBTQ individuals are at an elevated risk of experiencing intimate partner violence While many similarities exist between LGBTQ and heterosexual cisgender intimate partner violence research has illuminated a variety of unique aspects of LGBTQ intimate partner violence regarding the predictors of perpetration the specific forms of abuse experienced barriers to help seeking for victims and policy and intervention needs This is the first book that systematically reviews the literature regarding LGBTQ intimate partner violence draws key lessons for current practice and policy and recommends research areas and enhanced methodologies

Encyclopedia of Religion ,2005 *Women and Religion in Sixteenth-Century France* S. Broomhall,2005-12-15 This work considers how Frenchwomen participated in Christian religious practice during the sixteenth century with their words and their actions Using extensive original and archival sources it provides a comprehensive study of how women contributed to institutional theological devotional and political religious matters Challenging the view of religious reforms and ideas imposed by male authorities upon women this study argues instead that women Catholic and Calvinist lay and monastic were deeply involved in the culture meanings and development of contemporary religious practices **Body and Soul** Marvin M. Ellison,Sylvia Thorson-Smith,2008-07-01 Ellison and Thorson Smith have coedited a collection of essays in collaboration with two dozen prominent theologians that plays off the controversial 1991 Presbyterian study they coauthored entitled Keeping Body and Soul Together Sexuality Spirituality and Social Justice and takes stock of sexuality religion and ethics at the beginning of the new millennium The cutting edge analyses address the possibilities and demands of a justice love ethic for
