Mueller, 2007-03-01 *Theologia et Apologia* gathers together eighteen essays written by a wide range of scholars on Reformation theology and its defense Orthodox theology grounded in the Scriptures calls humanity to believe This same theology must also be presented and defended to a world that has often not attended to its vital message Collectively these essays teach and defend the biblical theology articulated during the Reformation and still today They address topics including the inspiration canon and interpretation of Scripture Reformation era developments classic and modern apologetics and other topics This helpful book honoring Rod Rosenblatt a notable theologian and apologist is a welcome addition to the library of any thinking Christian *The Spirit of the Reformation* Frank Ciampa, 2007 **Film, Philosophy and Religion** William H. Being Shaped by Freedom Brett James Muhlhan, 2012-10-24 Did Luther get Christian freedom right The answer to this question contains two elements What is Luther s understanding of Christian freedom How did his understanding stand up under the pressure of reformation Muhlhan examines both of these elements and contends that the sublime beauty of Luther

s early understanding of Christian freedom an understanding that empowered the German reformation is consistently the same understanding he used to undermine papal heteronomy and refute radical legalism The relational character cruciform substance and complex structure of Luther s concept of freedom enabled him to speak both polemically and catechetically with a clear and authoritative communicative clarity that reinvoked the magnificence of Christ and him crucified for sinners The impact both positive and negative of Luther s appraisal of Christian freedom finds its focus of impact in the small world of Wittenberg in the sixteenth century yet resonated throughout the church of his day as a powerful theologically laden response to legalism and antinomianism Therefore in light of this impact and its correlation to biblical freedom Muhlhan contents that we can confidently affirm that Luther did indeed get Christian freedom right and that he did not fail to live by the implications of this radical theology

Hearing God's Words Peter Adam,2004-02-11 Many discussions of Christian spirituality draw on a range of traditions and disciplines but little attention is given to the Bible itself Drawing on the Old and New Testaments John Calvin and the Puritans Peter Adam expounds a biblical model of spirituality in this New Studies in Biblical Theology volume

The Writer and the Cross Darren J.N. Middleton,2022-06-27 Spiritually engaged readers commonly look toward fiction to better understand the depth of a faithful life and Christians are no exception Many followers of Jesus value beautifully written deftly characterized and pulse quickening literary art that seems more satisfying than dry tedious doctrinal textbooks This book surveys 12 pieces of historical fiction that feature notable Christian thinkers They include an illustrated children s book about St Irenaeus of Lyons a novel about Martin Luther s Reformation a screenplay focusing on Dietrich Bonhoeffer and even a story about Pope Francis narrated in popular manga style Rather than arcane literary analyses this book provides thoughtful and sometimes painful interviews with the authors of the covered works Most interviewees are little known or emerging writers Some have published their work with a church or denominational press others with a major publishing empire or popular print on demand platforms Storytellers reflect on their literary choices and the contexts of their writing sharing what modern Christians can learn from historical religious fiction

Christless Christianity Michael Horton,2008-11-01 Is it possible that we have left Christ out of Christianity Is the faith and practice of American Christians today more American than Christian These are the provocative questions Michael Horton addresses in this thoughtful insightful book He argues that while we invoke the name of Christ too often Christ and the Christ centered gospel are pushed aside The result is a message and a faith that are in Horton s words trivial sentimental affirming and irrelevant This alternative gospel is a message of moralism personal comfort self help self improvement and individualistic religion It trivializes God making him a means to our selfish ends Horton skillfully diagnoses the problem and points to the solution a return to the unadulterated gospel of salvation

They Need Not Go Away Timothy A. Rippstein,2020-05-29 Have you ever wondered how the Lord sustained Martin Luther through one of the most personally and spiritually intense times in the history of Christendom And does God still do this today The answer is yes *They Need Not Go Away* is a practical book

identifying and teaching modern day Millennials and Gen Zers about Lutheran spirituality It offers prayer practices designed and applied by Martin Luther the Reformer for modern families individuals adults and teenagers These spiritual practices are also applied to the modern Christian To support these practices and the Lutheran contribution to Christian spirituality this volume traces the influences of Martin Luther's piety from pre Reformation influencers to Dr Luther as he navigated the tremendous social cultural and ecclesiastical pressures of his time His spirituality is then traced through the next generations of Orthodoxy and Pietism identifying the shifts away from the affective aspects of Lutheran spirituality and elevation of the academic and more cognitive characteristics received in the twentieth century The goal is to recapture the wholistic spirituality including the cognitive affective and experiential features These are still useful in the hands of the Lord for today's believers

Beyond Indulgences Anna Marie Johnson, 2017-11-01 Between Luther's Ninety Five Theses in 1517 and his excommunication from the church in 1520 he issued twenty five sermons and treatises on Christian piety most of them in German These pastoral writings extended his criticisms of the church beyond indulgences to the practices of confession prayer clerical celibacy the sacraments suffering and death These were the issues that mattered most to Luther because they affected the faith of believers and the health of society Luther's conflict with Rome forced him to address the issue of papal authority but on his own time he focused on encouraging lay Christians to embrace a simpler self sacrificing faith In these pastoral writings he criticized theologians and church officials for leading people astray with a reliance on religious works and he began to lay the foundation for a reformed Christian piety

A Place to Stand Gene Edward Veith (Jr.), David J. Vaughan, 2005 New entry in the Leaders In Action Series Offers a spiritual biography of Martin Luther

A Tale of Two Churches Troy D. Ehlke, 2012-03-20 A Tale of Two Churches examines the complexities of resurrecting a congregation postmortem While conflict is a natural occurrence in all communities it can lead to organizational implosion The warning signs become blaring sirens when mistrust goes viral rumors escalate uncontrolled and the people discontinue their participation Pastor Ehlke attempts to generate new life in the corpse of a dying church through means of spiritual transformation Using the Scripture as a guidepost for reform the pastor starts a small group designed for the sole purpose of loving the people Trusting this will spark a revolution of compassion the leadership embarks on breathing

new life into a community declared all but dead by many in observance Having worked at St John Lutheran Church in Winter Park perhaps this paradigm will breathe life into other faith communities who are staring into the darkness of death

A second volume will investigate similar issues in relation to evangelical interactions with the Bible and theology. Contributors: Rob Ambler, Andrew Atherstone, Kristin Aune, David W.
