Spiritually Incorrect Finding God In All The Wrong Places:

Spiritually Incorrect Dan Wakefield, 2012-11-01 Spirituality is full of rules You need to find your own way straight through them Will tattoos and convertibles keep you from finding true spiritual fulfillment Some people claim that you cannot truly achieve spiritual fulfillment if you are not a vegetarian Some say you will never find the path if you don't learn yoga And some would insist that any display of vanity cosmetic surgery hair mousse is a sign that inner peace is way out of your reach With great candor and humor much of it irreverent Dan Wakefield's *Spiritually Incorrect* shows that there are as many ways to find spiritual fulfillment as there are individual seekers Part memoir part essay part whimsical illustration from his own life Wakefield's reflections break down the barriers that lie in the way of spiritual fulfillment showing you that rules were made to be broken and how it's possible and imperative for you to discover a rewarding spiritual life that fits your own personality your own path In this age of political correctness and watching what we say award winning author Dan Wakefield dares to ask the risky and sometimes hilarious questions about spirituality Why is poverty sacred wealth profane Can a coffee house be a sacred space Does yoga make you a Hindu Can a man pray in public and still be macho Does eating a steak really taint your soul Who in our lives and our modern day world deserves to be canonized as a saint Wakefield's creative exploration of these questions is a quest to free the spiritual world from pretension anxiety and the seemingly endless rules that can dictate how you identify or don't with religion Humorous stories from his own spiritually incorrect journey to God punctuate Wakefield's ultimate revelation that spirituality is not about conforming to a set of rules but rather discovering the practices that uniquely work for you

Spiritually Incorrect Dan Wakefield, 2005-10 In an age of political correctness and watching what we say award winning author Dan Wakefield dares to ask the risky and sometimes hilarious questions about spirituality Why is poverty sacred wealth profane Can a coffee house be a sacred space Does yoga make you a Hindu Can a man pray in public and still be macho Does eating a steak really taint your soul Who in our lives and our modern day world deserves to be canonized as a saint Wakefield's creative exploration of these questions is a quest to free the spiritual world from pretension anxiety and the seemingly endless rules that can dictate how you identify for don't with religion Humorous stories from his own spiritually incorrect journey to God punctuate Wakefield's ultimate revelation that spirituality is not about conforming to a set of rules but rather discovering the practices that uniquely work for you

God Within Editors at SkyLight Paths Publishing, Jon M. Sweeney, 2013-08-22 Our Faith In Our Words What does it mean to be young and spiritual today when the New Age isn't exactly new when female rabbis and ministers are no longer unusual and when Eastern religion's ideas and practices are no longer considered exotic Who are the faces behind today's fresh approaches to faith approaches that are destined to shape the future of spiritual life in America Religion is not a crutch for the weak minded It is merely spirituality in its simplest most rudimentary form We have witnessed the hypocrisy the moral and spiritual mediocrity of succumbing to tradition for tradition's sake In an age when there are books on everything for dummies my generation has opted to find out for themselves I am a new adult with decisions to make about my identity and my future I am not about to surrender this newfound privilege I am content with discovering my spiritual self through my own avenues I am not in need of a crossing guard from God Within God Within represents citizens of the twenty first century who are faced with a dizzying array of spiritualities believer seeker Christian Jew Muslim Hindu Buddhist and Wiccan to name just a very few The result of a nationwide challenge extended to young adults born after 1974 in this book they share their experiences with all of these beliefs some confident some questioning and introduce us to many shades in between Sometimes irreverent but more importantly always relevant this thought provoking collection of writings poetry and

art showcases the voices that are defining the future of religion faith and belief as we know it Sacred Attention Margaret D. McGee, 2010-09 Just One Moment of Close Attention Can Be a Prayer to God Does God communicate through the natural world Through the slug on the compost pile the leaf on the lawn the stone tumbled on the beach the air that feeds my lungs the dreams that fill my nights How will I know unless I pay attention from the Introduction Paying attention is rarely easy to do It requires focus patience and a willingness to slow down traits that are hard to come by in this hurry up world But close attention to even one small piece of creation one object person routine image word or scripture can become a prayer to God opening a channel of communication between you and the Divine to allow for deep spiritual growth In this inspiring guide you will discover ways to develop a practice of attention as a means of talking and listening to God Framed on the Christian liturgical year and paired with images of the seasons of the earth each chapter includes an insightful and poignant narrative which illustrates the surprising richness to be found in every attention getting moment Following each narrative is a prayer suggested scripture readings and a specific exercise you can use to develop your own practice of attention as a means to better connect with God Accessible humorous and meaningful these words and practices will lead you further along your path toward discovering a deeper awareness of yourself and your relationship to all that is around you and within you

The Qur'an and Sayings of Prophet Muhammad Sohaib Sultan, 2007 The timeless insight of Islam's sacred writings can enrich your own spiritual journey For many in the West the teachings of the Qur'an often are enshrouded in mystery and fear Yet Islam's holy book gave birth to one of the most powerful and enlightened civilizations the world has ever seen By the sixteenth century Muslim culture stretched from India to Africa to Europe preserving with it the ancient learning that helped spawn the Renaissance With its interwoven ideas of faith and reason justice and mercy the path of Islam which literally means surrendering to God's will offers a uniquely focused and balanced approach to living life with a profound awareness of God With gentleness and insight Sohaib N Sultan leads you through the central themes of both the Qur'an and the collected sayings of Prophet Muhammad known as hadith These teachings dispel common misconceptions about Muslim beliefs and offer practical guidance for your own spiritual journey from understanding the merciful nature of God to cultivating peace and justice in the self family and society to answering questions about the afterlife and how to attain it Now you can experience the wisdom of Qur'anic teachings even if you have no previous knowledge of Islam or Muslim writings Insightful yet unobtrusive facing page commentary explains the texts for you allowing you to enter into the path of surrender to God

The End of Days, 2011-06-06 Teachings about the end times can clarify your beliefs and energize your own spiritual journey Christian concepts of the end times involve complex beliefs that have developed over the centuries They range from popular ideas about the rapture when believers will be swept up to meet Christ in the air to suspicions about the Antichrist who will deceive and enslave the world to teachings about the millennium when Christ himself will return victoriously to earth to reign in peace for a thousand years And Christians have disagreed sometimes violently on exactly how and when

these events will occur or whether they will occur at all With insightful and broad knowledge of the historical religious and contemporary contexts of these writings distinguished scholar Robert G Clouse guides you through the fascinating and intricate world of apocalyptic literature He examines key verses from Christian and Hebrew scriptures visionary writings from Augustine and other Church Fathers accounts of radical millennial movements of the 1600s bold sermons from preachers such as Jonathan Edwards and Dwight L Moody and popular books circulating in our own day including 1970s prophecy sensation The Late Great Planet Earth and the mega bestselling Left Behind novels Accessible facing page commentary explains the apocalyptic writings for you even if you have no previous knowledge of Christian teachings on the end times Will Christ come on the clouds in power and in judgment Or is it up to us to usher in the golden age of the millennium Or is the millennium spiritual made real only within believers hearts This book will help you understand the complex Christian visions of the end of the world Running--The Sacred Art Warren A.
