

The background of the book cover is a classical painting of an angel. The angel has large, dark, feathered wings and is wearing a flowing, golden-brown robe. The angel's face is serene, and they are looking slightly to the right. The overall color palette is warm, with shades of orange, brown, and gold. The angel's hands are visible, holding a small object. The painting style is reminiscent of the High Renaissance.

## **Spirituals Wesleyan New Poets:**

**The Wesleyan Tradition** Michael Collier, 2012-08-22 Since issuing its first volumes in 1959 the Wesleyan poetry program has challenged the reigning aesthetic of the time and profoundly influenced the development of American poetry. One of the country's oldest programs its greatest achievement has been the publication of early works by yet undiscovered poetry who have since become major awarded Pulitzer and Bollingen prizes National Book Awards and many other honors. At a time when other programs are being phased out Wesleyan takes this opportunity to celebrate its distinguished history and reaffirm its commitment to poetry with publication of *The Wesleyan Tradition*. Drawing from some 250 volumes editor Michael Collier documents the wide ranging impact of these works. In his introduction he describes the literary and cultural context of American poetics in more recent decades tracing the evolution of the Deep Image and Confessional movements of the 50s and 60s and exploring the emergence of the prose lyric style. Although the success of the Wesleyan program has inspired its share of imitators no other program has had such a fundamental impact. Works by the eighty six poets included here both document and celebrate that contribution. *Spirituals* Bruce Beasley, 1988 *The Corpse Flower* Bruce Beasley, 2016-06-01 *The Corpse Flower* brings works from Bruce Beasley's first four award winning collections together with twenty five new poems organizing them around the metaphor that gives the book its title an enormous tropical bloom that reeks like carrion and around whose three day florescence dung beetles flies sweat bees swarm pollen gummed all over their furred feet. The corpse flower serves as a figure for Beasley's coming to terms with birth and death fecundity and decay the illusion of death and the flourishing of the rare and beautiful out of the materials of the decayed. *The Corpse Flower* traces a spiritual pilgrimage weaving autobiography into a larger meditation on the materials of language and of the life of the spirit. Beasley's is a deeply physical spirituality as he writes in one poem the soul's impossible to tell from the objects of its appetite. Throughout these poems family mythology as well as religious and mythic narrative and iconography become occasions for extraordinary meditations on the physicality of birth and death beginnings and endings. This substantial selection of Bruce Beasley's work written over a twenty year period offers the opportunity to experience page by page a poet's evolution and to follow a unique creative mind as it reaches through interrogations of faith science and art toward some form of resolution a resolution increasingly represented by the beauties of language itself. On Summer Mystagogia These brilliant poems often both mythic and demotic powerfully initiate the reader into a world at once marred and yet suffused by the signs and wonders of an irresistible grace. A wonderfully resilient and hard won poetry of witness. Boston Review [Make Us Wave Back](#) Michael Collier, 2007 A collection of essays written over twenty years trace the author's literary temperament.

**Poetry as Spiritual Practice** Robert McDowell, 2008-07-15 When we read and write poetry it is as if a long settled cloud in our mind suddenly dissipates and we are divine once again from the Introduction Poetry is the language of devotion in prayer chant and song. Reading and writing poetry creates clarity deepens and expands spiritual inquiry and cultivates

wisdom compassion self confidence patience and love In author Robert McDowell s words poetry makes you into a tuning fork of the Divine But poetry has disappeared over the centuries from religious ceremonies academic curricula and public discourse In Poetry as Spiritual Practice the first inspirational and instructional guide to combine poetry and spirituality McDowell restores poetry as the natural language of spiritual practice and invites you to recognize poetry as the pure sound and shape of your spirit Vividly illustrated with a wide range of poems from all historical eras and poetic traditions numerous religions and faiths and McDowell s own and his students work Poetry as Spiritual Practice will reintroduce you to the unique pleasure of verse And meditations throughout will allow you to integrate reading and writing poetry into your spiritual journeys and daily life Since many of us have long forgotten or never learned the mechanics and terminology of poetry trochaic feet and tropes trip us up we can t tell a villanelle from its shorter cousin rondeau and a terza rima may as well be a tanka this is also an instructional handbook on reading and writing poetry An engaging guide through the landscape of world poetry McDowell argues along the way for the many practical benefits of poetic literacy Making poetry an essential part of daily rituals aspirations and intentions will put you on the path to greater meaning growth and peace in your life At once an engaging technical primer a profound meditation on the relationship between poetry and the Divine and an inspirational guide for integrating poetry into spiritual practice Poetry as Spiritual Practice will become a cherished companion

Page Jr., 2013-07-26 Noting that Israel s earliest responses to earth shaking changes were cast in the powerfully expressive language of poetry Hugh R Page Jr argues that the careful collection and preservation of these traditions now found in every part of the Hebrew Bible was an act of resistance a communal no to the forces of despair and a yes to the creative power of the Spirit Further Page argues the power of these poems to craft and shape a future for a people who had suffered acute displacement and marginalization offers a rich spiritual repertoire for Africana peoples today and for all who find themselves perennially outside the social or political mainstream Here Page offers fresh translations and brief commentary on the Bible s fifteen earliest poems and explores the power and relevance of these poems and the ancient mythic themes behind them for contemporary life at the margins **The Spiritual Imagination of the Beats** David

Stephen Calonne, 2017-08-17 The first comprehensive study to explore the role of esoteric occult alchemical shamanistic mystical and magical traditions in the work of major Beat authors      **Spiritual, Blues, and Jazz People in African American Fiction** A. Yemisi Jimoh, 2002 In this book A Yemisi Jimoh demonstrates the critical influence of music on the fiction of various twentieth century African American writers Exploring novels and short stories by Toni Morrison John Edgar Wideman Zora Neale Hurston James Baldwin Ralph Ellison and others Jimoh shows how black musical traditions specifically Spirituals Blues and Jazz are used to shape characterizations and thematic content and to evince ideas emotions and experiences The author's analysis situates the literary texts she discusses within the diverse social energies of their times and locates important intersections where music history politics and literature meet Jimoh carefully distinguishes among the different musical forms and shows how in fiction they are transformed into rich metaphors She explains for example how characters and themes drawing on the Spiritual Gospel tradition de-emphasize human agency depicting earthly survival as a transitory state and heavenly triumph as a victory By contrast in Blues fiction characters must often negotiate an environment of alienation change and uncertainty in order to achieve a more earthly triumph even if that triumph is only survival Jazz fiction meanwhile goes beyond Blues and Spiritual expressions to explore new realms revealing a space for infinite options radical change resistance and revolution This innovative book examines novels that have not previously received extensive attention including Albert Murray's *Train Whistle Guitar* Wallace Thurman's *The Blacker the Berry* and Ann Petry's *The Street* At the same time it brings fresh and intriguing readings to such widely studied works as Ellison's *Invisible Man* and Morrison's *Sula* Finally it suggests some exciting directions for future study as new generations of African American musicians and writers continue to develop and expand on established traditions and forms The Author A Yemisi Jimoh is an associate professor of English at the University of Arkansas Fayetteville Her articles have appeared in *African American Review* *Contemporary African American Novelists* and other publications      **Wesley and Whitefield? Wesley versus Whitefield?** Ian J. Maddock, 2018-02-28 John Wesley and George Whitefield were in many ways larger than life figures during their own lifetimes and continue to be so today Yet our ability to appreciate their abiding influence on contemporary Evangelical theology and practice is lacking if we consider them in isolation from one another Our understanding of Wesley and the legacy of his public ministry is impoverished apart from considering Whitefield and vice versa This collection of essays explores the complex dynamics at work in the Wesley Whitefield relationship spanning a variety of theological historical and pastoral facets of their full-orbed public ministries They serve as an invitation to grow in our awareness of their undoubted affinities and significant differences all the while resisting the potential allure of either uncritically ecumenical Wesley and/or uncharitably partisan Whitefield versus narratives      *Mysticism in Postmodernist Long Poems* Joe Moffett, 2014-10-28 Written from a literary critic's perspective *Mysticism in Postmodernist Long Poems* borrows insights from Religious Studies and critical theory to examine the role of spirituality in contemporary poetry

specifically the genre of the long poem Descending from Whitman's Song of Myself the long poem is often considered the American twentieth century equivalent of the epic poem but unlike the epic it carries few generic expectations aside from the fact that it simply must be long This makes the form particularly pliable as a tool for spiritual inquiry The period following World War II is often described as a secular age but spirituality continued as a concern for poets as evidenced by this study These writers look beyond conventional faith systems and instead seek individual paths of understanding they engage in mysticism in other words With chapters on H D and Brenda Hillman Robert Duncan James Merrill Charles Wright and Galway Kinnell and Gary Snyder this study demonstrates how these poets engage the culture of consumption in the postwar years at the same time they search for opportunities for transcendence Not content to throw over the earthly in favor of the otherworldly these poets reject the familiar binary of the worldly and metaphysical to produce distinctive paths of spiritual understanding that fuel what Wright calls a contemplation of the divine

### **Handbook of American Poetry** Sabine Sielke, 2025-01-27

### **Poetry and Bondage** Andrea Brady, 2021-10-21

Poetry and Bondage is a groundbreaking and comprehensive study of the history of poetic constraint For millennia poets have compared verse to bondage chains fetters cells or slavery Tracing this metaphor from Ovid through the present Andrea Brady reveals the contributions to poetics of people who are actually in bondage How the book asks does our understanding of the lyric and the political freedoms and forms of human being it is supposed to epitomise change if we listen to the voices of enslaved and imprisoned poets Bringing canonical and contemporary poets into dialogue from Thomas Wyatt to Rob Halpern Emily Dickinson to M NourbeSe Philip and Phillis Wheatley to Lisa Robertson the book also examines poetry that emerged from the plantation and the prison This book is a major intervention in lyric studies and literary criticism interrogating the whiteness

of those disciplines and exploring the possibilities for committed poetry today      *Writing on Napkins at the Sunshine Club*  
Kevin Cantwell, 2011 *Writing on Napkins at the Sunshine Club* includes a poet laureate of Georgia and of the United States and the poet who read at President Clinton's second inauguration. The oldest was born in 1905 and the two youngest in that ominous year of American history 1968. The Pulitzer-winning Stanley Kunitz wrote a famous poem about the Indian Mounds. Miller Williams, father of the Grammy-winning Lucinda Williams, lived in Macon in the early 1960s and became a friend of Flannery O'Connor. In the late 1970s, soon after his Mercer days, David Bottoms writes the poems for *Shooting Rats* at the Bibb County Dump and wins the Walt Whitman Award. Jud Mitcham wins the Devins Award for his first book *Somewhere in Ecclesiastes* and Seaborn Jones is doing his stint with Mister Rogers Neighborhood and would later connect in San Francisco to one of the last pure lines of surrealism in American expression. Several poets came out of Macon or arrived in Macon soon after. Between Mercer University and Macon State College, the activity of poetry in Macon thrived. Adrienne Bond wrote her seminal poems and started up the Georgia Poetry Circuit. Judith Ortiz Cofer passed through Macon State at the brink of her position at the University of Georgia and in American letters as an important artistic spokesperson for women's experience. From Bruce Beasley and his hybrid poetics to Stephen Bluestone and his learned craft in the lyric poem, this book presents a selection for all students of Southern Literature, some of the best poems of other poets too, like Anya Silver, Amanda Pecor, Marjorie Becker, and the late Reginald Shepherd, who was as well known at his early death as any poet of his generation. Many of these poets studied with and knew the important poets of their time. The poems nevertheless speak for themselves.
