Spitfire The New Zealand Story:

Spitfire Gerard S. Morris, 2000 **Story of the Spitfire** Ken Delve, 2025-01-30 An in depth exploration of the Spitfire's combat legacy pilot tactics and its enduring iconic status To many people the Supermarine Spitfire was Britain's saviour during the Battle of Britain and the embodiment of air combat during the Second World War The Story of the Spitfire presents a thrilling appraisal of this unique aircraft focusing on its fighting capability and the tactics of the pilots who flew it Using official evaluations and reports alongside technical and tactical developments plus the recollections of Spitfire pilots Ken Delve provides a fascinating insight into the combat career of this legendary aircraft Despite some problems with their new aircraft the Fighter Command pilots of 1938 were generally delighted with the Spitfire speed manoeuvrability and firepower were all far greater than they had been with the earlier biplanes In tactics and training the RAF was outdated but it adapted quickly and the air battles over Britain in late 1940 forged the Spitfire legend How justified was the legend There were only nineteen Spitfire squadrons in Fighter Command during the Battle of Britain it was only later as the RAF turned to the offensive that the number of Spitfire units increased dramatically At certain times the combat initiative was lost to improved Messerschmitt Bf 109s and Focke Wulf Fw 190s but with increased performance and better training the Spitfire clawed back the advantage By 1944 the Spitfire was operating as a fighter bomber in various theatres of war with new tactics and new problems Many fighter pilots thought that having bombs strapped under the aircraft verged on an insult but with aerial targets in short supply this was the most effective if risky way of taking the war to the enemy After the war the Spitfire saw action right up to 1948 in the Arab Israeli War Today there are approximately seventy airworthy Spitfires in existence and R J Mitchell's remarkable aircraft is still the highlight of flying displays around the world For Fifteen Bob a Day Clinton Mhic Aonghais, 2015-06-08 The true account of the life of 485 New Zealand Spitfire Squadron sergeant pilot from South Auckland who in the words of fellow WW2 fighter pilot Johnnie Houlton was a happy go lucky type with a gift for getting himself into trouble without even trying In the words of another friend and pilot Max Collett he was as mad as a March hare As an average young colonial lad exemplifying exuberance in youth the author's namesake Clinton McInnes would challenge his father in stepping up to the challenges and hardships of the war and ultimately life itself He would achieve his aspiration and dream of flying for his hoped for squadron along with finally being awarded Pilot Officer status In living his young life to the full he would discover friendship and his love in family to leave his mark for posterity In so doing he would unwittingly prove Pilot Officer Prune's contention that apples if they were our genes do not fall far from their tree

Spitfire Leo McKinstrey, 2010-10-14 In June 1940 the German Army had brought the rest of Europe to its knees Hitler knows that he will have to break us in this island or lose the war If we can stand up to him all Europe may be free and the life of the world will move forward into broad sunlit uplands said Churchill The future of Europe depended on Britain A self confident Herman Goring thought that it would be only a matter of weeks before his planes had forced Britain to surrender

The courage resourcefulness and brilliant organisation of the RAF were to prove him wrong By late September 1940 the RAF had proved invincible thanks to the Vickers Supermarine Spitfire It exceeded anything that any other air force possessed RJ Mitchell a shy and almost painfully modest engineer was the genius behind the Spitfire On the 5th March 1936 following its successful maiden flight a legend was born Prize winning historian Leo McKinstry s vivid history of the Spitfire brings together a rich cast of characters and first hand testimonies It is a tale full of drama and heroism of glory and tragedy with the main protagonist the remarkable plane that played a crucial role in saving Britain **The New Zealand Journal of History** ,2002 **Spitfire** Tony Holmes,2015-05-20 Bursting with exciting full colour illustrations colour artwork and contemporary photographs this is a handy complete guide to the most famous military aircraft in history The Spitfire is an icon of World War II becoming the darling of the British public through defending the skies during the Battle of Britain The Spitfire s combat ability and superb handling meant it was loved by British Commonwealth and American pilots alike leading to a level of global public recognition which is unparalleled amongst other aircraft everyone recognises and connects with the iconic Spitfire Spitfire is a complete reference guide to the world s most famous fighter aircraft exploring its history its strengths and weaknesses and its combat performance using exciting full colour artwork and detailed illustrations throughout A History of the Mediterranean Air War, 1940-1945 Christopher Shores,Giovanni Massimello,Russell Guest,Frank Olynyk,Winfried Bock,2016-08-05 The third volume in the epic military aviation series focuses on the Allied invasion of North Africa during World War II This work of WWII history takes us to November 1942 to explain the background of the first major Anglo American venture Operation Torch the invasion of French North Africa Describing the fratricidal combat that followed the initial landings in Morocco and Algeria it then considers the unsuccessful efforts to reach northern Tunisia before the Germans and Italians could get there to forestall the possibility of an attack from the west on the rear of the Afrika Korps forces then beginning their retreat from El Alamein The six months of hard fighting that followed as the Allies built up the strength of their joint air forces and gradually wrested control of the skies from the Axis are recounted in detail The continuing story of the Western Desert Air Force is told as it advanced from the east to join hands with the units in the west Also covered are the arrivals over the front of American pilots and crew the P 38 Lightning the Spitfire IX and the B 17 Flying Fortress and of the much feared Focke Wulf Fw 190 The aerial activities over Tunisia became one of the focal turning points of World War II yet are frequently overlooked by historians Here the air sea activities the reconnaissance flights and the growing day and night bomber offensives are examined in detail *Penguin Book of New Zealanders at War* Gavin McLean,2009-08-31 The New Zealand Wars of the 1840s and 1860s other nineteenth century military encounters the South African War the First and Second World Wars Korea Malaya Vietnam the Gulf War modern day peacekeeping The Penguin Book of New Zealanders at War contains the best widest range of published and non published written material on our people in warfare This is a soldier s book thus letters diaries journalists reports memoirs The focus is on actual

experience and on human responses to war A vast array of personal experiences is covered including POWs the home front medical nursing efforts as well as coverage of conscientious objectors **Spitfire Down** Dilip Sarkar,2022-09-15 Profoundly moved by the stories of wartime casualties as a child Dilip Sarkar has since spent a lifetime reconstructing the lives of many of the fallen and is passionate about recording and sharing this very personal hidden history In *Spitfire Down* he explores the stories of thirteen pilots who failed to return all killed either in action or flying accidents while a fourteenth Flying Officer Buck Casson was brought down by a German ace over France and captured There is for example the virtually unknown story of The Baby of the RAF Sergeant Geoffrey Painting Posted to fly Spitfires with 118 Squadron at RAF Ibsley in Hampshire Painting was hit by flak during an attack on enemy shipping off Cherbourg on 30 September 1941 Still listed as missing at just 17 he is believed to have been the youngest RAF pilot killed during the Second World War The author has reconstructed Painting's short life with help from his family and forensically deconstructed that last flight with the help of the now late Wing Commander Peter Howard Williams DFC who was flying with the teenage pilot that day The author also explores the heart rending story of an American trainee fighter pilot Pilot Officer Jim Bob Lee whose Spitfire collided with a Wellington bomber over Gloucestershire resulting in the loss of all airmen involved Two Canadian pilots perished on Pen y Fan the highest peak in South Wales The multi national effort that defeated Hitler is further emphasised in fact through the stories of both Wing Commander Piotr Laguna and Flying Officer Franek Surma But perhaps most tragic of all is how lightning struck Joan Welch twice her first fianc e Flight Lieutenant Lester Sanders DFC was killed test flying Spitfires in 1942 and her second Pilot Officer Ian Smith was killed flying in Palestine in 1945 Using correspondence diaries and other personal papers of the pilots concerned the author has reconstructed their all too brief lives and provided a lasting and profusely illustrated record of these sacrifices [Current Contents. Arts & Humanities](#) Institute for Scientific Information,2001 *Royal Air Force Quarterly and Commonwealth Air Forces Journal* ,1942 [Flying against Fate](#) S. P. MacKenzie,2017-08-04 During World War II Allied casualty rates in the air were high Of the roughly 125 000 who served as aircrew with Bomber Command 59 423 were killed or missing and presumed killed a fatality rate of 45 5% With odds like that it would be no surprise if there were as few atheists in cockpits as there were in foxholes and indeed many airmen faced their dangerous missions with beliefs and rituals ranging from the traditional to the outlandish Military historian S P MacKenzie considers this phenomenon in *Flying against Fate* a pioneering study of the important role that superstition played in combat flier morale among the Allies in World War II Mining a wealth of documents as well as a trove of published and unpublished memoirs and diaries MacKenzie examines the myriad forms combat fliers superstitions assumed from jinxes to premonitions Most commonly airmen carried amulets or talismans lucky boots or a stuffed toy a coin whose year numbers added up to thirteen counterintuitively a boomerang Some performed rituals or avoided other acts e g having a photo taken before a flight Whatever seemed to work was worth sticking with and a heightened risk often meant an upsurge in superstitious thought

and behavior MacKenzie delves into behavior analysis studies to help explain the psychology behind much of the behavior he documents not slighting the large cohort of crew members and commanders who demurred He also looks into the ways in which superstitious behavior was tolerated or even encouraged by those in command who saw it as a means of buttressing morale The first in depth exploration of just how varied and deeply felt superstitious beliefs were to tens of thousands of combat fliers Flying against Fate expands our understanding of a major aspect of the psychology of war in the air and of World War II **The Aeronautical Journal** ,1994 *A Spitfire Girl* Mary Ellis,Melody Foreman,2016-11-30 This WWII biography recounts the heroic contributions of a female pilot who flew Spitfires Hurricanes and Wellington Bombers for the RAF A farmer s daughter from Oxfordshire Mary Ellis fell in love with flying at the age of eleven when she rode in a biplane at a flying circus Already a licensed pilot by the time the Second World War broke out Mary joined the Air Transit Auxiliary in 1941 As a ferry pilot she transported aircraft for the Royal Air Force including more than four hundred Spitfires and seventy six different kinds of aircraft After the war Mary accepted a secondment to the RAF as one of the first pilots to fly the new Gloster Meteor Britain s first fighter jet By 1950 she became Europe s first female air commandant In this authorized biography Mary and biographer Melody Foreman vividly recount her action packed career spanning almost a century of aviation Mary says I am passionate for anything fast and furious I always have been since the age of three and I always knew I would fly The day I stepped into a Spitfire was a complete joy and it was the most natural thing in the world for me

R.J. Mitchell: Schooldays to Spitfire Gordon Mitchell,2011-10-24 The Spitfire began as a near disaster The developments of this famous aircraft took it from uncompromising beginnings to become the legendary last memorial to a great man an elegant and with its pilots a highly effective weapon of war The Spitfire would not have happened at all however without Mitchell s indomitable courage and determination in the face of severe physical and psychological adversity resulting from cancer His contribution to the Battle of Britain and thereafter to the achievement of final victory in 1945 was so great that our debt to him can never be repaid This poignant story is written from a uniquely personal viewpoint by his son Gordon Mitchell

Cultures and caricatures of British imperial aviation Gordon Pirie,2017-02-01 The new activity of trans continental civil flying in the 1930s is a useful vantage point for viewing the extension of British imperial attitudes and practices Cultures and caricatures of British imperial aviation examines the experiences of those mostly men who flew solo or with a companion racing or for leisure who were airline passengers doing colonial administration business or research or who flew as civilian air and ground crews For airborne elites flying was a modern and often enviable way of managing using and experiencing empire On the ground aviation was a device for asserting old empire adventure and modernity were accompanied by supremacism At the time however British civil imperial flying was presented romantically in books magazines and exhibitions Eighty years on imperial flying is still remembered reproduced and re enacted in caricature
