Spitfire Aces of Burma and the Pacific Andrew Thomas, 2013-02-20 The history of the 54 aces who flew Spitfires over Burma India and Australia with first hand accounts and full colour artwork revealing how this much loved plane changed the fortunes of the Allied forces against the Japanese Army Air Force The arrival of the Spitfire in Burma came at a crucial time as the RAF struggled against the Japanese to support the Chindit operation on the ground Proving a huge boost to morale the Spitfire played a large part in defeating the enemy and covering the subsequent Allied advance through Burma protecting the ground troops and providing vital supplies Covering this little documented aerial war this book tells the stories of the 54 aces who flew against the Japanese and also those who fought in India and Australia Full colour artwork reveals the markings and paint schemes of this most famous of British planes whilst first hand accounts and archive photographs bring the aerial battles of Burma India and Australia to life

Story of the Spitfire Ken Delve, 2025-01-30 An in depth exploration of the Spitfire's combat legacy pilot tactics and its enduring iconic status To many people the Supermarine Spitfire was Britain's saviour during the Battle of Britain and the embodiment of air combat during the Second World War The Story of the Spitfire presents a thrilling appraisal of this unique aircraft focusing on its fighting capability and the tactics of the pilots who flew it Using official evaluations and reports alongside technical and tactical

developments plus the recollections of Spitfire pilots Ken Delve provides a fascinating insight into the combat career of this legendary aircraft. Despite some problems with their new aircraft the Fighter Command pilots of 1938 were generally delighted with the Spitfire speed manoeuvrability and firepower were all far greater than they had been with the earlier biplanes. In tactics and training the RAF was outdated but it adapted quickly and the air battles over Britain in late 1940 forged the Spitfire legend. How justified was the legend? There were only nineteen Spitfire squadrons in Fighter Command during the Battle of Britain it was only later as the RAF turned to the offensive that the number of Spitfire units increased dramatically. At certain times the combat initiative was lost to improved Messerschmitt Bf 109s and Focke Wulf Fw 190s but with increased performance and better training the Spitfire clawed back the advantage. By 1944 the Spitfire was operating as a fighter bomber in various theatres of war with new tactics and new problems. Many fighter pilots thought that having bombs strapped under the aircraft verged on an insult but with aerial targets in short supply this was the most effective if risky way of taking the war to the enemy. After the war the Spitfire saw action right up to 1948 in the Arab Israeli War. Today there are approximately seventy airworthy Spitfires in existence and R J Mitchell's remarkable aircraft is still the highlight of flying displays around the world. *Royal Air Force, 1939-1945: The fight is won, by H. St. G. Saunders* Denis Richards, 1953

RAF Fighter Pilots Over Burma Norman Franks, 2014-01-22 It is a recognized fact that had the war gone badly for the Allies on the India Burma front and had the Japanese succeeded in invading the Indian Continent the outcome of the war would have been entirely different. Yet despite this the campaign on the Burma front is offered surprisingly scant coverage in the majority of photo history books. This new book from respected military historian and author Norman Franks attempts to redress the balance noting the importance of this particular aerial conflict within the wider context of the Second World War. Franks takes as his focus the pilots aircraft and landscapes that characterized the campaign. Photographs acquired during the course of an intensive research period are consolidated into a volume that is sure to make for a popular addition to the established Images of War series. Many unpublished photographs feature each one offering a new insight into the conflict as it unfolded over Burmese skies. The archive offers a wealth of dynamic images of RAF Hurricanes and Spitfires in flight with shots of both the aircraft and the pilots employed during this challenging conflict. To fly and fight in Burma pilots really had to be at the top of their game. The Japanese enemy certainly weren't the only problem to contend with weather poor food incredible heat and all its attendant maladies jungle diseases tigers elephants fevers. The Japanese were the real enemy but the British pilots had so much more to deal with. And they did it for years. In Britain a pilot could look forward to a break from operations every six months or so on average. In Burma pilots first employed in 1941 were still flying operations in 1944. The collection represents a determination on the author's part to record the part played by these resilient and skilled RAF fighter pilots the contribution that they paid in supporting General Slim's 14th Army and the part they ultimately played in defeating the Japanese attempts to break through into India. These efforts all paramount and imperative to success are celebrated here.

in words and images in a volume sure to appeal to Spitfire and Hurricane enthusiasts as well as the more general reader

Informational Intelligence Summary ,1944 **Combat Lore: Indian Air Force 1930-1945** ,2014-07-15 The Indian Air Force is today 82 years old a battle scarred highly professional force How it reached this level is an epic saga of struggle against bias and racial prejudice for the officers and men from early thirties to the beginning of World War II The charge was that Indians lacked leadership qualities and could not fly military aircraft and technically maintain them In just three years IAF technicians and pilots imbibed the discipline of the Air Force and performed magnificently in the North West Frontier Province By 1939 when the war broke out there was just one squadron In 1941 42 the Japanese onslaught on Burma provided the IAF with an opportunity to show its competence and leadership in battle As the Allied armies were retreating along with the RAF the IAF provided air cover By 1944 45 there were nine squadrons and till the end of the war there were constantly in action History records events taking an impersonal view What our younger generations need to know is people Without people there are no units and no organization This narrative is an effort to bring to the reader the fierce joy at fighting for the country the professional pride of doing one s duty and finally the personal touch I did it Through the mouths of youngsters who are no longer youngsters and some who have passed away the reader can imagine himself to be there whether in the North West tribal region or flying over the thick jungles of Burma It is the first person account that provides the flesh and blood to history by describing hopes fears and pride in facing death and the enemy at close quarters on the frontier or in Burma The narrative has interviews with those who took part in operations This is a story of the Indian Air Force coming of age after being bloodied in war Air Combat Legends: Supermarine Spitfire, Messerschmitt Bf109 ,2004
