Splendid Morning:

The Top of the Morning Juliet Wilbor Tompkins, 1910 **G.K. Chesterton** Michael D. Hurley, 2012 Novelist essayist poet playwright historian journalist Christian apologist literary and social critic G K Chesterton was one of the most protean and prolific writers of his age perhaps of any age Bernard Shaw called him a colossal genius Most readers have certainly found him too big to see whole and have therefore cut him in half The poet is severed from the philosopher he is treated either as a phrase maker or as a mystic his quirky writings are enjoyed as an aesthetic end in themselves or they are praised for their contribution to theology In this close reading of his work Michael D Hurley brings Chesterton s divided selves together Covering the full range of his diverse genres Hurley shows how Chesterton thinks through language in ways that confound attempts to read him as a thinker without first appreciating him as a writer *The Mysteries of New Orleans* Baron Ludwig von Reizenstein, 2003-05-22 One of the most scandalous books published in America at the time Reizenstein s peculiar vision of New Orleans is worth resurrecting precisely because it crossed the boundaries of acceptable taste in nineteenth century German America and squatted firmly on the other side This work makes us realize how limited our notions were of what could be conceived by a fertile American imagination in the middle of the nineteenth century from the Introduction by Steven Rowan A lost classic of America s neglected German language literary tradition *The Mysteries of New Orleans* by Baron Ludwig von Reizenstein first appeared as a serial in the Louisiana Staats Zeitung a New Orleans German language newspaper between 1854 and 1855 Inspired by the gothic urban mysteries serialized in France and Germany during this period Reizenstein crafted a daring occult novel that stages a frontal assault on the ethos of the antebellum South His plot imagines the coming of a bloody retributive justice at the hands of Hiram the Freemason a nightmarish 200 year old proto Nietzschean superman for the sin of slavery Heralded by the birth of a black messiah the son of a mulatto prostitute and a decadent German aristocrat this coming revolution is depicted in frankly apocalyptic terms Yet Reizenstein was equally concerned with setting and characters from the mundane to the fantastic The book is saturated with the atmosphere of nineteenth century New Orleans the amorous exploits of its main characters uncannily resembling those of New Orleans leading citizens Also of note is the author s progressively matter of fact portrait of the lesbian romance between his novel s only sympathetic characters Claudine and Orleana This edition marks the first time that *The Mysteries of New Orleans* has been translated into English and proves that 150 years later this vast strange and important novel remains as compelling as ever *Hunter's Fiery Raid Through Virginia Valleys* Gary C. Walker, 1989 *Cruising World* , 1982-01 *Transatlantic Rambles* , 1851 **Transatlantic Rambles** RUGBÆAN, 1851 *The Prairie Hunter* Flack (Captain.), 1866 Moments of Moment Wim Tigges, 1999 a sudden spiritual manifestation whether in the vulgarity of speech or of gesture or in a memorable phase in the mind itself Thus Stephen Dedalus in James Joyce s *Stephen Hero* defines the phenomenon that has ever since been known as the literary epiphany The essays gathered in this volume comprise a wide survey of this

phenomenon With recurrent reference to its most famous creators notably William Wordsworth who was the first to consciously explore and delineate those momentous spots in time in his *Prelude* Walter Pater James Joyce and Virginia Woolf this book intends to provide a broad and unbiased exploration into the various types and categories of the moment of moment that can be distinguished ranging from William Blake Ann Radcliffe and Charles Maturin through the nineteenth century sonnet tradition and the naturalistic novel to modernist and postmodernist exponents such as Ezra Pound and Elizabeth Bowen Philip larkin and Seamus Heaney and include contributions by acclaimed experts in the field such as Martin Bidney Robert Langbaum Jay Losey and Ashton Nichols

the illustrated magazine ,1863 **The Greatest Works of Henryk Sienkiewicz** Henryk Sienkiewicz,2023-12-09 Henryk Sienkiewicz s *The Greatest Works of Henryk Sienkiewicz* represents a monumental anthology that encapsulates the breadth of the author s literary genius Spanning various themes including nationalism heroism and love this compilation showcases Sienkiewicz s masterful command of narrative techniques and rich evocative language The stories set against the backdrop of tumultuous historical events reflect the restless spirit of Poland during a time of national struggle His use of vibrant prose and well drawn characters brings to life the complexities of human emotion within broader social and political frameworks marking him as a pivotal figure in Polish literature and a laureate of the Nobel Prize in Literature in 1905 Sienkiewicz was deeply influenced by the sociopolitical climate of 19th century Poland a nation experiencing division and hardship His dedication to capturing the essence of Polish identity along with his personal experiences in exile and his background in law and history endowed him with a unique perspective This context not only enriched his storytelling but also fueled his passion for documenting the resilience and valor of his compatriots through fiction thereby resonating powerfully with readers This anthology is highly recommended for scholars and enthusiasts of Polish literature alike as it offers profound insights into Sienkiewicz s thematic concerns and stylistic innovations It serves as both an introduction for new readers and a comprehensive reference for those deeply invested in the literary merits of Sienkiewicz s oeuvre poised to inspire admiration for this towering literary figure

Krishnamurtis Notebook J Krishnamurti,2016-08-08 When Krishnamurti s *Notebook* first became available in 1976 it was soon realized that it was a spiritually unique document giving his perceptions and experiences and describing his states of consciousness It is a kind of diary but one that is little concerned with the day to day process of living though very much aware of the natural world Jiddu Krishnamurti was born on 11 May 1895 in Madanapalle a small town in south India He and his brother were adopted in their youth by Dr Annie Besant then president of the Theosophical Society Dr Besant and others proclaimed that Krishnamurti was to be a world teacher whose coming the Theosophists had predicted To prepare the world for this coming a world wide organization called the Order of the Star in the East was formed and the young Krishnamurti was made its head In 1929 however Krishnamurti renounced the role that

he was expected to play dissolved the Order with its huge following and returned all the money and property that had been donated for this work From then for nearly sixty years until his death on 17 February 1986 he travelled throughout the world talking to large audiences and to individuals about the need for a radical change in mankind Krishnamurti is regarded globally as one of the greatest thinkers and religious teachers of all time He did not expound any philosophy or religion but rather talked of the things that concern all of us in our everyday lives of the problems of living in modern society with its violence and corruption of the individual s search for security and happiness and the need for mankind to free itself from inner burdens of fear anger hurt and sorrow He explained with great precision the subtle workings of the human mind and pointed to the need for bringing to our daily life a deeply meditative and spiritual quality Krishnamurti belonged to no religious organization sect or country nor did he subscribe to any school of political or ideological thought On the contrary he maintained that these are the very factors that divide human beings and bring about conflict and war He reminded his listeners again and again that we are all human beings first and not Hindus Muslims or Christians that we are like the rest of humanity and are not different from one another He asked that we tread lightly on this earth without destroying ourselves or the environment He communicated to his listeners a deep sense of respect for nature His teachings transcend man made belief systems nationalistic sentiment and sectarianism At the same time they give new meaning and direction to mankind s search for truth His teaching besides being relevant to the modern age is timeless and universal Krishnamurti spoke not as a guru but as a friend and his talks and discussions are based not on tradition based knowledge but on his own insights into the human mind and his vision of the sacred so he always communicates a sense of freshness and directness although the essence of his message remained unchanged over the years When he addressed large audiences people felt that Krishnamurti was talking to each of them personally addressing his or her particular problem In his private interviews he was a compassionate teacher listening attentively to the man or woman who came to him in sorrow and encouraging them to heal themselves through their own understanding Religious scholars found that his words threw new light on traditional concepts Krishnamurti took on the challenge of modern scientists and psychologists and went with them step by step discussed their theories and sometimes enabled them to discern the limitations of those theories Krishnamurti left a large body of literature in the form of public talks writings discussions with teachers and students with scientists and religious figures conversations with individuals television and radio interviews and letters
