Koerpel, Vimal Tirimanna, 2017-05-18 Professor Brian V Johnstone CSsR has been guietly and unobtrusively contributing to the intellectual life of Catholicism especially in the field of moral theology for nearly four decades Having published numerous theological articles on many topics including biomedical ethics peace and war and fundamental moral theology and directed many doctoral dissertations it is no exaggeration to say that he has dedicated his entire life to teaching and writing theology In honor of Johnstone's work this felicitation volume covers a wide range of themes in the Christian moral life with original articles written by internationally recognized theologians In the spirit of Johnstone's thought and work each article challenges the reader to reflect upon the present while contemplating the future of moral theology **Veritatis Splendor** [the Splendor of Truth] Pope John Paul II,1993 The Legacy of John Paul II Tim Perry, 2007-10-16 The papacy of John Paul II was phenomenal and not least for the fact that many evangelicals came to honor and respect him Tim Perry calls on some of the best evangelical minds to offer their assessments of the thought of John Paul II as expressed in his major

encyclicals Renewing the Evangelical Mission Richard Lints, 2013-05-26 The culture story of evangelicalism during the second half of the twentieth century has been well told It is important now to think about the theological mission of the church in an ever increasing post Christian and post partisan context What is the theologian's calling at the beginning of the third millennium How do global realities impact the mission of evangelical theology What sense can be made of the unity of evangelical theology in light of its many diverse voices Contributors Os Guinness Michael S Horton Richard Lints Bruce McCormack Mark Noll J I Packer Gary Parrett Rodney Peterson Cornelius Plantinga Tite Tienou Kevin J Vanhoozer Adonis **Precious in the Eyes of the Lord** Ray E. Atwood, 2022-02-03 There are many fine published Vidu and Miroslav Volf works on the lives and deaths of martyrs and there is no shortage of information on the martyrs of history However it is difficult to find one source that describes the lives of martyrs in a comprehensive way Precious in the Eyes of the Lord Martyrdom in Christian Tradition presents an account of one hundred martyrs across history Beginning with the first martyr Abel in the Old Testament and concluding with the Acteal martyrs of Mexico in the late twentieth century the stories of these men and women not only highlight the virtues of charity fortitude and patriotism but also reveal the love of God in their Leader's Guide for Primary Source Readings in Christian Morality Diana Turney, 2008-02-04 Primary Source Readings in Christian Morality presents the living words of the Catholic Church and the wisdom of everyday people addressing the moral issues that impact our lives One goal of Primary Source Readings in Christian Morality is to help students realize the connection between behavior and character Additionally the hope is that students will uncover that the road to authentic happiness and joy involves working on their relationship with God Within this book you will find writings from Pope Benedict XVI The Second Vatican Council Richard Gula SS Pope Paul VI Ronald Rohlheiser Erich Maria Remarque Pope John Paul II The United States Conference of Catholic Bishops The Myth of Romantic Love and Other Essays Michael Novak, 2013-02-20 Written by noted Catholic philosopher Michael Novak the selections in The Myth of Romantic Love and Other Essays highlight the arc of his intellectual career Collectively demonstrating the fundamental unity of Novak s work the sixteen essays in this book span a broad range of political economic and social topics. The selections offer clarity of thinking for the sake of concrete ends For example The Myth of Romantic Love the chapter from which the title of this work is drawn sharply distinguishes the love that popular culture portrays from the true Christian vision of love And The Family out of Favor argues if things go well with the family life is worth living when the family falters life falls apart Thus true Christian love manifest in marriage and family life is a greater resource for civilized society than any other institution Although this collection shows that Novak s viewpoints did evolve over time he remains a thinker that is clearly rooted in the ancient and medieval Catholic tradition From his discussions of gender relations to economics culture and politics his perspective honors the primacy of man and his immediate experience and thereby ultimately glorifies the Creator Novak s writing will infuriate some readers and inspire many others but both comrades in arms and intellectual opponents will find

the clarity and intensity of his writings undeniable Kiss of Nature: The Essence of Romantic German Landscapes Pasquale De Marco, 2025-07-18 In the realm of Romantic art Caspar David Friedrich stands as a towering figure a master of the landscape genre whose evocative paintings transcend time and continue to captivate audiences today In this comprehensive exploration of Friedrich's artistry we embark on a journey through his creative world delving into the depths of his unique approach to composition light and symbolism Romanticism a movement that swept across Europe in the late 18th and early 19th centuries found its quintessential expression in Friedrich's masterpieces His paintings transcended the boundaries of mere representation becoming profound meditations on the human condition the power of nature and the mysteries of the divine Friedrich's landscapes mirror the emotional landscapes of the human soul capturing the ecstasy of joy the depths of despair and the yearning for the transcendent His works continue to resonate with audiences today offering solace inspiration and a glimpse into the profound beauty of the natural world With masterful precision Friedrich orchestrates light and shadow creating atmospheric scenes that evoke a sense of awe and wonder His innovative use of perspective draws viewers into his paintings forging an emotional connection between the viewer and the depicted world Through his manipulation of compositional elements Friedrich invites us to explore the depths of our own emotions and forge a deeper understanding of the human experience As we delve into the chapters of this book we will uncover the intricate layers of Friedrich's artistry examining his techniques inspirations and the profound impact he has had on subsequent generations of artists We will trace the evolution of his style from his early works to his mature masterpieces and explore the various themes that permeate his oeuvre From the rugged coastlines of the Baltic Sea to the majestic peaks of the Riesengebirge Mountains Friedrich's landscapes invite us to contemplate the vastness of the natural world and our own place within it His works offer a profound meditation on the human condition reminding us of the fleeting nature of life and the enduring power of art If you like this book write a review Veritatis Splendor Judie Brown, 1996-02-01 The Seductiveness of Virtue John J. Fitzgerald, 2016-12-15 John J Fitzgerald addresses here one of life s enduring questions how to achieve personal fulfillment and more specifically whether we can do so through ethical conduct He focuses on two significant twentieth century theologians Rabbi Abraham Joshua Heschel and Pope John Paul II seeing both as fitting dialogue partners given the former s influence on the Second Vatican Council s deliberations on the Jews and the latter s groundbreaking overtures to the Jews in the wake of his experiences in Poland before and during World War II Fitzgerald demonstrates that Heschel and John Paul II both suggest that doing good generally leads us to growth in various components of personal fulfillment such as happiness meaning in life and freedom from selfish desires There are however some key differences between the two theologians John Paul II emphasizes more strongly the relationship between acting well and attaining eternal life whereas Heschel wrestles more openly with the possibility that religious commitment ultimately involves anxiety and sadness By examining historical and contemporary analyses including the work of the Fourteenth Dalai

Lama the philosopher Peter Singer and some present day psychologists Fitzgerald builds a narrative that shows the promise and limits of Heschel s and John Paul II s views **Toward Healing and Renewal** Charles J. Scicluna, Hans Zollner, David J. Ayotte, 2012 On February 6 2012 an international symposium gathered at the Pontifical Gregorian University in Rome to address the problem of sexual abuse of minors by representatives of the Catholic Church especially priests Its purpose was to make an honest examination of conscience and begin the work of healing this wound in the Body of Christ With love inspired by the Gospel the participants strove to create the beginnings of a culture in which effective protection of the vulnerable and support for victims can become a reality Their work is presented here Book jacket
