**Splinters of the Heart**, 2021-03-16 Love finds a way Aaron Beaumont is a mess Life has never been easy so why did he think bondage would help While he solved the problem of making some quick money it came at a price he wasn t willing to pay To his great relief he s rescued by Silas Anderson Silas a doctor takes him home and treats his physical injuries but his gentle touch and reassurance can t touch Aaron s internal turmoil When Aaron tries to return home the next morning the worst has come to pass He suddenly finds himself with nowhere to go Once again his world collides with Silas With the future uncertain a friendship blossoms into something neither Aaron nor Silas has experienced before and they know it s something they may never experience again However happiness is just out of reach and before they have a happily ever after they must face a demon from the past

**Transitional Morphology** Elisa Mattiello, 2022-12-08 Combining Forms CFs are a major morphological phenomenon in Modern English yet while they have been discussed in some morphological literature no full length study has been devoted to this topic so far This pioneering book addresses that gap by providing a framework in which CFs are marked as distinct from their neighbouring categories such as abbreviations and blending It splits CFs into four distinct categories neoclassical e g bio therapy zoo logy abbreviated e g e reader econo politics secreted e g oil gate computer holic and splinters e g docu from documentary in docudrama It shows that the notion of CF spans a wide spectrum of processes from regular composition to abbreviation from blending to analogy and schema Modern and emerging English

CFs are analysed by adopting a corpus based approach and measuring their realised expanding and potential productivity Comprehensive yet accessible it is essential reading for researchers and advanced students of morphology English historical linguistics corpus linguistics and lexicography

**The Historical Novel, Transnationalism, and the Postmodern Era** Susan Brantly, 2017-02-17 This book explores the genre of the historical novel and the variety of ways in which writers choose to represent the past demonstrating how histories can communicate across national borders often by invoking or deconstructing the very notion of nationhood It traces how concerns of the postmodern era such as critiques of historiography colonialism identity and the Enlightenment have impacted the genre of the historical novel and shows this impact has not been uniform throughout Western culture Historical novels from England America Germany and France are compared and contrasted with historical novels from Sweden testing a variety of theoretical perspectives in the process
