Split Signals Television And Politics In The Soviet Union:

Split Signals Ellen Mickiewicz, 1988-08-18 Television has changed drastically in the Soviet Union over the last three decades. In 1960 only five percent of the population had access to TV but now the viewing population has reached near total saturation. Today's main source of information in the USSR, television has become Mikhail Gorbachev's most powerful instrument for paving the way for major reform. Containing a wealth of interviews with major Soviet and American media figures and fascinating descriptions of Soviet TV shows, Ellen Mickiewicz's wide-ranging vividly written volume compares over one hundred hours of Soviet and American television covering programs broadcast during both the Chernenko and Gorbachev governments. Mickiewicz describes the enormous significance and popularity of news programs and discusses how Soviet journalists work in the United States. Offering a fascinating depiction of the world seen on Soviet TV, she also explores the changes in programming that have occurred as a result of glasnost. Split Signals Ellen Propper

Mickiewicz, 2023 Television has changed drastically in the Soviet Union over the last two decades. Ellen Mickiewicz's compelling volume challenges us to consider how television has become Mikhail Gorbachev's most powerful instrument for paving the way for major reform. Offering an insider's view into the world seen on Soviet TV, Mickiewicz explores the changes in programming that have occurred as a result of glasnost. Containing a wealth of interviews with major Soviet and American media figures and eye-opening accounts of Soviet TV shows, Split Signals also compares over one hundred hours of Soviet and American television news programs broadcast during both the Chernenko and Gorbachev governments. No Illusions Ellen Mickiewicz, 2014-08-14 How will the future leaders of Russia regard the world scene? How will they regard the United States' democracy, free speech, and immigration? What do they think of their current leaders? And what sorts of tactics will they bring to international negotiating tables, political and otherwise? No Illusions: The Voices of Russia's Future Leaders provides an engaging, intimate, and unprecedented window into the mindsets of the next generation of leaders in Russian politics, business, and economics. In this book, one hundred and eighty students in Russia's three most elite universities, the training grounds for the nation's leadership, reveal their thoughts on international relations, neighboring countries, domestic and international media, democratic movements, and their government. In focus groups, they speak candidly, passionately, and sometimes sardonically about America. As well, Ellen Mickiewicz, one of the world's foremost experts on Russian media, politics, and culture, shows how their total immersion in the world of the internet, an immersion that sets them apart from the current generation of Russian leadership and much of the rest of the country, frames the way that they think and affects their trust in their leaders, the media, and their colleagues. Their worldviews are complex and often contradictory, reflecting complicated personalities that are adaptable yet also subject to much internal strife and splintering. For example, while many of them are planning to go into politics, they express ambivalence about voting; they have favorable views of democracy but not of the American model; they are shrewd critics of government propaganda and yet have clearly absorbed residue of Cold

War defensiveness Mickiewicz also looks at the nation's massive protests and nascent political movements to show how they came about and to consider what promise they might hold even in times of narrowing opportunities She profiles several of Russia's up and coming leaders including charismatic and controversial activist and politician Aleksei Navalny who even during his legal trials and house arrest remains the face of the opposition to the Putin regime As this book shows the next generation of Russian leadership promises to hold a rather different worldview from that of the current one yet it is not a worldview that readily embraces American democracy No Illusions is a thought provoking and often surprising glimpse into the future of Russia's foreign relations Adaptation And Transformation In Communist And Post-communist Systems

Sabrina Petra Ramet, 2019-03-04 This book tackles different aspects of the adaptive and transformative process in communist and post communist systems in Eastern Europe offering competing models which locate the explanatory variable in different places and account for the unfolding of change in different ways Sport and the Transformation of Modern Europe Alan

Tomlinson, Christopher Young, Richard Holt, 2013-06-17 In the modern era sport has been an important agent and symptom of the political cultural and commercial pressures for convergence and globalization In this fascinating inter disciplinary study leading international scholars explore the making of modern sport in Europe illuminating sport and its cultural and economic impacts in the context of the supra state formations and global markets that have re shaped national and trans national cultures in the later twentieth century The book focuses on the emergence and expansion of media markets high performance sport's transformation by and effects upon Cold War dynamics and relations and the implications of the Treaty of Rome for an emerging European identity in sport as in other areas for example the influence of soccer's governing body in Europe UEFA and its club and international competitions It traces the connections between the forces of ideological division economic growth leisure consumption European integration and the development of European sport and examines the role of sport in the changing relationship between Europe and the US Illuminating a key moment in global cultural history this book is important reading for any student or scholar working in international studies modern history or sport The

Americanization of Europe Alexander Stephan, 2006 Using Germany as a case study of the impact of American culture throughout a period characterized by a totalitarian system two destructive wars ethnic cleansing and economic disaster this book explores the political and cultural parameters of Americanization and anti Americanism **Encyclopedia of Ukraine**

Danylo Husar Struk, 1993-12-15 Over thirty years in the making the most comprehensive work in English on Ukraine is now complete its history people geography economy and cultural heritage both in Ukraine and in the diaspora In Search of

Greatness Festus Eribo, 2001-02-28 A seminal work in international communication examining news reports civic discourse and images of Africa in Russian press This book is about power and influence politics and communication across frontiers a thoroughly challenging analysis of Russia's foray into African and international communication The book penetrates the intellectual social cultural political geographical and historical aspects of the relationship between the African continent and

Russia before during and after the Cold War The book is well researched and up to date The study was conducted within the framework of Russian geo political interests the belligerent ideological determinism of the Communist era the implosion of historical materialism and the delicate post communist path to democracy capitalism and reconstruction The book will appeal to a global audience of journalists scholars political scientists historians cultural and social critics policy makers and the general public

Television and Presidential Power in Putin's Russia Tina Burrett,2010-12-14 As a new president takes power in Russia this book provides an analysis of the changing relationship between control of Russian television media and presidential power during the tenure of President Vladimir Putin It argues that the conflicts within Russia's political and economic elites and President Putin's attempts to rebuild the Russian state after its fragmentation during the Yeltsin administration are the most significant causes of changes in Russian media Tina Burrett demonstrates that President Putin sought to increase state control over television as part of a larger programme aimed at strengthening the power of the state and the position of the presidency at its apex and that such control over the media was instrumental to the success of the president's wider systemic changes that have redefined the Russian polity The book also highlights the ways in which oligarchic media owners in Russia used television for their own political purposes and that media manipulation was not the exclusive preserve of the Kremlin but a common pattern of behaviour in elite struggles in the post Soviet era Basing its analysis predominately on interviews with key players in the Moscow media and political elites and on secondary sources drawn from the Russian and Western media the book examines broad themes that have been the subject of constant media interest and have relevance beyond the confines of Russian politics

Pop Culture Russia! Birgit Beumers,2005-06-21 A revealing look at contemporary Russian popular culture exploring the historical and social influences that make it unique Pop music is only one aspect of contemporary Russian culture that has taken some unexpected turns in the chaotic aftermath of the Soviet Union's collapse Television and advertising theater and cinema athletics and religion even fashion and food now reflect more exposure to the West yet remain in essence distinctively Russian Pop Culture Russia introduces readers to the fascinating often surprising post Soviet cultural landscape With chapters on media the arts recreation religion and consumerism the book offers an insightful survey of Russian mass culture from the death of Stalin in 1953 to the present exploring the historical significance of important events and trends as well as the social and political contexts from which they emerged

The Greengrocer and His TV Paulina Bren,2011-06-15 The 1968 Soviet invasion of Czechoslovakia brought an end to the Prague Spring and its promise of socialism with a human face Before the invasion Czech reformers had made unexpected use of television to advance political and social change In its aftermath Communist Party leaders employed the medium to achieve normalization pitching television stars against political dissidents in a televised spectacle that defined the times The Greengrocer and His TV offers a new cultural history of communism from the Prague Spring to the Velvet Revolution that reveals how state endorsed ideologies were played out on television particularly through soap opera like

serials In focusing on the small screen Paulina Bren looks to the normal of normalization to the everyday experience of late communism The figure central to this book is the greengrocer who in a seminal essay by V clav Havel symbolized the ordinary citizen who acquiesced to the communist regime out of fear Bren challenges simplistic dichotomies of fearful acquiescence and courageous dissent to dramatically reconfigure what we know or think we know about everyday life under communism in the 1970s and 1980s Deftly moving between the small screen the street and the Central Committee and imaginatively drawing on a wide range of sources that include television shows TV viewers letters newspapers radio programs the underground press and the Communist Party archives Bren shows how Havel s greengrocer actually experienced normalization and the ways in which popular television serials framed this experience Now back by popular demand socialist era serials such as *The Woman Behind the Counter* and *The Thirty Adventures of Major Zeman* provide Bren contends a way of seeing literally and figuratively Czechoslovakia s normalization and Eastern Europe s real socialism

Soviet Society Under Perestroika David Lane,2002-09-11 This is an up to the minute revised edition of a text which since its publication in 1990 has been extremely influential The great changes of the past 18 months have entailed a comprehensive updating of the book This edition takes account of new developments that include the independence of the Baltic states and the treaty which sparked 1991 s attempted coup

Television Beyond and Across the Iron Curtain Kirsten Bönker,Sven Grampp,Julia Obertreis,2016-09-23 From the mid 1950s onwards the rise of television as a mass medium took place in many East and West European countries As the most influential mass medium of the Cold War television triggered new practices of consumption and media production and of communication and exchange on both sides of the Iron Curtain This volume leans on the long neglected fact that even during the Cold War era television could easily become a cross border matter As such it brings together transnational perspectives on convergence zones observations collaborations circulations and interdependencies between Eastern and Western television In particular the authors provide empirical ground to include socialist television within a European and global media history Historians and media cultural and literary scholars take interdisciplinary perspectives to focus on structures actors flow contents or the reception of cross border television Their contributions cover Albania the CSSR the GDR Russia and the Soviet Union Serbia Slovenia and Yugoslavia thus complementing Western dominated perspectives on Cold War mass media with a specific focus on the spaces and actors of East European communication Last but not least the volume takes a long term perspective crossing the fall of the Iron Curtain as many trends of the post socialist period are linked to or pick up socialist traditions

Glasnost, Perestroika and the Soviet Media Brian McNair,2006-04-14 The reforms of Mikhail Gorbachev have brought tumultuous change to political social and economic life in the Soviet Union But how have these changes affected Soviet press and television reporting Glasnost Perestroika and the Soviet Media examines the changing role of Soviet journalism from its theoretical origins in the writings of Marx and Lenin to the new freedoms of the Gorbachev era The book includes detailed

analysis of contemporary Soviet media output as well as interviews with Soviet journalists

The 1999-2000 Elections in Russia Vicki L. Hesli, William M. Reisinger, 2003-08-18 Sample Text

News Media and Power in Russia Olessia Koltsova, 2006-09-27 The end of communist rule in the Soviet Union brought with it a brave new world of media and commerce Formerly state owned enterprises were transformed often through private ownership and new corporations sprung up overnight to take advantage of the new atmosphere of freedom Until now most research on media and news production in Russia has focused on the scope of government control and comparisons with the communist era However extra governmental controls and the challenges of operating in a newly capitalist environment have been just as important if not more so in the formation of the new media climate Filling the gap in the literature this book examines the various agents who make the news and discusses the fierce struggle among the various agents of power involved Drawing on existing theories and scholarship the book provides a wealth of detail on the actual daily practices of news production in Russia Original research is combined with compelling first hand accounts of news production and dissemination to provide an incisive look at the issues and power structures Russian journalists face on a daily basis

Institutions of Isolation Andrea Chandler, 1998-04-23 Chandler provides a comprehensive examination of border controls from the Bolshevik Revolution of 1917 to the collapse of the U S S R in 1991 and shows the continued importance of border controls for the newly independent Soviet successor states She reveals the changing nature of Soviet border control policy from the extreme Stalinist isolation of the 1930s to liberalization and eventual instability during perestroika in the late 1980s Chandler argues that Communist ideology was not the only reason for the self imposed isolation of the state and explores a complex ever changing set of political inter bureaucratic and economic factors that combined to influence the Soviet Union s closed border policies She draws on social science theories of comparative institutional change and state formation to illuminate policies within the Soviet state which has often been regarded as a unique case By exploring why a political system that originally prided itself on its internationalism devoted such intense efforts to seal its society from the outside world Institutions of Isolation provides a revealing case study of the strengths and weaknesses of the Soviet state

Cosmonaut Cathleen S. Lewis, 2023-08-08 Examining material and cultural representations of the cosmonaut program Cathleen Lewis discusses how the public image of the Soviet cosmonaut developed beginning in the 1950s and the ways this icon has been reinterpreted throughout the years and in contemporary Russia

Western Broadcasting at the Dawn of the 21st Century Leen d'Haenens, Frieda Saeys, 2021-06-21 Broadcasting is an important indicator of a society s political economical social cultural and geographical context While currently at a crossroads European broadcasting remains highly diverse due to the fragmentation of national policies The book introduces the reader to the topic by providing and explaining facts figures and techniques of analysis The contributions to the first section of Western Broadcasting examine the general theoretical framework The articles in the second section map out European media cases The book s twofold approach is reflected in the

accompanying CD ROM which also contains examples and hyperlinks

Forbidden Football in Ceausescu's Romania

László Péter, 2018-02-08 This book presents an ethnographic description and sociological interpretation of the football gatherings that evolved out of central Romania in the late twentieth century. In the 1980s Romanian public television did not broadcast football mega events for economic and political reasons. In response, masses of people would leave their homes and travel into the mountains to pick up the TV broadcast from neighbouring countries. The phenomenon grew into a social institution with a penetrating force; it produced an alternative social space and a dissident public that pointed to a form of resistance taking place through football. *Forbidden Football in Ceausescu's Romania* provides an insight into the everyday life under the pressure of dictatorship and through the special patterns of sports consumption it tells a social history through small individual stories related to football.

Split Signals Television And Politics In The Soviet Union Introduction

In the digital age, access to information has become easier than ever before. The ability to download Split Signals Television And Politics In The Soviet Union has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Split Signals Television And Politics In The Soviet Union has opened up a world of possibilities. Downloading Split Signals Television And Politics In The Soviet Union provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Split Signals Television And Politics In The Soviet Union has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Split Signals Television And Politics In The Soviet Union. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Split Signals Television And Politics In The Soviet Union. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that

prioritize the legal distribution of content. When downloading Split Signals Television And Politics In The Soviet Union, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Split Signals Television And Politics In The Soviet Union has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Split Signals Television And Politics In The Soviet Union Books

1. Where can I buy Split Signals Television And Politics In The Soviet Union books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
