Cultural Property in International Criminal Law Caroline Ehlert,2013-10-24 In Prosecuting the Destruction of Cultural Property in International Criminal Law Caroline Ehlert offers an analysis of treaty law protecting cultural property from destruction and foremost of the relevant provisions for prosecuting the destruction of cultural property in international criminal law The wanton destruction of valuable cultural property during armed conflict as well as during peacetime is omnipresent Therefore it is of the utmost importance to provide for provisions criminalising the destruction of cultural property and offering a basis for the prosecution of possible perpetrators

Cultural Property Law and Restitution Irini A. Stamatoudi,2011-01-01 This invaluable book for the first time brings together the international and European Union legal framework on cultural property law and the restitution of cultural property Drawing on the author s extensive experience of international disputes it provides a very comprehensive and useful commentary Theories of cultural nationalism and cultural internationalism and their founding principles are explored Irini Stamatoudi also draws on soft law sources ethics morality public feeling and the role of international organisations to create a complete picture of the principles and trends emerging today

The Struggle for the Files Astrid M. Eckert,2012-02-29 This book traces the history of German records captured by American and British troops in 1945 and the negotiations for their return into German custody

Spoils of War Harry N. Abrams , Incorporated,Bard Graduate Center for Studies in the Decorative Arts (BGC, New York),1997-05-01 At the three day symposium organized by The Bard Graduate Center for Studies in the Decorative Arts New York distinguished specialists government representatives curators archaeologists historians and journalists former military officers and experts in art law took part in spirited candid and often moving discussions which are fully documented only in this unprecedented book

Burning Books M. Fishburn,2008-05-21 This provocative new work examines the years between the Nazi book fires and the publication of Ray Bradbury s Fahrenheit 451 1953 a period when book burning captured the popular imagination It explores how embedded the myths of book burning have become in our cultural history and illustrates the enduring appeal of a great cleansing bonfire

Cultural Security: Evaluating The Power Of Culture In International Affairs Erik Nemeth,2014-11-27 Over the past two centuries abuse of antiquities and fine art has evolved from the spoils of war into a medium for conducting terrorism which strives to erase the cultural heritage of the other At the same time the growth of the art market over the past fifty years has created opportunities for exploitation of cultural property Since World War II there has been maturing international awareness that armed conflict and looting pose a threat to cultural property but simultaneously art trafficking and the politics of cultural property create opportunities amidst risks in developed collecting nations and emerging source nations This is the first book in the literature that touches on the interrelation of the financial

value politics and security of cultural property and suggests the implications for the power of culture in global affairs The intersection of these issues forms the basis for a new field which this book examines cultural security As part of the changing significance of cultural property in foreign relations Cultural Security assesses corresponding security threats and opportunities for diplomacy This book will take readers through the concepts and issues surrounding cultural property cultural currency and cultural power leaving readers with invaluable insights on the political economy of cultural property and the resulting source of alternative power in global affairs *International Law, Museums and the Return of Cultural Objects* Ana Filipa Vrdoljak, 2006-07-13 While the question of the return of cultural objects is by no means a new one it has become the subject of increasingly intense debate in recent years This important book explores the removal and the return of cultural objects from occupied communities during the last two centuries and analyses the concurrent evolution of international cultural heritage law The book focuses on the significant influence exerted by British U S and Australian governments and museums on international law and museum policy in response to restitution claims It shows that these claims far from heralding the long feared dissolution of museums and their collections provide museums with a vital new role in the process of self determination and cultural identity Compelling and thought provoking throughout this book is essential reading for archaeologists international lawyers and all those involved in cultural resource management *Prologue* ,2002
