Spoken Word For The Third I Mind Body And Spirit:

Spoken Word for the Third I Victor L. Matthews, 2005-04-20 This book Spoken Word Poetry For The Third I is symbolic of the transitions that we must all make on a daily basis We must transition between I the minds I the body and I the spirit interchangeably We are all designed with needs in each of these areas This book addresses each of those needs Take a look into a book with blank pages and try to read through The book will have very little meaning when it has no page two Realize a page is just a page until the writer s words are applied A book is just a book until the author s thoughts are placed inside Reading a book is like an exploration through the author s mind The words are important but a true poet leads you to read between the lines Never judge a book by it s cover before taking a good look inside Sometimes you ll find the soul of the writer on the pages that the cover just might hide The Spoken Word: Words of Life Christopher G.A. Fox, 2014-01-02 Author Christopher G A Fox combines his love for God and poetry in his new book The Spoken Word Words of Life Jeremiah Washington has a fiery passion for spoken word poetry and is a man after God s own heart With loving friends and a grandmother who has cared for him over the years Jeremiah had lived a pretty good life But what happens when his world comes crashing down Will he stand strong in his faith in God Will he find peace in Jesus even in the midst of troubles Or will he give up on everything he knows and has including his excitement for spoken word The decisions he makes cause a rippling effect on his life *Spiritual Victory, Conquest of Mind, Body, Spirit* Christina R.
