Style And Socialism Modernity And Material Culture In Postwar Eastern Europe

Katherine Pence, Paul Betts

Style And Socialism Modernity And Material Culture In Postwar Eastern Europe:

Style and Socialism Susan Emily Reid, David Crowley, 2000-08 This fascinating book takes as its premise the notion that material culture can help explain the experience of state socialism as lived by ordinary people in Eastern Europe It provides a revealing window through which to examine the interaction between official state rhetoric and state command on the one hand and the popular applications of the state's material products on the other From street fashion to modern art from the design of state buildings to wallpaper interconnections between politics and ideology cultural policy formation and consumption are shown to be a matter of complex negotiation

The Authority of Everyday Objects Paul Betts, 2007-12-07 Paul Betts first came to my attention through his pioneering article on the post 1945 Bauhaus myth as a joint German American venture This book is a landmark study of cultural continuities and ruptures institutional realignments and individual careers that introduces a breath of fresh air into a field of research long staled by received ideas It demonstrates the rewards of approaching the years from 1933 to 1945 as a revealing window onto the subsequent history of West Germany Wolfgang Schivelbusch The Authority of Everyday Objects is a small gem of the new cultural history This is a work of striking originality and insight that fits the development of industrial design in postwar Germany into the country's broader social cultural and political history constructing an analytical narrative that carries from the Third Reich into the Cold War It illuminates not merely cultural transformation but the wider social history of twentieth century Germany Stanley G Payne author of A History of Fascism 1914 1945 The Authority of Everyday Objects is a refreshing innovative and convincing approach to post World War II Western consumer society Design as a weapon in Cold War competition and as a vehicle for German redemption by revitalizing Bauhaus traditions is thoroughly researched and wonderfully presented in Paul Betts book This well illustrated work convinces the reader that design was a part of *gluecklich Leben* lucky life and *schoen wohnen* beautiful living and a factor in the politicization of material culture Ivan T Berend author of Decades of Crisis Central and Eastern Europe before World War II and History Derailed Central and Eastern Europe in the Long Nineteenth Century

The Oxford Handbook of Postwar European History Dan Stone, 2012-05-17 The postwar period is no longer current affairs but is becoming the recent past As such it is increasingly attracting the attentions of historians Whilst the Cold War has long been a mainstay of political science and contemporary history recent research approaches postwar Europe in many different ways all of which are represented in the 35 chapters of this book As well as diplomatic political institutional economic and social history the The Oxford Handbook of Postwar European History contains chapters which approach the past through the lenses of gender espionage art and architecture technology agriculture heritage postcolonialism memory and generational change and shows how the history of postwar Europe can be enriched by looking to disciplines such as anthropology and philosophy The Handbook covers all of Europe with a notable focus on Eastern Europe Including subjects as diverse as the meaning of Europe and European identity southern Europe after dictatorship the cultural meanings of the

bomb the 1968 student uprisings immigration Americanization welfare leisure decolonization the Wars of Yugoslav Succession and coming to terms with the Nazi past the thirty five essays in this Handbook offer an unparalleled coverage of postwar European history that offers far more than the standard Cold War framework Readers will find self contained state of the art analyses of major subjects each written by acknowledged experts as well as stimulating and novel approaches to newer topics Combining empirical rigour and adventurous conceptual analysis this Handbook offers in one substantial volume a guide to the numerous ways in which historians are now rewriting the history of postwar Europe

Eastern Europe since 1945 Geoffrey Swain, Nigel Swain, 2017-10-26 An established introductory textbook that provides students with an engaging overview of the complex developments in Eastern Europe from the end of the Second World War through to the present Tracing the origins of the socialist experiment de Stalinisation and the transition from socialism to capitalism it explores the key events in each nation s recent history This is an ideal core text for dedicated modules on Eastern European History or Europe since 1945 including Central Europe and the Balkans or a supplementary text for broader modules on Modern European History or European Political History which may be offered at all levels of an undergraduate history politics or European studies degree In addition it is a crucial resource for students who may be studying the recent history of Eastern Europe for the first time as part of a taught postgraduate degree in Modern European history European politics or European studies New to this Edition A fully revised new edition of an established text updated throughout to incorporate the latest research Provides coverage of recent events Offers increased focus on social and cultural history with greater emphasis on everyday life and experiences in Eastern Europe

Unending Capitalism Karl Gerth, 2020-05-14 In this provocative account Karl Gerth argues that consumerism rather than communism explains the history of China since 1949

Socialist Modern Katherine Pence, Paul Betts, 2008 This book explores the ways in which modernity shaped the relationship between socialist state and society in East Germany The reunification of Germany in 1989 may have put an end to the experiment in East German communism but its historical assessment is far from over Where most of the literature over the past two decades has been driven by the desire to uncover the relationship between power and resistance complicity and consent more recent scholarship has tended to concentrate on the everyday history of East German citizens experience of life in East Germany with a particular view toward addressing the question what did modernity mean for East German state and society As such the collection moves beyond the conceptual divide between state level politics and everyday life so as to bring into sharper focus the specific contours of the GDR s unique experiment in Cold War socialism What unites all the essays is the question of how the very tensions around socialist modernity shaped the views memories and actions of East Germans over four decades the Cold War Eastern Europe the history of communism European social history and the history of everyday life gender history as well as modernity and socialist popular culture

[The Stalin Cult in East Germany and the Making of the Postwar Soviet Empire, 1945–1961](#) Alexey Tikhomirov, 2022-03-28 This book examines the construction

dissemination and reception of the Stalin cult in East Germany from the end of World War II to the building of the Berlin Wall By exporting Stalin's cult to the Eastern bloc Moscow aspired to symbolically unite the communist states in an imagined cult community pivoting around the Soviet leader Based on Russian and German archives this work analyzes the emergence of the Stalin cult's transnational dimension On one hand it looks at how Soviet representations of power were transferred and adapted in the former enemy's country On the other hand it reconstructs spaces of agency where different agents and generations interpreted manipulated and used the Stalin cult to negotiate social identities and everyday life This study reveals both the dynamics of Stalinism as a political system after the Cold War began and the foundations of modern politics through mass mobilization emotional bonding and social engineering in Soviet style societies As an integral part of the global history of communism this book opens up a comparative entangled perspective on the ways in which veneration of Stalin and other nationalistic cults were established in socialist states across Europe and beyond

Mediated Shame of Class and Poverty Across Europe Irena Reifová, Martin Hájek, 2021-07-05 The key concepts of the book are media class poverty and shaming The contributors to this book examine how certain social relations and their cultural meanings in the media namely class and poverty are transformed into factual or moral attributes of people and situations Class and poverty are not understood as certain things and actions or concepts and numbers both class and poverty are assumed to be above all particular social relationships or a set of relations between people things and symbols Without denying that contempt for the destitute Other is an affect found throughout history and in various socioeconomic contexts the chapters in this book through their concern with the mediated gaze on class narrate predominantly the challenges brought about by the media's spectacular take on poverty and low status as they at least coincide with the neoliberal era This volume will be essential reading for the scholars specialising in the study of media and social inequalities from the vantage points of Media Studies Sociology Anthropology or European Studies

Fashion and the Consumer Revolution in Contemporary Russia Olga Gurova, 2014-10-24 This book explores how clothing consumption has changed in Russia in the past 20 years as capitalism has grown in a postsocialist state bringing with it a consumer revolution It shows how there has been and continues to be a massive change in the fashion retail market and how ideal lifestyles portrayed in glossy magazines and other media have contributed to the consumer revolution as have shifts in the social structure and everyday life Overall the book which includes the findings of extensive original research including in depth interviews with consumers relates changes in fashion and retail to changing outlooks identities and ideologies in Russia more generally The mentioned changes are also linked to the theoretical concept of fashion formed in postsocialist society

Revenge of the Domestic Donna Harsch, 2018-06-26 *Revenge of the Domestic* examines gender relations in East Germany from 1945 to the 1970s focusing especially on the relationship between ordinary women the Communist Party and the state created by the Communists the German Democratic Republic GDR The book weaves together personal stories from interviews statistical material and evidence from archival

research in Berlin Potsdam Leipzig Merseburg and Chemnitz to reconstruct the complex interplay between state policy toward women and the family on the one hand and women's reactions to policy on the other Donna Harsch demonstrates that women resisted state decisions as citizens wageworkers mothers wives and consumers and that in every guise they maneuvered to overcome official neglect of the family As state dependence on female employment increased the book shows the Communists began to respond to the insistence of women that the state pay attention to the family In fits and starts the party state begrudgingly retooled policy in a more consumerist and family oriented direction This domestication was partial ambivalent and barely acknowledged from above It also had ambiguous arguably regressive effects on the private gender arrangements and attitudes of East Germans Nonetheless the economic and social consequences of this domestication were cumulatively powerful and the book argues gradually undermined the foundations of the GDR

Style And Socialism Modernity And Material Culture In Postwar Eastern Europe Book Review: Unveiling the Power of Words

Style And Socialism Modernity And Material Culture In Postwar Eastern Europe Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Style And Socialism Modernity And Material Culture In Postwar Eastern Europe PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting,

traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Style And Socialism Modernity And Material Culture In Postwar Eastern Europe PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Style And Socialism Modernity And Material Culture In Postwar Eastern Europe free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Style And Socialism Modernity And Material Culture In Postwar Eastern Europe Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Style And Socialism Modernity And
