Stylistics Reader:

The Stylistics Reader Jean Jacques Weber, 1996 The Stylistics Reader documents the significant impact of linguistic theory on literary studies It brings together in one accessible volume key essays and writings which mark the development of stylistics as a discipline from its formalist beginnings to the contextualized discourse based approaches practised today The carefully selected readings are arranged in eight sections each of which introduces a particular approach formalist functionalist affective pedagogical pragmatic critical feminist and cognitive The extracts included have been chosen to provide a full sense of what stylistics is all about The collection is prefaced by an extensive editorial introduction which provides an overview of the area places each piece in its context and clarifies its main points There are suggestions for further reading as well as notes and references for each essay

English Stylistics Zeki Hamawand, 2023-03-26 This accessible textbook hinges on the central assumptions of Cognitive Linguistics and Cognitive Grammar introducing students to the analytical tools they need to approach Stylistics an essential area in language analysis The author verifies the claim that alterations in style triggered by different cognitive processes reflect alterations in meaning and shows how they are employed to achieve particular effects in context The book links theory with practice aiming both to acquaint students with the cognitive principles that account for stylistic expressions and to provide them with the tools and techniques to conduct their own analyses The textbook explores and explains how writers use the resources of language to create meaning and how readers interpret texts It will be of interest to advanced undergraduate and postgraduate students on courses in English Linguistics as well as those working on other languages and in related areas such as Composition and Creative Writing

The Routledge Handbook of Stylistics Michael Burke, 2023-05-29 This second edition of The Routledge Handbook of Stylistics provides a comprehensive introduction and reference point to key areas in the field of stylistics The four sections of the volume encompass a wide range of approaches from classical rhetoric to cognitive neuroscience Issues that are covered include historical perspectives centring on rhetoric formalism and functionalism the elements of stylistic analysis including foregrounding relevance theory conversation analysis narrative metaphor speech and thought presentation and point of view current areas of influential research such as cognitive poetics corpus stylistics critical stylistics multimodality creative writing and reader response four newly commissioned chapters in the emerging fields of cognitive grammar forensic linguistics the stylistics of children's literature and a corpus stylistic study of mental health issues All of these new chapters are written by leading researchers in their respective fields Each of the 33 chapters in this volume is written by a specialist Each chapter provides an introduction to the subject an overview of its history an instructive example of how to conduct a stylistic analysis a section with recommendations for practice and a discussion of possible future developments in the area for readers to follow up on The Routledge Handbook of Stylistics second edition is essential reading for researchers postgraduates and undergraduate students working in this area

Stylistic Manipulation of the Reader in Contemporary

Fiction Sandrine Sorlin, 2019-12-12 This book focuses on how readers can be manipulated during their experience of reading fictional texts and how they are incited to perceive process and interpret certain textual patterns Offering fine grained stylistic analysis of diverse genres including crime fiction short stories poetry and novels the book deciphers various linguistic pragmatic and multimodal techniques These are skilfully used by authors to achieve specific effects through a subtle manipulation of deixis metalepsis dialogue metaphors endings inferences or rhetorical narratorial and typographical control Exploring contemporary texts such as *The French Lieutenant's Woman* *The Remains of the Day* and *We Need to Talk About Kevin* chapters delve into how readers are pragmatically positioned or cognitively mis directed as the author guides their attention and influences their judgment They also show how readers responses can conversely bring about a certain form of manipulation as readers challenge the positions the texts invite them to occupy
