The Bedtrick Wendy Doniger, 2022-08-22 Somehow I woke up one day and found myself in bed with a stranger Meant literally or figuratively this statement describes one of the best known plots in world mythology and popular storytelling In a tour that runs from Shakespeare to Hollywood and from Abraham Lincoln to Casanova the erudite and irrepressible Wendy Doniger shows us the variety danger and allure of the bedtrick or what it means to wake up with a stranger The Bedtrick brings together hundreds of stories from all over the world from the earliest recorded Hindu and Hebrew texts to the latest item in the Weekly World News to show the hilariously convoluted sexual scrapes that people manage to get themselves into and out of Here you will find wives who accidentally commit adultery with their own husbands You will read Lincoln s truly terrible poem about a bedtrick You will learn that in Hong Kong the film The Crying Game was retitled Oh No My Girlfriend Has a Penis And that President Clinton was not the first man to be identified by an idiosyncratic organ At the bottom of these wonderful stories ancient myths and historical anecdotes lie the dynamics of sex and gender power and identity Why can t people tell the difference in the dark Can love always tell the difference between one lover and another And what kind of truth does sex tell Funny sexy and engaging The Bedtrick is a masterful work of energetic storytelling and dazzling scholarship Give it to your spouse and your lover

South from Hell-fer-Sartin Leonard W. Roberts, 2021-11-21 South from Hell fer Sartin a short creek flowing into the Middle Fork of the Kentucky River lies one of the of the most isolated regions in Kentucky There on the north slope of the Pine Mountain range in Leslie and Perry counties probably the last stronghold of white English language folk tales in North America Leonard W Roberts recorded this rich collection more than three decades ago To a people who at that time watched dancing hearth fires more often than television the adventures of Jack in the land of witches and giants monsters and beautiful princesses provided first class entertainment Here are such old favorites as Sleeping Beauty and The Golden Arm retold in the idiom of the Kentucky mountains Here are hauntingly beautiful cantes fables and earthy Irishman jokes Here are encounters with Indians and marvelous hunting escapades Roberts introduces his collection first published in 1955 with a sympathetic description of the mountain way of life He notes especially the bewildering and rapid changes that

came to the Pine Mountain watershed in that decade as the highways and electric lines at last brought in a sophistication that preferred the soap opera to the folk tale Although the stories Roberts recorded were still a firm part of folk tradition at the time he believed that within a decade or two they would be forgotten a prediction sadly by now no doubt fulfilled Any lover of the vanishing art of tale telling will relish this rich treasury of folklore and humor Full notes on sources types motifs parallels and possible origins of the tales make this collection valuable also for folklorists **Munsey's Magazine** ,1923
