Succesbful Independent Lifestyle:

Living on Your Own Jesook Song,2014-04-01 An ethnography of young single women struggling to live independently in South Korea Living on Your Own is an ethnography of young single women in South Korea who seek to live independently Using extensive interviews along with media analysis and archival research Jesook Song traces the women s difficulties in achieving residential autonomy Song exposes the clash between the women s burgeoning desire for independent lives and the ongoing incursion of traditional conservative family ideology and marriage pressure into housing practices and financial institutions She pays particular attention to the Korean rent system and the reliance on lump sum cash even for basic subsistence which promotes tight control of young adults lives by family and kinship networks The young women whose voices feature prominently in this book are a prototype of global youth in crisis caught between aspirations for the self development and flexible lifestyle championed by globalizing media and communication technology and the reality of their position as flexible labor in a neoliberal economy

C. Barrett,2020-08-13 Solution based casework is an approach to assessment case planning and case management that combines what we know from clinical social work with what we value about sound social work practice It is grounded in family centered social work and draws from clinical approaches within social work and mental health By integrating problem and solution focused approaches that form the clinical and social work traditions treatment partnerships are more easily formed between family caseworker and service provider Solution Based Casework is a skill based practice oriented text that provides the specific guidance that students and new practitioners need in order to make sense quickly of the complex tasks of assessment and case planning in child welfare The book flows out of a long practice experience and was developed in consultation with workers and supervisors who were attempting to remedy problems viewed as contributing to recurrent abuse and neglect It seeks to end adversarial relationships in casework and advocates case plans based on specific outcome skills rather than on those written with vague outcome goals measuring attendance in counseling It serves as a common conceptual framework for integrating disparate segments of a response network thereby allowing all providers in a therapeutic system to work toward common goals The text is divided into three sections In Section I the conceptual history and theoretical foundations of solution based casework are presented so that the reader can place this approach to casework within the ongoing professional conversation about what constitutes sound practice Section II addresses issues of assessment and case planning Section III focuses on case management issues and how treatment team members experience a solution based casework approach Children and Youth with Extensive Support Needs Tom E.
