Guide to Living a Successful Christian Life Moses.O Akande Akinlabi,2024-06-18 This is a Christian handbook to help believers know and understand that we are faced with two major options either to succeed in our Christian journey or to fail This handbook will make the reader know that the line that makes the difference between a successful and failed life is very thin and at this perilous time we cannot afford to fail our God With the help of the Holy Spirit and prayers before reading this book you will be guided aright **Power from on high: or, The secret of success in Christian life and Christian work [sermons].** Dwight Lyman Moody,1883 Keys For Living a Solid Successful Christian Life Robbie L. Rogers,2024-06-30 A straight forward simple life changing easy to read common sense look at the complexity of today s difficulties according to and surrounding God s Word the Bible and Christianity Did God simply hit the start button on creation and walk away like it sometimes feels He is almost always active with us daily hourly minute by minute Life is beautiful if we allow it to be and we are blessed beyond measure Your success depends on what you truly believe what drives your existence If you work hard

enough at what your heart's desire is about it will happen especially if you are working at something in God's name and in His timing Remember God's plans for you existed before you were born So what do you spend your time on Ask God for help in changing the part of you that He dislikes those things that are negative in nature learn to love yourself Beware of distractions piddling deviations from your purposes mostly they are wrong for you to do at that time However sometimes fires do occur and must be put out The distractions I am alluding to come from fragmented thoughts that lead you to deviate from your plan you end up in a room and don't even remember why you are there If something pops up that requires your attention write it down on your to do list Everyone should have such a list but often they also are simply a distraction list that keeps you from what you ought to be doing People within a congregation those on the edge or outside of Christianity and those trying to make some sense out of their career and life experiences in these difficult times while hanging on to Christian principles they believe in need this book Millions of Christians and non Christians alike need more information and guidance for clarity in a confusing world that often conflicts with one's normal Christian values This book helps define how we can keep a firm grasp on what we believe and apply those principles with a new sense of realization in our life and career It is in that mode that it was developed
