Such a Pretty, Pretty Girl Winston Groom, 1999-03
 Delia Jamison is a gorgeous woman of a certain age and at the pinnacle of her career as anchor of a network news show in Los Angeles. But she is being blackmailed by someone she is certain is one of her former lovers. Terrified to go to the police for fear the story will leak and cause a scandal, Delia's at her wit's end when she accidentally runs into none other than one of those former lovers, Johnny Lightfoot, whom she hasn't seen in nearly twenty years. Johnny is now an Academy Award-winning screenwriter living in New York and L.A. who feels the old emotional attraction for Delia rising again. Even though she's recently married, Delia mysteriously seems to encourage Johnny's interest. Since she won't go to the police, Johnny agrees to help her find the culprit, which means she has to produce a list of the suspects. And what a list it is: moguls on the New York Stock Exchange, fancy lawyers, a stellar Ivy League professor, even a United States senator. As Johnny's investigation delves deeper into Delia's past, it exposes more than he ever wanted to know. Meanwhile, the blackmailer ratchets up his dangerous game. As the story moves to its frightening climax, Johnny Lightfoot finds himself entangled in a web of deceit and savage sexual violence that makes him wonder if he ever really knew Delia at all.

Leftovers Laura Wiess, 2008-01-01
 A devastating novel of desperation and revenge from Laura Wiess. This follow-up to her heartbreaking debut *Such a Pretty Girl* once again spins a shattering tale of the tragedies that befall young women who are considered society's leftovers. Blair and Ardith are best friends who have committed an unforgivable act in the name of love and justice. But in order to understand what could drive two young women to such extreme measures, first you'll have to understand why. You'll have to listen as they describe parents who are alternately absent and smothering, classmates who mock and shun anyone different, and young men who are allowed to hurt and dominate without consequence. You will have to learn what it's like to be a teenage girl who locks her bedroom door at night, who has been written off by the adults around her as damaged goods, a girl who has no one to trust except the one person she's forbidden to see. You'll have to understand what it's really like to be forgotten and abandoned in America today. Are you ready?

collection *W. H. Auden's Book of Light Verse* W. H. Auden, 2004-07-31 Auden's celebrated anthology of light verse is packed with surprising finds while also offering a striking rethinking of the poetic canon Commissioned by Oxford University Press in the 1930s when Auden's own work was at its boldest the book caught its original publisher off guard For it is less a collection of humorous verses than a celebration of the popular voice in English in which the work of great satirists like Swift and Byron keeps company with ballads chanteys ditties nursery rhymes street calls bathroom graffiti epitaphs folk songs vaudeville turns limericks and blues Turning away from the post Romantic cult of the sentimental lyric Auden features poetry that is clear enjoyable and no matter its age absolutely modern This new edition includes previously censored poems together with Auden's remarkable introduction and a new preface by his literary executor Edward Mendelson
