THE DEMOCRATIC JUNGLE Bageshwar Verma, 2022-04-20 You have seen democratic elections among humans My story brings democracy among animals living in a South African jungle named the Jungle Paradise It all started when two animal friends Jack the Jackal and Freddie the Fox went to a nearby city to buy gifts for their friends during the Christmas time There they saw a lady addressing a huge gathering Curious to know what was happening the two friends asked an old man who was sitting on a bench nearby We will call him the Wise Man who told the two friends that an election for mayor of the city was a few days away and the lady was a candidate for mayor Surprised at the idea of elections to choose the mayor of the city the two friends persuaded the Wise Man to come to the Jungle Paradise and explain how to elect a new leader as the animals living in the Jungle Paradise were very unhappy with the Lion King A large number of animals gathered to discuss ways to hold an election to choose a new leader The Wise Man explained the qualities of democracy and democratic elections Several animals including the Hippo the Rhino and the Elephant expressed their desire to be candidates for the leadership The first democratic elections took place in this South African jungle under the supervision of the Wise Man and a new leader was elected that changed the Jungle Paradise forever Guess who was elected the new king of the jungle
