Suddenly There:

Suddenly There is God Veronica Mary Rolf, 2019-10-09 Suddenly There is God plunges us into the key stories of biblical characters who find themselves caught up in the divine human drama With unique insight it relates these stories directly to the distinct stages of our own lives being created falling from grace leaving the childhood ark hearing God's call gaining freedom embracing covenant praying the psalms learning forgiveness choosing love and expecting resurrection The scenes unfold before our eyes like a riveting play or film as we discover with astonishment how closely the progression of Old and New Testament stories reflects our own spiritual journey Packed with historical content and written with dramatic intensity Suddenly There is God suggests contemplative ways for us to nurture an ardent expectation of encountering God By identifying with the biblical characters their conflicts difficult choices and realizations we recognize how divine presence continually breaks into our own life story This book is a valuable resource for clergy students and spiritual seekers who long to experience the drama of sacred Scripture as deeply personal revelation

Suddenly There Were Dragons Wanda Lee Stafford, 2011-10-19 There were refugees everywhere from the race of man from the Dwarven race from the Elven race Hawks eyes narrowed as his thoughts raced he had seen so many burnt hamlets towns and cities now even whole country's had fallen to these foes Even though he now had more information about the enemy it did not seem to help rather he thought just the opposite Kaelin joined him using hand signals the Elven prince conveyed certain messages to Hawk the first thing he told him was that both of the men he had sent to the North and South had returned at about the same time he had returned from the East Hawk himself had taken the West He shook himself silently he moved grasping Kaelin's arm and hand he flashed back that he was about to leave to rejoin the others at the assigned area there to meet and compare on what they were seeing this way all four directions will have been checked Smoke drifting their way from the city was making both of their eyes sting and burn both muffled their coughing as best they could When he had arrived at this spot he had seen miles of prisoners in chains being marched to the South Somehow he also understood that the other two men and the prince would all be reporting the same thing Devastation burning and looting wherever the foe went no one seemed able to fight these fell and evil things again he wondered if the combined might of the Elven nation the Dwarven nation and the remaining nations of men would be able to stop this unrelenting force or would this truly be the end of the world as they knew it

The Journey of an Apprentice Pilgrim Felipe Chavarro Polanía, In the following pages I present a heartfelt tribute to what many call vocation or purpose Join me in the journey of a young man Kadmiel as he ventures through various trades in search of his true calling reflecting the experiences shared by millions worldwide as Vicki Robin eloquently conveyed in her book The Stock Market or Life Some find their passion early on and follow a steady path while others like Kadmiel zigzag through a dozen jobs always moving forward However this work serves a dual purpose Beyond just Kadmiel s tale it aims to awaken us from the slumber of life s vicious cycle Most of us find ourselves trapped in the belief that work solely exists to pay the bills inadvertently forgetting the essential question What about our happiness Vicki Robin s words beautifully encapsulate this scenario if the daily grind truly brought us joy and a sense of fulfillment the trials and inconveniences would be a minor price to pay But increasingly it s evident that money doesn t guarantee the happiness we

seek beyond a certain level of comfort If this resonates with you in any way this book is meant for you It delves into the quest for meaning and happiness that many of us find ourselves on Choosing to tell this story rather than penning a philosophical treatise was inspired by the advice of my wife Vanessa and her insight was profound Stories have a unique power to captivate our minds as studies by Paul Smith have revealed Our minds are indeed wired to process stories making them easier to remember and appealing to readers of all ages races and genders It s this realization that deeply touched me Throughout my life the teachings of great authors such as Paulo Coelho George Clason Og Mandino and Robin Sharma have left lasting imprints They shared their wisdom through storytelling and it is in that tradition that I present this tale My earnest desire is for this story to ignite the Apprentice within you encouraging your own pursuit of purpose and fulfillment To conclude I leave you with Benjamin Franklin s timeless wisdom Do you love life If you love life do not waste time for time is the essence of life And the words of Terry Pratchett remind us that it is in our dreams that we truly find freedom for the rest of the time we often find ourselves seeking wages Thank you for embarking on this journey with me Felipe Chavarro Polania
