The Vermilion Boat Sudhin N. Ghose, 2017-04-11 Sisi Magar became my boat and straddled on its back I was transformed into a sea god one who defied the elements and to whom the wind and the waves paid homage They no longer raved about death but spoke of abundant life A young orphan leaves for Calcutta full of hope to attend university there But on reaching the city he finds he has been betrayed and left penniless and homeless by Jogin Da the guardian whom he respected and blindly trusted Even as he scours the streets of Calcutta for shelter and sustenance the young man finds himself drawn to the city's glorious past and repelled by the religious prejudices and narrowmindedness of its residents At university too he comes into conflict with his peers who thoughtlessly ape Western culture and ignore the best parts of their own traditions In a time of gathering disillusionment and disappointment the young man finds a mentor in an ageing professor Profulla Babu and love of a sort with his Latin tutor Roma He receives a chance at redemption too after he befriends Sisi Magar a tame porpoise in a temple pond which he must set free in the Ganges Published in 1953 and now being reissued for the first time in more than half a century The Vermilion Boat is the third novel in Sudhin N Ghose's quartet which follows the life and career of an unnamed young man As much a coming of age story as an account of the making of the great metropolis of Calcutta The Vermilion Boat brings together history legend and myth to create a rich sprawling narrative *Cradle of the Clouds* Sudhin N. Ghose, 2017-02-08 In the Penhari Parganas a district in pre Independence Bengal a young man prepares to leave for Calcutta Amidst apprehensions and warnings about the perils of the big city he revisits his adolescence his search for a profession among carpenters watch repairers and potters all of whom advise him to become a scholar instead a summer spent teaching Santali children and his first exciting brush with love at the school a foolhardy pony ride which broke his back and his intense re enactment of the legend of Lord Balaram and his plough which ended a harsh drought and brought rain Reminiscent of the Puranas and the great epics full of diverse characters and digressions which seamlessly combine into one rich whole *Cradle of the Clouds* paints a vivid picture of a child growing up in an Indian village Published in 1951 *Cradle of the Clouds* is second in Sudhin N Ghose's quartet of novels which follows the young man introduced as an orphan in *And Gazelles Leaping* as he grows from a wide eyed child into a disillusioned adult Long neglected classics these novels are being reissued for the first time in more than half a century *Perspectives on Indian Fiction in English* M. K. Naik, 1985 This is the fourth and final volume in the pioneering series on Perspectives on Major Forms of Indian English Literature edited by Professor M K Naik Following the pattern of the earlier three volumes this collection also includes two types of essays those evaluating the entire corpus of major fictionists and schools and those attempting intensive textual analyses of outstanding novels like *Untouchable* *The Guide* *The Serpent and the Rope* and *Midnight's Children* The final essay on The Achievement of Indian Fiction in English is an attempt to survey the entire field and evaluate the total achievement in this genre A number of collections of critical essays on Indian fiction in English have appeared during recent years but perhaps none of them has the

range and depth of this volume The contributors include distinguished scholars such as K R Srinivasa Iyengar V A Shahane D V K Raghavacharyulu PremaNandakumar and the editor M K Naik himself The carefully selective Bibliography appended to the volume has further enhanced its value as a comprehensive collection of incisive critical studies covering the entire range of Indian fiction in English and this series which is now complete easily constitutes a significant landmark in the ongoing scrutiny of Indian English literature

The Flame of the Forest Sudhin N. Ghose, 2017-04-08 Myna moved as though sustained by invisible wings attached to her feet Her whole frame glowed like an incandescent bronze figure And I recalled that Myna's name before she became a kirtani was the Flame of the Forest A young scholar in post Independence Calcutta finds that his life is in the doldrums He cannot secure a job despite having completed his education with flying colours Unwilling to steady his drifting his lover has abandoned him And increasingly put off by the clamour for progress among the newly liberated city folk around him all of whom are quick to dismiss tradition he finds himself drawn to Myna a kirtani who believes she is a handmaiden to Radha Lord Krishna's consort In his attempts to make a living he writes frivolous articles for an American magazine and acts as a part time secretary to his mentor the Diwan a political moderate with waning influence But when Ek Nambur a demagogue and Diwan's political rival puts the latter under house arrest and comes after the young man he is forced to make a choice He can stay on to fight a losing battle or take up Myna's invitation to join her and become a fellow pilgrim A sumptuous tapestry of myth history and legend The Flame of the Forest is the story of a young adult forced to choose between tradition and modernity and take up the responsibility of moulding his own life The concluding novel in Sudhin N Ghose's classic quartet The Flame of the Forest was published in 1955 and is being reissued for the first time in more than half a century
