Sufferings Of Young Werther:

The Sorrows of Young Werther (with Audio & Text) J. W. von Goethe, 2021-06-15 The Sorrows of Young Werther is a epistolary novel by J W von Goethe First published in 1774 it reappeared as a revised edition in 1787 It was one of the most important novels in the Sturm und Drang Storm and Stress period in German literature and influenced the later Romantic movement The book s publication instantly placed the author among the foremost international literary celebrities and was among the best known of his works Goethe is by some accounts the father of the romantic period in literature or at least the proto romantic Sturm und Drang period And The Sorrows of Young Werther was its genesis While Voltaire parodied rationalism in Candide Goethe transcended it with the semi autobiographical story of Werther a young man governed more by his emotions than his reason whose only employment is his delight in the romantic ideals of the pastoral lives he finds in the rural town of Walheim There he also finds Charlotte and in her an idealized but unobtainable old world domesticity Werther s internal dialog about his growing obsession with Charlotte and his inability to cope rationally with the fact that she is engaged to and in love with another man form the bulk of the book in the form of a series of ever more intense letters to a friend Werther s descent into sorrow has captivated readers for centuries helped by Goethe s intensely beautiful prose enchanting imagery and obvious reverence for nature and a dying past
