The Key To Heaven Christian Gnosticism:

The Key to Heaven: Christian Gnosticism William Pae, 2001-07-12 An inspiring and prophetic book with sacred secrets for the ascension of humankind and the subsequent evolution into Angels of God **The Lord's Harvest** William Pae, 2003-03-16 Have you ever wondered how the unmanifest becomes manifest How Thoughts become Reality Have you ever stopped to consider that some individuals effectively plan their lives much like architects draft blueprints for their projects The Lord's Harvest helps mystics ascend to the Heavenly realms of Spirit and guides prophets through the stages of Earthly manifestation In effect it offers the tools needed to live life to the fullest and Highest Good through the analogy of Harvesting as offered by Jesus Christ This Sacred Knowledge details the steps needed to gain personal acquaintance with the Universal Father Mother Christ and become a Son or Daughter of God in manifesting Miracles through the Royal Law of Love This book serves as the blueprint for establishing a Holy Spiritual and Universal Church within the Kingdom of Heaven on Earth Blessings **Ars Vitae** Elisabeth Lasch-Quinn, 2020-10-15 Despite the flood of self help guides and our current therapeutic culture feelings of alienation and spiritual longing continue to grip modern society In this book Elisabeth Lasch Quinn offers a fresh solution a return to classic philosophy and the cultivation of an inner life The ancient Roman philosopher Cicero wrote that philosophy is ars vitae the art of living Today signs of stress and duress point to a full fledged crisis for individuals and communities while current modes of making sense of our lives prove inadequate Yet in this time of alienation and spiritual longing we can glimpse signs of a renewed interest in ancient approaches to the art of living In this ambitious and timely book Elisabeth Lasch Quinn engages both general readers and scholars on the topic of well being She examines the reappearance of ancient philosophical thought in contemporary American culture probing whether new stirrings of Gnosticism Stoicism Epicureanism Cynicism and Platonism present a true alternative to our current therapeutic culture of self help and consumerism which elevates the self's needs and desires yet fails to deliver on its promises of happiness and healing Do the ancient philosophies represent a counter tradition to today's culture auguring a new cultural vibrancy or do they merely solidify a modern way of life that has little use for inwardness the cultivation of an inner life stemming from those older traditions Tracing the contours of this cultural resurgence and exploring a range of sources from scholarship to self help manuals films and other artifacts of popular culture this book sees the different schools as organically interrelated and asks whether taken together they can point us in important new directions Ars Vitae sounds a clarion call to take back philosophy as part of our everyday lives It proposes a way to do so sifting through the ruins of long forgotten and recent history alike for any shards helpful in piecing together the coherence of a moral framework that allows us ways to move forward toward the life we want and need **The Glory of Heaven** John MacArthur, 2013 This in depth look at what the Bible has to say about heaven angels and the afterlife gives Christians an encouraging glimpse of the home that awaits them Now redesigned re edited and expanded to include 3 new chapters and a revised introduction **Upon this Rock** Stephen

K. Ray,1999-01-01 Ray a former Evangelical Protestant and Bible teacher goes through the Scriptures and the first five centuries of the Church to demonstrate that the early Christians had a clear understanding of the primacy of Peter in the see of Rome He tackles the tough issues in an attempt to expose how the opposition is misunderstanding the Scriptures and history He uses many Protestant scholars and historians to support the Catholic position This book contains the most complete compilation of Scriptural and Patristic quotations on the primacy of Peter and the Papal office of any book available It has over 500 footnotes with supporting evidence from Catholic Orthodox Evangelical and non Christian authorities **The Intellectual Foundations of Christian and Jewish Discourse** Bruce Chilton,Jacob Neusner,2006-10-19 The Intellectual Foundations of Christian and Jewish Discourse argues that the Judaic and Christian heirs of Scripture adopted and adapted to their own purposes and tasks Greek philosophical modes of thought and argument The authors explore how the earliest intellectuals of Christianity and Judaism shaped a tradition of articulated conflict and reasoned argument in the search for religious truth that was to be shared through continuing that argument with others Neusner and Chilton examine using the formative sources of Judaism and Christianity the literary media of adaptation and reform precisely where and how we identify in the foundation writings of Christianity and Rabbinic Judaism the new opposing modes of articulated conflict and reasoned argument that through Christianity and Judaism Greek philosophy and science bequeathed to the West **The Rediscovery of Gnosticism** Bentley Layton,1980 **The Gnostic World** Garry W.
