**The Killing Tree** J. D. Smith,      **Refugee Lifeworlds** Y-Dang Troeung, 2022-08-29 Utilizing the concept of aphasia this book demonstrates how Cambodian refugee narratives resist state violence and take head on hegemonic discourses across popular and scholarly spaces that prop up colonial imperial capitalist heteropatriarchal and ableist formations of the Cold War in Cambodia      Landbridge Y-Dang Troeung, 2024-10-11 In 1980 Y Dang Troeung and her family were among the last of the 60 000 refugees from Cambodia that Canada agreed to admit Their landing was widely documented in newspapers with photographs of the prime minister shaking Troeung's father's hand and patting baby Y Dang's head Troeung became a literal poster child for the benevolence of the Canadian refugee project She returns to this moment forty years later in her arresting memoir Landbridge where she explores the tension between that public narrative of happy arrival and the multiple often hidden truths of what happened to her family In precise beautiful prose Troeung moves back and forth in time to tell stories about her parents and two brothers who lived through the Cambodian genocide about the lives of her grandparents and extended family about her own childhood in the refugee camps and in rural Ontario and eventually about her young son's illness and her own diagnosis with a terminal disease Throughout this brilliant and astonishing book Troeung looks with bracing clarity at refugee existence and dares to imagine a better future with love

*Redeeming Power* Diane Langberg, 2020-10-20 Power has a God-given role in human relationships and institutions but it can lead to abuse when used in unhealthy ways Speaking into current MeToo and ChurchToo conversations this book shows that the body of Christ desperately needs to understand the forms power takes how it is abused and how to respond to abuses of power Although many Christians want to prevent abuse in their churches and organizations they lack a deep and clear-eyed understanding of how power actually works Internationally recognized psychologist Diane Langberg offers a clinical and theological framework for understanding how power operates the effects of the abuse of power and how power can be redeemed and restored to its proper God-given place in relationships and institutions This book not only helps

Christian leaders identify and resist abusive systems but also shows how they can use power to protect the vulnerable in their midst

**Gender and Genocide in Cambodia** Azra Rashid,2023-10-31 This book explores the multiplicity of women s experiences in the Cambodian genocide during the four year rule of the Khmer Rouge The dominant discourses of genocide often speak from a patriarchal and national perspective rendering women speechless and yet in this volume the female survivors of the Cambodian genocide testify not only to the specific atrocities committed during the war but also to the pre war conditions that laid the groundwork for a gender specific victimization of women and its continuation post war With the

help of testimonies from Khmer women who joined the Khmer Rouge women who experienced sexual violence during the Khmer Rouge era women who fled the country and the Cham women who faced expulsion from home this book explores the diversity of women s experiences under the Khmer Rouge Survivors accounts show that a Khmer woman s experience with the Khmer Rouge was considerably different from the experience of not only a Khmer man but also a woman from a religious or ethnic minority group or a woman who chose to join the Khmer Rouge These differences are conveniently ignored in nationalist discourses in Cambodia and by western scholars of history and gender based violence and they are given even less consideration in discourses about women survivors in diaspora Instead of forcing generalization and universalization of gendered crimes of war Gender and Genocide in Cambodia employs feminist curiosity and closely examines women s experiences under the Khmer Rouge from multiple vantage points This volume is essential reading for students and scholars interested in gender and cultural studies political history and modern history
