Hughes, 2010-10-01 The idea of the United States as a Christian nation is a powerful seductive and potentially destructive theme in American life culture and politics And yet as Richard T Hughes reveals in this powerful book the biblical vision of the kingdom of God stands at odds with the values and actions of an American empire that sanctions war instead of peace promotes dominance and oppression instead of reconciliation and exalts wealth and power instead of justice for the poor and needy With extensive analysis of both Christian scripture and American history from the founding of the republic to the present day Christian America and the Kingdom of God illuminates the devastating irony of a Christian America that so often behaves in unchristian ways **The Return of the Kingdom** Stephen G. Dempster, 2024-03-19 In this ESBT volume Stephen Dempster traces the themes of kingship and kingdom throughout Scripture illuminating the challenges pain and ultimate hope that the Bible offers The story of God s kingship is ultimately the fulfillment of a promise to defeat sin and death and to establish a world of peace and justice **The Kingdom and the Nations** Eric McCoy North, 2015-09-21 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work As a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant **Thy Kingdom Come** Harold L. Icon of the Kingdom of God Radu Bordeianu,2023-05-19 What is the Church Some would answer this question by studying the Scriptures the history of the Church and contemporary theologians thus addressing the theological nature of the Church Others would answer based on statistics interviews and personal observation thus focusing on the experience of the Church These theological and experiential perspectives are in tension or at times even opposed Whereas the first might speak about the local church as the diocese gathered in the Liturgy presided over by its bishop the latter would describe the local church as the parish community celebrating the Liturgy together with the parish priest never experiencing a sole liturgy that gathers an entire diocese around its bishop Whereas a theologian might abstractly describe the Church as a reflection of the Trinity a regular church member might concretely experience the Church as a community that manifests the Kingdom of God in its outreach ministries Radu Bordeianu attempts to bring these two perspectives together starting from the concrete experience of the Church engaging this experience with the theological tradition of the Church extracting ecclesiological principles from this combined approach and then highlighting concrete situations that reflect those standards or proposing correctives when necessary Without pretending to be a complete Orthodox ecclesiology Icon of the Kingdom of God addresses the most important topics related to the Church It progresses according to one s experience of the Church from baptism to the family parish Liturgy and priesthood followed by analyses of synodality and nationality Arguing that the Church is an icon of the Kingdom of God this volume brings together the past theological heritage and the present experience of the Church while having three methodological characteristics experiential Kingdom centered and ecumenical

Paul Stevens,2022-08-05 Work occupies most of our waking time whether it is in a factory office school or at home But unfortunately most people of faith separate their working life from their worshipping life Dualism is a pernicious heresy that has infected believers worldwide namely that church work and missionary service are holy and our everyday work is secular In this timely volume Stevens explores the connection of the kingdom of God the master thought of Jesus with the marketplace Traditionally people have either related the kingdom of God God s new world coming either exclusively for the present or only for the distant future But it is both now and coming This gives meaning hope and endurance to our work in the world So daily labor in the marketplace gets reoriented through salty values and ingrained virtues We become double agent spies exploring the new world coming in everyday life We can also grapple helpfully with the resistance we face daily in the workplace There are many books on the kingdom of God and many on work Few have brought these two vital arenas of everyday service together It is indeed part of the good news *The Gospel of the Kingdom* Lance Lambert,2018-12-05 This gospel of the kingdom of God this gospel concerning God s King this gospel concerning the abounding grace of God by which He gives us the possibility of coming to the throne of God this gospel has been entrusted to those who are followers of the Lord Jesus to be preached in the whole world This is our great call our great commission Go ye therefore and make disciples of all the nations Matthew 28 19 We just can t go out of duty It is the love of God that has to be shed abroad in our hearts that will bring us to a place where perhaps we shall come into this preaching of the gospel of the kingdom in the whole world for a testimony From every tribe from every tongue from every kindred from every nation treasure for the city of God May the Lord use the words enclosed to stir hearts in this way **The Multinational Kingdom in Isaiah** Andrew H. Kim,2020-09-24 The kingdom of God functions as a key theme that clarifies the direction of redemptive history The canonical narrative portrays God s dealing with humanity on both individual and corporate levels Throughout the history of the church many have claimed that national Israel is best read as a type of an eschatological consummation of individuals drawn from all nations However does the direction of redemptive history consummate with a redemption of individuals or does it include national entities Do the promises to national Israel become fulfilled typologically through a singular corporate reality or in a multinational kingdom which includes national Israel In *The Multinational Kingdom in Isaiah* Andrew H Kim addresses

arguments from those who claim that Isaiah serves as a turning point in which national distinctions are erased in the eschatological kingdom Kim argues that Isaiah envisions a multinational kingdom comprised of Israelites and gentiles with national and territorial distinctions **How a Realist Hero Rebuilt the Kingdom: Volume 13** Dojyomaru,2021-03-06 Risking her life to save her homeland Shabon a princess from the Nine Headed Dragon Archipelago joins Souma s side in hopes of stopping an impending war But with a fleet already en route to the hostile archipelago under his orders Souma sets out to infiltrate the islands before they arrive As he gathers information within the enemy territory he finds that the real threat isn t their naval fleet but a massive creature in their waters that defies all common sense What strategy will Souma come up with to handle these two encroaching threats Find out in the thirteenth volume of the revolutionary administrative fantasy series *The Kingdom of God* Ken Hathaway,2024-07-19 Through years of ministry and teaching the author realized how little people grasped the foundational truths underlying God s relationship with creation and the Bible s core message In this book he explores with insight and conviction his concept of the universe s purpose God s reasons for creating it and humanity s pivotal role in God s overall plan The scriptures also unveil God s abounding love for creation and the steps taken to connect with us delivering humanity from opposing forces This rewarding read resolves many overlooked aspects of Christian faith convincingly It reveals the author s steadfast belief that amidst a shifting world Christian faith offers unchanging peace and fulfilment He examines with intelligence what he sees as the grand objective of existence why God brought the universe into being and the crucial part people play in God s grand design The Bible likewise discloses God s immense love for all He created and how He reaches out to communicate with humanity providing escape from whatever seeks to oppose us This illuminating book compensates for many formerly disregarded questions around Christian belief in a persuasive way The full picture displays the author s enduring conviction that in turbulent times Christian faith supplies a firm anchor for tranquillity and happiness **The Kingdom Agenda** Tony Evans,2013-07-26 God s kingdom isn t just about theology and church It isn t just a quaint religious idea or an obscure theological concept It is about a whole new way of seeing the world and your place in it Tony Evans legacy work The Kingdom Agenda offers a fresh and powerful vision that will help you think differently about your life your relationships and your walk with God When you start with a Kingdom agenda living in relationship with the true King and embracing your place in His Kingdom nothing will ever be the same In these pages we ll explore how under God this kingdom vision Helps you find greater purpose for your life Guides your family toward Him Deepens your understanding of God s use of the church Changes the way you think about politics culture and philosophy Join Dr Tony Evans one of the greatest Bible teachers of our time as he unfolds this biblical and practical approach to life an approach that has the power to change people families neighborhoods churches and even nations Discover the power of the Kingdom agenda [Saudi Arabia](#) ,1990 **The Restoration of God's Dwelling and Kingdom** Peter Nyende,2023-03-31 The church in Africa is thriving both numerically and in its boldness and fervour Yet the challenge

of African folk Christianity a Christianity shaped more by traditional beliefs than the Bible continues to loom large and there remains an acute need for life and faith to be biblically informed In this introduction to biblical theology Prof Peter Nyende draws from nearly two decades of experience teaching the next generation of African church leaders Maintaining the vital importance of a holistic understanding of Scripture and its unified nature he presents the central story of both Old and New Testaments as the restoration of God s dwelling and kingdom in the world He traces this narrative through its many stages of development creation and fall God s covenants with Israel exile to its ultimate fulfilment in Jesus the church and the new Jerusalem Though written with pastors and theological students in mind this book is accessible to any who desire to increase their biblical literacy and partner more fully with the work of God and his kingdom
