The Kings Serjeants And Officers Of State With Their Coronation Services

John Horace Round

The Kings Serjeants And Officers Of State With Their Coronation Services:

The King's Serjeants & Officers of State John Horace Round, 1911 **The King's Serjeants & Officers of State**, 2002

KINGS SERJEANTS & OFFICERS OF John Horace 1854-1928 Round, 2016-08-27 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it. This work was reproduced from the original artifact and remains as true to the original work as possible. Therefore you will see the original copyright references, library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work. This work is in the public domain in the United States of America and possibly other nations. Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work. As a reproduction of a historical artifact, this work may contain missing or blurred pages, poor pictures, errant marks, etc. Scholars believe and we concur that this work is important enough to be preserved, reproduced, and made generally available to the public. We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant.

The King's Serjeants Officers of State John Horace Round, 2015-07-20 Excerpt from *The King's Serjeants Officers of State With Their Coronation Services*. There would seem to be at the present time a very real need for a work dealing with the subject of serjeanty, one of the great English tenures and with the services due from those whom Domesday Book styles the King's serjeants, *servientes regis*. Although the materials for such a study have accumulated rapidly of late, there is no modern book devoted to the subject, nor indeed is there any book which attempts to deal with it systematically in the scientific historical spirit. Blount's ever green little book *Fragmenta Antiquitatis*, *Ancient Tenures of Land and Jocular customs of some manors*, was issued so far back as 1679 and neither in its original form nor in its later editions does it supply the want. Indeed it touched on much that was not serjeanty at all while omitting a great deal that is essential to a study of the subject. It is only right to remember that as Blount modestly observes he published his collection for the entertainment and relaxation of the reader. He wrote as his preface informs us that the studious when weary with poring upon Littleton's *Tenures* and his learned Commentator might relax *fibulam* by recurring to these and smile at the inoffensive mirth both of our kings in former times and lords of manors in creating them. It is no systematic treatise, no classified arrangement that he sets before us but a scrap book or *olla podrida* ranging from the tenures or alleged tenures of great officers of state to those of humble peasants. He jotted down in the course of his researches undertaken for other ends tenures in some respect or other remarkable or singular. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com. This book is a reproduction of an important historical work. Forgotten Books uses state of the art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of

imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

The King's Serjeants & Officers of State J. Horace Round, 2013-10-28 First published in 1971 The class of whom these pages treat were those who held their lands by serjeanty that is by the performance of some specified service either at all times or in time of war We may now turn to those serjeanties which can be traced back to the time of the Domesday Survey Several of them will be dealt with in detail in this volume *The King's Serjeants & Officers of State, with Their Coronation Services - Primary Source Edition* John Horace Round, 2014-02 This is a reproduction of a book published before 1923 This book may have occasional imperfections such as missing or blurred pages poor pictures errant marks etc that were either part of the original artifact or were introduced by the scanning process We believe this work is culturally important and despite the imperfections have elected to bring it back into print as part of our continuing commitment to the preservation of printed works worldwide We appreciate your understanding of the imperfections in the preservation process and hope you enjoy this valuable book *The Coronation Service of Her Majesty Queen Elizabeth II* Church of England, Church of England. Liturgy and Ritual. Coronation Service, 1953 **The King's Serjeants Officers of State, with Their Coronation Services** HardPress, Round John Horace 1854-1928, 2013-01 Unlike some other reproductions of classic texts 1 We have not used OCR Optical Character Recognition as this leads to bad quality books with introduced typos 2 In books where there are images such as portraits maps sketches etc We have endeavoured to keep the quality of these images so they represent accurately the original artefact Although occasionally there may be certain imperfections with these old texts we feel they deserve to be made available for future generations to enjoy **The Coronation and the Constitution in the British Tradition** Noel Cox, 2025-08-21 This book examines the legal political and theological functions of the British coronation Coronations as understood in the traditional western European sense are in those countries which remain monarchies increasingly rarely found though they are far from extinct They indeed may be seen as an exceptional survival of a vanishing era an age dominated by kingship and Christianity although some non Christian kingdoms retain have adopted or once had comparable inaugurations But the coronation as the term is generally understood is a unique hybrid of election tribal inauguration political acknowledgment and sacred setting apart which make its legal political and theological roles highly significant The fact that the United Kingdom is one of the few monarchies which retain coronations does not diminish the importance of the coronation indeed rather the opposite The country is also the last of the great monarchies of Europe so it would perhaps be surprising if it did not retain such a ritual and solemnity It is in the context of its historical setting the theological and political underpinnings and rationale and indeed a more modern sociological understanding of the role of ritual that the importance of the coronation as a constitutional ritual of the highest importance is to be understood and therefore its necessity may be considered *The Merchant Class of Medieval London, 1300-1500* Sylvia L. Thrupp, 1989 A social history of the merchant class of 14th and 15th century London *The Church at War: The Military Activities of*

Bishops, Abbots and Other Clergy in England, c. 900-1200 Daniel Gerrard, 2016-10-04 The fighting bishop or abbot is a familiar figure to medievalists and much of what is known of the military organization of England in this period is based on ecclesiastical evidence Unfortunately the fighting cleric has generally been regarded as merely a baron in clerical dress and has consequently fallen into the gap between military and ecclesiastical history This study addresses three main areas which clergy engaged in military activity in England why and when By what means did they do so And how did others understand and react to these activities The book shows that however vivid such characters as Odo of Bayeux might be in the historical imagination there was no archetypal militant prelate There was enormous variation in the character of the clergy that became involved in warfare their circumstances the means by which they pursued their military objectives and the way in which they were treated by contemporaries and described by chroniclers An appreciation of the individual fighting cleric must be both thematically broad and keenly aware of his context Such individuals cannot therefore be simply slotted into easy categories even or perhaps especially when those categories are informed by contemporary polemic The implications of this study for our understanding of clerical identity are considerable as the easy distinction between clerics acting in a secular or ecclesiastical capacity almost entirely breaks down and the legal structures of the period are shown to be almost as equivocal and idiosyncratic as the literary depictions The implications for military history are equally striking as organisational structures are shown to be more temporary fluid and political than had previously been understood

The Church at War: The Military Activities of Bishops, Abbots and Other Clergy in England, c. 900-1200 Daniel Gerrard, 2016-10-04 The fighting bishop or abbot is a familiar figure to medievalists and much of what is known of the military organization of England in this period is based on ecclesiastical evidence Unfortunately the fighting cleric has generally been regarded as merely a baron in clerical dress and has consequently fallen into the gap between military and ecclesiastical history This study addresses three main areas which clergy engaged in military activity in England why and when By what means did they do so And how did others understand and react to these activities The book shows that however vivid such characters as Odo of Bayeux might be in the historical imagination there was no archetypal militant prelate There was enormous variation in the character of the clergy that became involved in warfare their circumstances the means by which they pursued their military objectives and the way in which they were treated by contemporaries and described by chroniclers An appreciation of the individual fighting cleric must be both thematically broad and keenly aware of his context Such individuals cannot therefore be simply slotted into easy categories even or perhaps especially when those categories are informed by contemporary polemic The implications of this study for our understanding of clerical identity are considerable as the easy distinction between clerics acting in a secular or ecclesiastical capacity almost entirely breaks down and the legal structures of the period are shown to be almost as equivocal and idiosyncratic as the literary depictions The implications for military history are equally striking as organisational structures are shown to be more temporary fluid and

political than had previously been understood **The Cambridge Medieval History: Victory of the papacy** Henry Melvill Gwatkin,1929 *The Cambridge Medieval History* Henry Melvill Gwatkin,James Pounder Whitney,Joseph Robson Tanner,Charles William Previté-Orton,Zachary Nugent Brooke,1929 The Cambridge Medieval History James Pounder Whitney,1929 Origins of English Revenge Tragedy Oppitz-Trotman George Oppitz-Trotman,2019-05-15 Investigates the figures and materials of English tragedyKey FeaturesEstablishes a new approach to the relationship between historical performance and printed literatureComplicates the popular concept of metatheatreOffers boldly original readings of important English tragedies like Hamlet and The Spanish TragedyShows how our encounter with difficulty in the reading of revenge plays can be equivalent to an imaginative confrontation with the contradictions of early modern theatrical actionCharting a new course between performance studies and literary criticism this book explores how recognition of the dramatic person is involved in theatrical materiality It shows how the moral difficulty of revenge in plays like The Spanish Tragedy Hamlet and The Duchess of Malfi is inseparable from the difficulty of discerning human shapes in the theatre and on the page Intervening in a wide range of current debates within early modern studies Oppitz Trotman argues that the origins of English tragic drama cannot be understood without considering how the common player appears in it *Church Quarterly Review* ,1912 *The Church Quarterly Review* ,1912 English Episcopal Acta 26, London 1189-1228 D.P. Johnson,David Michael Smith,2003-07-10 This volume contains the acta of three bishops of London Richard of Ely William de Ste M re glise and Eustace of Fauconberg Both Richard and Eustace saw service as royal treasurer indeed Richard wrote the handbook on Exchequer practice the Dialogus de Scaccario William on the other hand spearheaded the papal campaign against King John during the General Interdict **Library Bulletin** University of Aberdeen,1913
