The Knights Templar Charles River Editors,2025-06-07 The Order of the Temple of Solomon also known as the Templars or the Knights Templar is one of the best known and least understood groups in history They appear prominently in everything from novels The Da Vinci Code to films as the Knights of the Cruciform Sword in Indiana Jones and the Last Crusade to videogames Assassin s Creed In these stories they are a sinister cult that manipulated historical events since the Middle Ages via intimidation and assassination They are usually connected to the Freemasons and sometimes to other historical cults like the Hindu Thuggees The real Templars were both more mundane and more fascinating than the myths and legends They were the first military religious order monks who were also knights The founding members were veterans of the First Crusade in Palestine and their main goal was in fact benign They formed their group as a small tertiary order Lay people who took monastic vows but lived in the larger community in Jerusalem policing the pilgrim routes and shrines of the Levant and protecting travelers from the many bandits that infested the area Even though they were used as the core of Crusader armies during the later crusades the

Templars never wavered from their original goal The Templars were split into knights about ten percent of the Order sergeants and chaplains the other ninety percent with the non noble sergeants comprising the majority of the Order according to historians like Malcolm Barber in his history of the Order The New Knighthood The knights fought in the main part of the Templar army but the sergeants appear to have backed up the knights in battle both as horsemen and as a small infantry The sergeants also worked as servants and in non military support functions on the Templar farms granges that supported the Order The chaplains were a small group of priests who were rotated into the Order on a temporary basis and served the monks religious needs Like other secretive groups the mystery surrounding the Templars has helped their legacy endure While some conspiracy theorists attempt to tie the group to other alleged secret societies like the Illuminati other groups have tried to assert connections with the Templars to bolster their own credentials Who they were and what they had in their possession continue to be a source of great intrigue even among non historical circles *The Persecution of the Knights Templar* Alain Demurger,2019-01-01 The trial of the Knights Templar is one of the most infamous in history Accused of heresy by the king of France the Templars were arrested and imprisoned had their goods seized and their monasteries ransacked Under brutal interrogation and torture many made shocking confessions denial of Christ desecration of the Cross sex acts and more This narrative follows the everyday reality of the trial from the early days of scandal and scheming in 1305 via torture imprisonment and the dissolution of the order to 1314 when leaders Jacques de Molay and Geoffroy de Charnay were burned at the stake Through first hand testimony and written records of the interrogations of 231 French Templars this book illuminates the stories of hundreds of ordinary members some of whom testified at the trial as well as the many others who denied the charges or retracted their confessions This is a deeply researched and immersive account that gives a striking vision of the relentless persecution and the oft underestimated resistance of the once mighty Knights Templar

The Templars and their Sources Karl Borchardt,Karoline Döring,Philippe Josserand,Helen Nicholson,2017-01-20 Even 700 years after the suppression of the Order of the Temple and the execution of the last grandmaster Jacques de Molay there is no shortage of publications on this influential military order Yet unlike other medieval institutions the Templars are subject to speculative fiction and popular myth which threaten to swamp the fruits of scholarly endeavour Fortunately recent years have produced a thriving academic scholarship which is challenging these myths More and more sources are currently being edited particularly those for the trial of the Templars 1307 1312 Others are still awaiting indepth study among them surprisingly the greater part of the charters that cover more than 150 years of the Order s history The papers in this volume step into this gap and critically evaluate new directions in Templar studies on the basis of as yet unedited source material Open issues and desiderata regarding the sources are discussed and from a range of inspiring results a new status quaestionis is proposed that will not only provide a better understanding of the Order s archaeological economical religious administrative and military history but also set new points of departure for the editing of charters and administrative

documents The papers here are grouped into six sections focusing on the headquarters of the Order its charters manpower and finance religious life and finally the suppression and the Order s afterlife

The Knights Templars

Charles-Greenstreet Addison,1842 [The Knights Templar and Other Secret Societies of the Middle Ages](#) Thomas

Keightley,2007-01-01 This groundbreaking study examines the far reaching history of the Assassins of the Middle East the Knights Templar of Europe and the Secret Tribunals of Westphalia

The History of the Knights Templars Charles G.

Addison,2023-12-27 The history of the Knights Templars is a remarkable story of triumphs and defeats marked with controversies and tragedy From their rise to their demise Charles G Addison captivately chronicles the various characters that played a role in shaping this powerful military order that reigned for almost two centuries during the Middle Ages Having examined scores of documents and texts and traveled to many of the ruined fortresses and castles of the order Addison was an expert on the Templars history He insightfully details their plight in this volume first published in 1842

Starting with the origins of the brotherhood the foundations and ideals of the order and their chosen symbol of the red cross the author explains their role in protecting pilgrims traveling to the Holy Land their feats during the Crusades the relationships they held with various kings and church leaders their contributions to protecting Europe from Turkish conquest and preserving Christianity in Europe and Asia and their tragic end stripped of their lands tortured and burned at the stake

A Brief History of the Knights Templar James Burnes,2017-11-21 The natural desire to visit places which have been the scene of memorable actions or the abode of distinguished personages had from a very early period drawn pious pilgrims from the east and the west to view those spots which had been hallowed by the presence of the Son of God The toils and the dangers of the journey were unheeded when set in comparison with the bliss of pouring forth prayer on Calvary and bathing in the waves of Jordan whose waters had consecrated the Saviour to his holy office And accordingly we find that so early as the ninth century there was in the valley of Jehoshaphat near the church of the Holy Virgin an Hospital composed of twelve dwellings for pilgrims from the west which possessed corn lands vineyards and gardens and an excellent library established by the bounty of Charlemagne

[The Knights Templar](#) Stephen Howarth,1982 The age of the Crusades encompassed the rise and fall of a singular Order of fighting men equally devoted to God war and the defense of Palestine After the Crusades the Templars obeyed no one except the Pope and acquired land and castles by gift conquest and purchase becoming a church within the Church They were bankers merchants diplomats and tax gatherers and though they themselves were poor the wealth of their Order was legendary As the nation states arose the Templars were accused of heresy treachery sodomy usury blasphemy and idolatry The author assesses the faults and fine qualities of the brotherhood examining the reasons for its initial allure and eventual ignominious obliteration

The Gods of Eden and Operation High Jump Moshe

Mazin,2017-02-15 One of the most amazing epic stories in recent memory the connection between ancient alien beings and human history is captured in this mesmerizing science fiction novel A biblical passage from the Book of Genesis points the

way to this connection which recently has been tied to new excavations in Southeast Turkey thought by several archeologists to be the site of the fabled Garden of Eden The story ties the ancient Jewish staff of Moses to the Knights Templars the Bilderberg Group the American NSA and Israeli intelligence services all in pursuit of the secretive German Nazi Base 211 located at the South Pole in Antarctica The American top secret Operation High Jump which was recently partially declassified raises many questions about the involvement of the world s governments in a cover up of alien presence on Earth

The Knights Templar in Popular Culture Patrick Masters,2022-02-15 From the Arthurian epic poem Parzival to Dan Brown s The Da Vinci Code Indiana Jones and the Last Crusade and the Assassin s Creed video game series the Knights Templar have captivated artists and audiences alike for centuries In modern times the Templars have featured in many narrative contexts evolving in a range of contrasting story roles the grail guardian the heroic knight the villainous knight and the keeper of conspiracies This study explores why these gone but not forgotten warrior monks remain prominent in popular culture how history influenced the myth and how the myth has influenced literature film and video games

Disassociation Sophia Z. Kovachevich,2025-07-07 The book looks at some of the problems in our world today It is based on extensive research It shows the problems that colonisation brought into the world and how that has permeated into the very fabric of society It shows the beginning of genocides and concentration camps and the present state of both in the 21st century world It also looks at where the greatest threats to the world peace are posed today which countries are still in the throes of genocide what is the connection between eugenics and killing Further it covers information pertinent to our world today but which very few lay people have any concept about We live in this world It is our world We should all make an attempt to care for our world to the best of our ability and avoid dissension and war whenever possible War brings nothing good to anyone but fosters a lot of negativity among nation countries cultures and religions in the world This book is about bringing awareness to the precarious position our world and environment is in If wars continue at this rate the soil air water will be so polluted and poisoned cancers and other unknown diseases rampant that future generations and all living creatures will be horribly affected as in the Mekong Delta with much less poison We must protect our descendants from such folly It is our duty

The Four Gates of Heaven Moshe Mazin,2013-05 The Four Gates of Heaven is a tantalizing sci fi adventure in which Professor Daniel Johnson and his fiancée Dr Helena Edward embark on an epic journey in search of the staff of Eden the twelve stones of Joshua and the lost Ark of the Covenant Their search leads them to the descendants of the Knights Templar and the modern day Bilderberg Group the most powerful organization on earth today This fast moving story involves Israeli military intelligence AMAN and the American national security agency the NSA in the plot as the two scientists are joined by Professor Lahav of Hebrew University in Jerusalem to uncover some of the most startling discoveries in modern history The novel highlights amazing interactions between the Knights Templar the Order of the Masons and the Catholic Church over the last nine hundred years climaxing with a nail biter ending atop biblical Mount Sinai Moshe Mazin
