## **The Krag Rifle Story:**

*The Krag Rifle Story* Franklin B. Mallory, Ludwig Elmer Olson, 1979      *The Hand Gun Story* John Walter, 2008-06-30 A firearms expert traces the history of the one hand gun from its 14th century origins surveying changing technology techniques and design Midwest Book Review Ideally suited for both attack and self defense handguns have gotten smaller and deadlier But the earliest pistols had a tendency to misfire This was cured by the cap lock which proved a massive success in the American Civil War with hundreds of thousands of cap lock revolvers used on each side Self contained metal case cartridges were to bring a fundamental change to handgun design not only by allowing the introduction of revolvers that ejected automatically or were easily reloaded but also by paving the way for the automatic pistol World War I provided the handgun with a proving ground At the end of the hostilities with so much surplus weaponry work on the handgun could have ceased instead a new developmental phase was begun by the nations that had emerged from the crumbling Imperial empires During World War II the efficiency of well established designs was confirmed and new designs such as the Walther P 38 showed their potential The emergence of the submachine gun in 1945 reduced the status of the handgun but only temporarily The need for efficient self defense shows no signs of lessening and the rise in shooting for sport particularly with the revolver has sharpened the quest for efficiency The never ending search for advanced production techniques shows that the handgun has as much a future in the twenty first century as it had in the heyday of the Wild West or in the trenches of Passchendaele      *The Story of Our Wonderful Victories Told by Dewey, Schley, Wheeler, and Other Heroes* ,1899      *Jungle Patrol, the Story of the Philippine Constabulary (1901-1936)* Vic Hurley, Victor Hurley, 2011 Always Out Numbered Never Out Fought the Philippine Constabulary Jungle Patrol the Story of the Philippine Constabulary 1901 1936 by Vic Hurley Hurley s remarkable and hard to find 1938 book about an obscure and heroic quasi military force the Philippine Constabulary is now re issued by Cerberus Books in a new improved edition containing all of the original text and new material The original edition is rarely for sale and costly if found This book details America s first experiment with jungle guerilla warfare and America s first experiment with the use of local native personnel as a police or military force under the command of foreigners American and European Both of these military experiments are studied even today by West Point officers and cadets Professional and amateur military historians and strategists and historians from the West Southeast Asia and the Mid East as well as the families of these mythically heroic men often search in vain for this rare book At the end of the Spanish American War the policy of the McKinley administration and the military authorities in the Philippines prohibited the use of the more than 70 000 U S troops in the islands to suppress the nascent Philippine Army the guerilla bands of independence warriors and the outlaws pirates and brigands who had arisen Initially the native battles were for Philippine independence however the conflicts deteriorated into harsh and bloodthirsty attacks on foreign occupiers and peaceful villagers alike The Constabulary was in reality a small poorly armed black force acting on behalf of an ineffective U S military and a politically

infected Philippine Commission Hurley an Honorary Third Lieutenant in the Constabulary recounts vividly and dramatically the real origin handicaps growth development use strategies and key battles of this force that many credit with being the single most important element in the Philippines development of democratic self rule On the Road Home: an American Story John Russell Frank, 2009-12-29 The year was 1898 and army private Patrick Henry Frank was in New Orleans awaiting transport to Cuba to fight in the Spanish American War A change in orders and Private Frank was instead going to the Philippines Admiral Dewey had stunningly defeated the Spanish navy at Manila Bay but President McKinley wanted boots on the ground Patrick Henry Frank's country was seeking its manifest destiny further west than America had ever moved Through a riveting narrative history author John Russell Frank chronicles the events of his family's half century on America's frontier in the Philippines war adventure colonialism the heartbreaking deaths of family members businesses ravaged by WW II and internment in brutal Japanese prison camps It is an epic story about his family's triumph and tragedy in a strange land a story of how they came to absorb and become a part of another culture The narrative flows from a substantial amount of intimate archival material historically rich letters war diaries photographs memoirs and oral and video histories from the family's experiences in the Philippines He shares a way of life and a time period unknown or forgotten by the present generation pivotal years of America's past In the process the author discovers his own roots **The History of American Expansion and the Story of Our New Possessions** Murat Halstead, 1898 The story of two wars; an illustrated history of our war with Spain and our war with the Filipinos... including the life and career of Admiral Dewey Henry Benajah Russell, 1899 **The Springfield 1903 Rifles** William S. Brophy USAR, 1985-05 Bill Brophy's exhaustive research and extensive knowledge about this legendary rifle its development history service in both World Wars and its continued use as a hunting rifle today along with over 1500 high quality photos make The Springfield 1903 Rifles the complete lifetime work by the rifle's premier authority The Springfield 1903 Rifles William S. Brophy, 1985 The lifetime work of the rifle's premier authority Exhaustive research has taken Brophy into some of the rarest collections in existence **The Philippine Story** David Bernstein, 2018-12-01 Published a year after the Philippines proclaimed independence in July 1946 the chief permanent value of this book lies in its survey of the history of the American experiment in the Philippines The Philippine Story is a concise inclusive analysis of the background failure achievements and implications of the American experiment in the Philippines from Magellan to the present post war era The author David Bernstein sketches in an overall impression geography education religion anthropology national characteristics and so on He then goes on to consider each major phase of island history the acquiescent period of Spanish rule the era of revolt with Rizal as its inspiration and later national hero the transition to American rule and the rapid progress in education and social and economic justice under successive Governors General The final section deals with the war years and the new republic An invaluable read that challenges America's policies **The Story of Pope's Barrels** Ray M. Smith, 1960 Swish of the Kris, the Story of the

Moros Vic Hurley,2010-10 THIS NEWLY ENHANCED EDITION OF THE AUTHOR S 1936 BOOK IS PARTICULARLY RELEVANT TO THE ORIGIN AND EVOLUTION OF THE CURRENT MORO ISLAMIC FILIPINO POLITICAL AND BRUTALLY SAVAGE EVENTS IN THE SOUTHERN ISLANDS INCLUDING ABU SAYYAF AND THE HISTORICAL CONNECTION TO BOTH TRADITIONAL AND RADICAL ISLAM It now contains photographs and maps from the author s private collection never before available a new introduction setting out the author s history and connection to the Philippines and a new comprehensive index to this history of the Moros 500 year struggle to maintain their culture and their traditional homeland **LEGENDARY WARRIORS THE ISLAMIC MOROS OF THE PHILIPPINES HAVE NEVER BEEN CONQUERED** To reach a real understanding of the forces of history that made the Moros the fearsome fighters that they were and are the author gives the reader hard facts careful research and vivid prose Although Hurley was writing at a much earlier time and from a western viewpoint there is no doubt about his respect and admiration for the character and convictions of the fighting Moros and his disdain for the ineffective strategies and tactics of the US military **The Story of Two Wars** Henry Benajah Russell,1899

**The Healing of Windwalker A Story of Love, Hate and Redemption** Donald L Chadd,2021-03-25 At six years of age the orphaned Windwalker a k a Walker is given to LDS Placement Services by the Navajo Indian tribe to be placed with an adoptive LDS family In the loving and Christ centered environment his foster home provides Walker matures physically mentally and spiritually As the years pass and Walker turns fifteen he and his foster family anxiously await the necessary tribal consent for his adoption to take place During this time Walker has a vision in which he sees himself entrusted with the responsibility of getting an urgent message to his people He is to tell them that they will not become a great nation until they lay down the false traditions of their fathers and take up the true traditions of the ancient ones As Walker prepares mentally and spiritually for his mission and for the long awaited adoption he is unaware of the forces working against him and his family to prevent the adoption When Walker finds out who is responsible he puts together a diabolical plan to get revenge With a hate filled heart and his vision all but forgotten he executes his plan and his life spirals out of control When Walker discovers he is dying he knows he has reached the point of no return He is grief stricken as he realizes that he has failed not only God but his beloved family and his people He is afraid there is no hope for him either in this life or in the next so he goes to live alone on a mesa to pray for forgiveness and to await his impending death Can Walker ever be forgiven for what he has done Will Walker s urgent message to his people ever be delivered America's Munitions 1917-1918 United States. War Department,Benedict Crowell,2023-10-27 In America s Munitions 1917 1918 readers are presented with a detailed and comprehensive exploration of the United States logistical and manufacturing efforts during World War I The collection meticulously documents the transition of American industry from peacetime to a wartime economy showcasing a remarkable array of literary styles from reports and letters to technical descriptions which together illuminate the significant and complex contribution of the United States to the Allied victory The anthology stands out for its thorough examination of both

the technological innovations and the bureaucratic challenges faced shedding light on an often overlooked aspect of military history The contributions of the United States War Department under the stewardship of Assistant Secretary of War Benedict Crowell reveals an intricate tapestry of collaboration between government officials industry leaders and military personnel This collection aligns with historical narratives on World War I but delves deeper into the logistical marvels and the strategic planning that powered the American war effort thereby offering a unique lens through which to view the conflict The diverse backgrounds of the contributors ranging from military strategists to industrial magnates collectively enhance the anthology's exploration of America's wartime mobilization and its repercussions This anthology is recommended for anyone interested in the intricacies of war logistics the history of technological innovation in warfare or the broader socio-economic impact of World War I on the United States It provides readers with a unique opportunity to delve into the depths of America's industrial and military prowess during a pivotal moment in world history Through its comprehensive coverage and diverse perspectives *America's Munitions 1917-1918* fosters a deeper understanding of the war and its aftermath making it an invaluable resource for both scholars and enthusiasts of military history

*Armchair Warriors* Joel R. Davidson, 2008-10-01 This book is a history of public information and personal ideas specifically ideas about war and the military over the last century It examines the interplay between popular media coverage of the nation's wars and the perceptions of ordinary Americans regarding military issues *Armchair Warriors* begins with the premise that the press provided most Americans with their primary source of insight into the practical military problems confronting the United States In a nation where military service was the exception rather than the rule the public relied on news outlets to make sense of what war really was Such articles and editorials not only celebrated the country's successes in war but also attempted to explain its setbacks as well as the perils and opportunities that lay ahead The American people responded to this abundance of information by taking an active role in the intellectual aspects of the nation's military effort Often encouraged by various media sources ordinary citizens produced a wealth of proposals aimed at solving particular tactical or strategic conundrums These armchair warriors often sidestepped the press and sought to bring their ideas directly before those entrusted with directing U.S. armed forces Together the media accounts of military issues and the practical minded suggestions from the masses constitute a heretofore unexamined national dialogue about one of the most important aspects of U.S. history

*America's Munitions 1917-1918* United States. War Department, 1919      *The Rifle in America* Philip Burdette Sharpe, 1958      *America's War for Humanity Related in Story and Picture*, 1898      ***Seventh Regiment Gazette***, 1906
