The Lamb Of God The Theme Eternal:

The Lamb of God Willard S. Hall, 1974-06-01 *Bride of the Lamb* Sergej Nikolaevič Bulgakov, Sergius Bulgakov, 2002-02-14 Sergius Bulgakov is thought by many to be the twentieth century's foremost Russian Orthodox theologian. The *Bride of the Lamb* is widely regarded as Bulgakov's magnum opus and even more as one of the greatest works ever produced in the modern Orthodox church. This book is now available for the first time in English complete with an introduction to Bulgakov and his theological context. For readers new to Russian religious thought, *The Bride of the Lamb* presents a fresh approach to Christian doctrine. Bulgakov examines issues of ecclesiology and eschatology from a sophiological perspective. This distinctive Russian approach based on the doctrine of Sophia, the wisdom of God, sees the Creator and creation intimately linked as Divine humanity. *The Bride of the Lamb* explores the nature of created beings, the relationship between God and the world, the role of the church, and such eschatological themes as the second coming of Jesus, resurrection and judgment, and the afterlife. The New Selection of Hymns for the Use of Baptist Congregations: Enlarged by the Addition of Such of Dr. Watts's Psalms and Hymns as are ... Generally Used, Etc, 1865 **Nurture in Time and Eternity** Robert Cummings Neville, 2016-07-04 The dimension of eternity has been lost from much contemporary religious consciousness. Liberals tend to focus on action within time as do conservatives who see history as a battleground for a war of good against evil. Spiritual life, however, also requires nurturing a sense of eternity within time. These sermons from Marsh Chapel at Boston University follow the lectionary in highlighting the places of temporal life within eternity and the places eternity is found in temporal life. The liturgical year is employed as the venue for articulating a comprehensive theology on the themes of the temporal and eternal aspects of Christian nurture.

Violence to Eternity Grace Jantzen, Grace M. Jantzen, Grace Jantzen continues her groundbreaking analysis of death and beauty in Western thought by examining the religious roots of death and violence in the Jewish and Christian traditions which underlie contemporary values. **Psalms, Hymns, and Passages of Scripture for Christian Worship. (Compiled by the Congregational Ministers of Leeds.)**, 1853 *Hymns on Various Passages of Scripture* Thomas Kelly, 1853 **A Walk Through Eternity** Bill W. Belter, 2011-05-18 A Walk through Eternity was created to lead you to put your faith in Jesus Christ for the salvation of your soul. This book will help you understand what God's purposes are for mankind. It presents a case for Creationism, gives an overview of the Old and New Testaments, and explains the signs of the Second Coming of Jesus Christ. *Evening hours*, ed. by E.H. Bickersteth Edward Henry Bickersteth (bp. of Exeter), 1872 The Congregational Psalmist Hymnal Henry Allon, Henry John Gauntlett, William Henry Monk, 1886 Psalms, Hymns, and Passages of Scripture, for Christian Worship. (Compiled by the Congregational Ministers of Leeds [i.e. H. R. Reynolds and Others].) Appendix. Compiled by G. W. Conder, 1875 *The Life of Apostle John* Elder Willie Foster, 2025-03-31 Discover the profound journey of one of Christianity's most influential figures in *The Life of Apostle John: A Journey of Faith and Revelation*. This compelling

book delves into the rich tapestry of John's life from his humble beginnings and call to discipleship to his intimate relationship with Christ and his pivotal role in the early church. Elder Willie Foster meticulously tracks John's background and early life, offering deep insights into his teachings and ministry. Explore John's perspective on Christ's teachings, his significant contributions through his gospel epistles and the Book of Revelation, and the impactful events of his life, including the martyrdom of his fellow apostles and his exile on Patmos. This book is a rich source of theological insights and practical lessons for today's believers, one that emphasizes the importance of Revelation and provides dialogues on discipleship that resonate with contemporary Christian life. The author's engaging narrative and scholarly approach make this book a must-read for anyone seeking to deepen their faith and understanding of Scripture. *Psalms, Hymns and Passages of Scripture for Christian Worship. Letter to Rev. W. Harris [on the subject of eternal salvation, etc.]. John GOULD (of Dumbarton, U.S.),1835 The Eternal Purpose of God John William Hoggan,1888 Eternity Now Peter Hiatt,2003-08-14 Pastor Peter Hiatt hopes to reclaim the wonderful book of Revelation to show that it is not only about seven little churches in ancient Asia Minor or weird creatures and cataclysmic geothermal events in the distant future; it is about you NOW and Jesus NOW and the Kingdom come NOW. **How to Get to HEAVEN Someday, Forever** George C Villanueva,2018-02-01 So when you absolutely positively want to be with God in Heaven someday forever, then this book is for you. Oozing with solid evidences and compelling facts to support saving faith, it will help you wisely make the greatest decision now so you can surely get the greatest gift of your life: Someday Heaven Forever. **The Trinitarian Wisdom of God: Louis Bouyer's Theology of the God-World Relationship** Keith Lemna,2022-12-16 Christian theology in recent decades has seen an explosion in the number of books published seeking a renewal of Trinitarian ontology. There has also been a proliferation of studies dedicated to the theology of Wisdom. Few, if any, of these books on the Trinity or on Wisdom have drawn for inspiration on the comprehensive vision of French Oratorian priest Louis Bouyer (1913-2004), one of the greatest theologians of the modern age. Bouyer produced a comprehensive work of theology that integrated these two seminal concerns based on a vast re-sourcing of the Christian tradition. Dr. Keith Lemna explores Bouyer's achievement in depth, showing that at the heart of his venture was a deep contemplative penetration into God's mediation to the world, his creation, sustenance, and redemption of creation. In the Wisdom of the Eternal Son, Bouyer is a decisive resource for theologians wanting to develop the Christian understanding of the Trinity and creation based on tradition but in dialogue with modern cosmological thought. **The Trinitarian Wisdom of God: Louis Bouyer's Theology of the God-World Relationship** gets to the heart of Louis Bouyer's theology of the God-World relationship more deeply than any other has done before. In doing so, Lemna recovers a great theologian at his best. **Constructing a Mediating Theology** J. D. Kim,2022-11-16 How does an almighty and all-loving God respond to his beloved human creatures who are made in his image and yet implicated in sin and suffering? What is the

origin of human suffering Is it sin or the limitations of human beings Is God moved by our suffering If he sympathizes and co suffers with us can he deliver us out of our miseries Thousands and perhaps millions of people have asked these questions and are searching desperately for their answers Two major views have been advanced in the history of Christian theology to describe God s response to the suffering of the world divine impassibility and divine passibility More recently a third mediating position between impassibilism and passibilism has arisen which affirms both the impassibility and the passibility of God This position can be identified as modified classical theism an approach that grasps the perfect and relational nature of God Following this mediating position this book sets out its own constructive understanding of a mediating position with the help of a new way of understanding the way in which the eternal actions and corresponding passions of the divine persons condition one another the dynamic reciprocity model
