Peace and Reconciliation Pauline Kollontai, 2016-05-13. Establishing a shared identity is an important part of any process of peace and reconciliation. This book discusses issues and theories of identity formation that can be implemented for peace and reconciliation from the perspectives of theology and religious studies whilst interacting with politics, socio-cultural studies and economics. By focusing on the theme of peace and reconciliation and employing an interdisciplinary approach this volume will make a significant contribution to the discussion of the situation of the Korean peninsula and wider global contexts. The volume explores theoretical issues such as political and economic implications of reconciliation, interfaith and biblical perspectives and the role of religion in peace making. Furthermore the contributors examine practical implications of the theme in the contexts of Germany, Northern Ireland, South Africa, India, East Asia, Bosnia Herzegovina and the Korean peninsula. The book offers invaluable insights for policy makers, academics and lay leaders besides being an important tool for researchers and students of theology, religion, sociology, politics and history.

Becoming a Grand Champion Church Dale Heinold,2012-03 There are many ideas about how to increase the size of a church But what if our vision is upside down What if God s desire is that we focus on being a quality church instead of simply a large church The Bible envisions the church as a spotless bride a vision of quality Today s church seems far from God s vision of perfection but that does not change the goals God has for His flock Using Psalm 23 as a blueprint *Becoming a Grand Champion Church* explores how Christ is shepherding His church toward maturity A gap exists between this age s knowledge of sheep and shepherding that makes it difficult to grasp the fullness of Christ s shepherding work in the church The author seeks to fill that gap with homespun remembrances of raising sheep to be shown at the county fair He then ties the shepherd s duties with practical suggestions of how the whole body can work alongside the Good Shepherd toward Christ s vision for His bride The result of following God s plan is a Grand Champion Church that reflects the qualities of Christ to the world
