A. Shimray,2007 **Progress and Its Impact on the Nagas** Tezenlo Thong,2016-03-23 The term progress is a modern Western notion that life is always improving and advancing toward an ideal state It is a vital modern concept which underlies geographic explorations and scientific and technological inventions as well as the desire to harness nature in order to increase human beings ease and comfort With the advent of Western colonization and to the great detriment of the colonized the notion of progress began to perniciously and pervasively permeate across cultures This book details the impact of the notion of progress on the Nagas and their culture The interaction between the Nagas and the West beginning with British military conquest and followed by American missionary intrusion has resulted in the gradual demise of Naga culture It is almost a cliché to assert that since the colonial contact the long evolved Naga traditional values are being replaced by Western values Consequences are still being felt in the lack of sense of direction and confusion among the Nagas today Just like other Indigenous Peoples whose history is characterized by traumatic cultural turmoil because of colonial interference the Nagas have long been engaged in self shame self negation and self sabotage **The Ao Nagas** James Philip Mills,1926 *Nagaland : The Land of Sunshine* Kiranshankar Maitra,2011-09-15 Nagaland The Land of Sunshine Kiranshankar Maitra There are perhaps many a books written on Nagaland but Nagaland The land of Sunshine is not just yet another addition to that list This particular volume presents a comprehensive picture of present day Nagaland with its historical description and

Extremism in North East India Bimal J. Deb,2015-01-01 Over the years North East India remained the hotbed of militant extremism largely attributable to identity politics seeking to institutionalise political aspirations of various ethnic communities The emergence of educated middle class and a growing sense of alienation of the people from mainstream India has also had the effect of triggering growth of militant organizations adding substantially to political dynamics of the region The proliferation of rebel groups coincided with the exclusion of economic issues and instruments in the ongoing peace process which has so far failed to address the core issues In fact the security dimensions of extremism often overshadowed development concerns of this resource rich region The book attempts to analyse the
