

The Landing at Veracruz: 1914

This dramatic black and white photo shows just a little more than fifty years ago. There seemed little reason when we captured that enormous battleship that almost no enemy in the world, it was a masterpiece, modern, splendid, all but forgotten now except by those who will never forget that it, and captured by the men of the Tenth Cavalry. United States history records no more magnificent, yet exciting encounter than this first complete blockade of the capture of Veracruz, Mexico, by the U.S. Navy in April, 1914—and of the manner in which it unfolded.

The Landing At Veracruz 1914

David J. Bettez

The Landing At Veracruz 1914:

The Landing at Veracruz: 1914 Jack Sweetman, 1968 The relations between the U S and Mexico had begun to deteriorate during the revolutionary turmoil which followed the overthrow of the Diaz regime in May 1911 The tension increased when General Victoriano Huerta emerged as provisional president of Mexico in a manner which aroused the righteous wrath of President Woodrow Wilson While Wilson did not want war he longed for an incident which could be used to the discredit of Huerta Eventually such an incident occurred in 1914 Woodrow s response to situation resulted in the ordering of the Atlantic Fleet to seize the Customs House at Veracruz an action unexpectedly resulting in a lively little battle and the loss of many lives

The Landing at Veracruz Jack Sweetman, 1968 **The Landing at Veracruz** Jack Sweetman, 1987-03-01 The Banana Wars Lester D. Langley, 2002 The Banana Wars United States Intervention in the Caribbean 1898 1934 offers a sweeping panorama of America s tropical empire in the age spanned by the two Roosevelts and a detailed narrative of U S military intervention in the Caribbean and Mexico In this new edition Professor Langley provides an updated introduction placing the scholarship in current historical context From the perspective of the Americans involved the empire carved out by the banana warriors was a domain of bickering Latin American politicians warring tropical countries and lawless societies that the American military had been dispatched to police and tutor Beginning with the Cuban experience Langley examines the motives and consequences of two military occupations and the impact of those interventions on a professedly antimilitaristic American government and on its colonial agents in the Caribbean the American military The result of the Cuban experience Langley argues was reinforcement of the view that the American people did not readily accept prolonged military occupation of Caribbean countries In Nicaragua and Mexico from 1909 to 1915 where economic and diplomatic pressures failed to bring the results desired in Washington the American military became the political arbiters in Hispaniola bluejackets and marines took on the task of civilizing the tropics In the late 1920s with an imperial force largely of marines the American military waged its last banana war in Nicaragua against a guerrilla leader named Augusto C Sandino Langley not only narrates the history of America s tropical empire but fleshes out the personalities of this imperial era including Leonard Wood and Fred Funston U S Army who left their mark on Cuba and Vera Cruz William F Fullam and William Banks Caperton U S Navy who carried out their missions imbued with old school beliefs about their role as policemen in disorderly places Smedley Butler and L W T Waller Sr U S M C who left the most lasting imprint of A

Kentucky Marine David J. Bettez, 2014-03-18 Follows the changes in the Marine Corps from its role as colonial infantry to amphibious assault force us ing the career of Maj Gen Logan Feland Allan R Millett author of *Semper Fidelis* Winner of the Marine Corps Heritage Foundation s Colonel Joseph Alexander Award A native of Hopkinsville Kentucky Major General Logan Feland 1869 1936 played a major role in the development of the modern Marine Corps Highly decorated for his heroic actions during the battle of Belleau Wood in World War I Feland led the hunt for rebel leader Augusto C sar Sandino during

the Nicaraguan revolution from 1927 to 1929 an operation that helped to establish the Marines reputation in guerrilla warfare and search and capture missions Yet despite rising to become one of the USMC s most highly ranked and regarded officers Feland has been largely ignored in the historical record In Kentucky Marine David J Bettez uncovers the forgotten story of this influential soldier of the sea During Feland s tenure as an officer the Corps expanded exponentially in power and prestige Not only did his command in Nicaragua set the stage for similar twenty first century operations in Iraq and Afghanistan but Feland was one of the first instructors in the USMC s Advanced Base Force which served as the forerunner of the amphibious assault force mission the Marines adopted in World War II Kentucky Marine also illuminates Feland s private life including his marriage to successful soprano singer and socialite Katherine Cordner Feland and details his disappointment at being twice passed over for the position of commandant Drawing from personal letters contemporary news articles official communications and confidential correspondence this long overdue biography fills a significant gap in twentieth century American military history

The War of 1898, and U.S. Interventions, 1898-1934 Benjamin R. Beede,1994 A fascinating encyclopedic survey of the Spanish Cuban American War the Philippine War and the small wars between 1899 and the end of the occupation of Haiti in 1934 The name changes themselves are instructive The usage of Spanish American War ignores the fact that the war in Cuba had been largely won by the Cuban revolutionaries before US intervention hence the new title Spanish Cuban American War The use of Philippine Insurrection is replaced by Philippine War since the Philippine forces had taken much of the islands from Spain before US ground forces arrived And guerillas or revolutionaries have replaced bandits the term used by the US to discredit oppositional forces Annotation copyright by Book News Inc Portland OR

The Small Wars of the United States, 1899-2009 Benjamin R. Beede,2012-08-06 The Small Wars of the United States 1899 2009 is the complete bibliography of works on US military intervention and irregular warfare around the world as well as efforts to quell insurgencies on behalf of American allies The text covers conflicts from 1898 to present with detailed annotations of selected sources In this second edition Benjamin R Beede revises his seminal work bringing it completely up to date including entries on the current conflicts in Iraq and Afghanistan An invaluable research tool The Small Wars of the United States 1899 2009 is a critical resource for students and scholars studying US military history

Historic Cities of the Americas David F. Marley,2005-09-12 With rare maps prints and photographs this unique volume explores the dramatic history of the Americas through the birth and development of the hemisphere s great cities Written by award winning author David F Marley Historic Cities of the Americas covers the hard to find information of these cities earliest years including the unique aspects of each region s economy and demography such as the growth of local mining trade or industry The chronological layout aided by the numerous maps and photographs reveals the exceptional changes relocations destruction and transformations these cities endured to become the metropolises they are today Historic Cities of the Americas provides over 70 extensively detailed entries covering the foundation and evolution of the most

significant urban areas in the western hemisphere Critically researched this work offers a rare look into the times prior to Christopher Columbus arrival in 1492 and explores the common difficulties overcome by these European conquered or founded cities as they flourished into some of the most influential locations in the world **Armed Bluejackets Ashore** Nelson H. Lawry, 2024-06-03 Among other major navies that of the United States put armed naval landing parties ashore during the nineteenth and early twentieth centuries Although done primarily to protect American interests they also safeguarded international communities against the savage hordes of uncivilized nations Specially designed light field guns carried aboard gunboats and larger warships sometimes supported the bluejackets and marines customarily when larger parties more likely to face sharp actions went ashore Most American naval landings of the nineteenth century took place in Africa Asia and Central and South America whereas the following century saw landings against larger and otherwise civilized nations such as Mexico and Russia The last of these landings were made in conjunction with the Allied assaults on North Africa in November 1942 The first purpose built landing guns the bronze Dahlgren muzzleloading smoothbore howitzers saw extensive deployment during the Civil War and postwar in Korea The US Navy's very first steel breechloading guns were landing pieces Five different marks of 3 inch breechloading guns and several guns of other calibers followed in successive decades serving for varying periods The history and characteristics of these landing guns are chronicled **General and the Jaguar** Eileen Welsome, 2009-02-28 Pulitzer Prize winner Welsome's gripping panoramic story reveals a vicious surprise attack on the United States and America's hunt for the perpetrator Pancho Villa *How the Few Became the Proud* Heather Venable, 2019-11-15 For more than half of its existence members of the Marine Corps largely self identified as soldiers It did not yet mean something distinct to be a Marine either to themselves or to the public at large As neither a land based organization like the Army nor an entirely sea based one like the Navy the Corps missions overlapped with both institutions This work argues that the Marine Corps could not and would not settle on a mission and therefore it turned to an image to ensure its institutional survival The process by which a maligned group of nineteenth century naval policemen began to consider themselves to be elite warriors benefited from the active engagement of Marine officers with the Corps historical record as justification for its very being Rather than look forward and actively seek out a mission that could secure their existence late nineteenth century Marines looked backward and embraced the past They began to justify their existence by invoking their institutional traditions their many martial engagements and their claim to be the nation's oldest and proudest military institution This led them to celebrate themselves as superior to soldiers and sailors Although there are countless works on this hallowed fighting force *How the Few Became the Proud* is the first to explore how the Marine Corps crafted such powerful myths *Murder and Intrigue on the Mexican Border* John A. Adams, 2018-06-13 In early 1914 Clemente Vergara discovered several of his horses missing and reported the theft to local authorities The Webb County sheriff arranged for the South Texas rancher to meet with Mexican soldiers near Hidalgo to discuss compensation for his loss

Vergara crossed the Rio Grande soon succumbed to a vicious physical assault and was jailed Days after incarceration in Hidalgo his body was found hanging from a tree The murder of Clemente Vergara contributed to events that put the United States and Mexico on the brink of war and opened the door for expanded American involvement in Mexico Texas governor Oscar B Colquitt seized upon the incident to challenge President Woodrow Wilson a fellow Democrat to intervene and even threatened retaliation by the Texas Rangers Meanwhile the White House played a larger strategic game with competing factions in the midst of the Mexican Revolution Wilson s apparent inaction heightened Colquitt s demands to guarantee the safety of Americans and their property in the Texas borderlands and the Vergara affair s extensive media coverage convinced many Americans that intervention in Mexico was necessary Author John A Adams Jr shows how an otherwise commonplace horse theft and murder revealed a tangled web of international relations powerful business interests and intrigue on both sides of the border Readers will be captivated by Murder and Intrigue on the Mexican Border and the continuing legacy that border events leave on Texas history

Mexico Don M. Coerver, Suzanne B. Pasztor, Robert Buffington, 2004-09-22 A concise overview of 20th and 21st century Mexico this volume explores the political economic social and cultural history of the world s largest Spanish speaking country From NAFTA to narcotics from immigration to energy the ties that bind our nation and Mexico are varied and strong Mexico uncovers the real Mexico that lies behind the stereotypes of tacos tequila and tourist hotels Compiled by leading scholars of Mexican history and society its more than 150 entries examine the nation in all its fascinating contradictions and complexity This concise yet thorough study covering the last 100 years of Mexican history is the only one volume A Z reference work available to students scholars and readers curious about one of the world s most diverse and dynamic societies What was the Mexican Revolution all about Who are the Zapatistas And why do Mexicans celebrate Cinco de Mayo Mexicans are America s largest immigrant group and Mexico is America s favorite tourist destination Yet we need to learn more and understand better our fascinating neighbor to the south Mexico comprehensive and accessible is the best place to start

The DTIC Review ,1995-08

United States Naval History United States. Navy Department. Library, 1972

Tex[t]-Mex William Anthony Nericcio, 2007 Marvels Rompecabezas And cartoons that bite into the mind appear throughout this long awaited book that promises to reshape and refocus how we see Mexicans in the Americas and how we are taught and seduced to mis understand our human potentials for solidarity This is the closest Latin studies has come to a revolutionary vision of how American culture works through its image machines a vision that cuts through to the roots of the U S propaganda archive on Mexican Tex Mex Latino Chicano a humanity Nericcio exposes deciphers historicizes and cuts up the postcards movies captions poems and adverts that plaster dehumanization he calls them miscegenated semantic oddities through our brains For him understanding the sweet and sour hallucinations is not enough He wants the flashing waters of our critical education to become instruments of restoration In this book Walter Benjamin meets Italo Calvino and they morph into Nericcio Orale Dav d Carrasco Harvard University A rogues gallery of

Mexican bandits bombshells lotharios and thieves saturates American popular culture Remember Speedy Gonzalez Mexican Spitfire Lupe V lez The Frito Bandito Familiar and reassuring at least to Anglos these Mexican stereotypes are not a people but a text a carefully woven articulated and consumer ready commodity In this original provocative and highly entertaining book William Anthony Nericcio deconstructs Tex t Mexicans in films television advertising comic books toys literature and even critical theory revealing them to be less flesh and blood than seductive hallucinations less reality than consumer products a kind of digital crack Nericcio engages in close readings of rogue icons Rita Hayworth Speedy Gonzalez Lupe V lez and Frida Kahlo as well as Orson Welles film Touch of Evil and the comic artistry of Gilbert Hernandez He playfully yet devastatingly discloses how American cultural creators have invented and used these and other Tex t Mexicans since the Mexican Revolution of 1910 thereby exposing the stereotypes agendas phobias and intellectual deceits that drive American popular culture This sophisticated innovative history of celebrity Latina o mannequins in the American marketplace takes a quantum leap toward a constructive and deconstructive next generation figuration adoration of Latinos in America

Dying by the Sword Monica Duffy Toft, Sidita Kushi, 2023 Tracing the entire history of American foreign policy Dying by the Sword focuses on how the US came to prioritize the use of military tools over other tools of statecraft including diplomacy and economic policy It demonstrates that since the end of the Cold War the US has dramatically increased its use of force abroad despite fewer international threats The US s hyper militaristic foreign policy which the authors term kinetic diplomacy threatens to undermine not just America s leadership role its credibility and its domestic policy priorities but more broadly international peace and security

Historical Dictionary of the United States Navy James M. Morris, Patricia M. Kearns, 2011-04-01 The United States Navy has evolved in the last century and a half from humble and often frustrating beginnings during and after the Revolutionary War to become the strongest navy in the world with responsibilities that span the globe The story of the Navy from its birth through the Civil War and other 19th century conflicts through its victories of World War I and World War II and down to the current efforts in the Middle East to maintain the peace not only for the United States but also for other nations as the world s primary peace keeper has been one of responding to the call of duty as captured by its unofficial motto Non sibi sed patriae Not self but country No other nation s navy past or present can match its successes and history The second edition of Historical Dictionary of the United States Navy covers U S Naval developments personnel and engagements from the colonial times to the present day This is done through a chronology an introductory essay an extensive bibliography and over 600 cross referenced dictionary entries on people places events and other terminology of the Navy This book is an excellent access point for students researchers and anyone wanting to know more about the United States Navy

The Oxford Handbook of Economic Imperialism Zak Cope, Immanuel Ness, 2022 Including thirty four chapters written by academics and experts in the field of international political economy The Oxford Handbook of Economic Imperialism examines the history of economic imperialism from the early modern age to the present

The Handbook demonstrates the persistence of economic imperialism in today's postcolonial world and the enduring control wielded by great powers even after the end of formal empire. Moreover, the Handbook reveals how emerging powers are expanding economic control in new geographic and geopolitical contexts and highlights the significance of economic imperialism in the structures, relations, processes, and ideas that sustain poverty and conflict worldwide. *United States Naval History*. United States. Department of the Navy. Library, 1972.
