## **The Language Of Canaan And The Grammar Of Feminism:**

The Language of Canaan and the Grammar of Feminism Vernard Eller, 1982      **The Maleness of Jesus** Neil H. Williams, 2011-01-01 At the center of Christianity is Jesus of Nazareth whose maleness is used by many to justify the subordination of women and to emphasize that men rather than women better represent Jesus This raises a number of questions that are the subject of this book What is the significance of Jesus maleness Does it reveal the character of God Is it foundational for the gospel Is Jesus maleness associated with an ongoing created order of male priority Our answers will affect Christianity s task of love justice and reconciliation in a world that is characterized by the global marginalization oppression and abuse of women      *The Politics of Prayer* Helen Hull Hitchcock, 1992 Distinguished Catholic and Jewish scholars theologians and linguists offer important insights into the functions of language as well as penetrating analyses of the feminists influence on Scripture and worship      *Donald G. Bloesch* Paul Maher, 2007 Donald G Bloesch is among the most important American theologians of the 20th and early 21st centuries He calls himself a catholic evangelical and indeed his appeal is as wide as those terms imply His work has appeared in Catholic religious periodicals as well as many varieties of Protestant publications both mainstream and lesser known As a prolific author Bloesch s writing is scattered across a large number of journals many of which are difficult to access and reviews of his work appear in an even larger range of forums Donald G Bloesch A Research Bibliography collocates as many relevant resources on Bloesch s writing as possible The book provides a chronological listing and description of each work written by Bloesch as well as reviews of Bloesch s writing Each entry gives the title publication details and notes about the relationship of the item described to other publications Several indexes are also included giving a checklist of books by Bloesch a checklist of books to which Bloesch has contributed and a list of book reviews that Bloesch has written about other authors Finally there is an alphabetical index of titles names and periodicals cited in the bibliography making this the most comprehensive resource available on Bloesch      *The Divine Feminine* Virginia Ramey Mollenkott, 2014-01-01 Endorsements A calm well balanced carefully prepared book Excellent for adult Bible discussion groups for occasional sermons for suggesting ways of inclusive language This book teaches and directs without antagonizing The Bible Today A persuasive book useful for personal reflection and group discussion and ideal for gift giving Daughters of Sarah This is no dry erudite volume It rubs salve in personal wounds inflicted by centuries of biblical misreading Sojourners The book reflects careful research it is written in a style that will appeal to those interested in the implications of biblical research but without the time or inclination to follow the involved discussions of biblical scholarship National Catholic Reporter      **Evangelical Dictionary of Theology** Daniel J. Treier, Walter A. Elwell, 2017-11-07 This bestselling reference tool has been a trusted resource for more than 25 years with over 165 000 copies sold Now thoroughly updated and substantially revised to meet the needs of today s students and classrooms it offers cutting edge overviews of key theological topics Readable and reliable this work features new articles on topics of contemporary relevance to world

Christianity and freshened articles on enduring theological subjects providing comprehensive A Z coverage for today's theology students The author base reflects the increasing diversity of evangelical scholars Advisory editors include D Jeffrey Bingham Cheryl Bridges Johns John G Stackhouse Jr Tite Ti nou and Kevin J Vanhoozer **Speaking the Christian God** Alvin F. Kimel, 1992 A collection of essays written by a wide diversity of scholars including Thomas F Torrance Geoffrey Wainwright Elizabeth Achtemeier Colin Gunton and Robert W Jenson that discuss and critically analyze the crucial theological issues at stake in the feminist theological agenda The first volume of its kind to offer an orthodox critical response to the proposals of contemporary feminist theology THE YOUNG CHRISTIAN'S SURVIVAL GUIDE Donald T. Williams, 2019-07-19 Some of the questions asked and answered in THE YOUNG CHRISTIAN'S SURVIVAL GUIDE are You claim the Bible is inspired because it says it is right 2 Tim 3 16 Isn't that circular reasoning You claim the Bible was inspired but there was no inspired list of which books that is true of So how can we know which ones to trust With so many different copies of manuscripts that have 400 000 variants errors how can we even know what the Bible says Why can't the people who wrote the four Gospels get their story straight Didn't the Council of Nicaea just arbitrarily pick the books for the Bible that they agreed with and suppress all the rest with political power People used to believe in miracles because they didn't understand science Don't we know better than that now That a man rose from the dead takes a lot of believing How could you ever have enough evidence for a belief like that Science has proved that human beings evolved over millions of years rather than being created in six days Why are you still clinging to ancient myths Just because the Bible is true for you why does that make it true for me How can you base your modern life on a book that was written for a primitive culture Doesn't the Bible support genocide Doesn't the Bible support racism Doesn't the Bible support slavery Doesn't the Bible support homophobia Doesn't the Bible support the oppression and abuse of women There are so many religions all sincerely seeking the same goal What makes you Christians so arrogant that you think yours is the only way What about those who have never heard the Gospel If God is a God of love why did he let my loved one die How can it be just for God to impose an infinite punishment Hell forever for finite sins These questions will be asked and answered with reasonable rational Scriptural answers *Liberating Tradition* Kristina LaCelle-Peterson, 2008-04 Offers a clear perspective on the issues Christian women face in the twenty first century and shows how the Bible is a liberating and enriching book for women *The Battle for the Trinity* Donald G. Bloesch, 2001-07-11 In The Battle for the Trinity Dr Bloesch tackles the controversial issues surrounding the questions of God language and their potential as one of the most divisive issues facing the church in the twentieth century Should God be addressed as Father Mother or Parent should Jesus be referred to primarily as the Son of God or the Child of God did God really reveal himself definitively in the person of his Son Jesus Christ Bloesch contends that how we speak about God embodies the very core of Christianity and how we ultimately understand the biblical and historical meaning of the Trinity itself The debates surrounding the Doctrine of God are many and Bloesch urges the church to respond to the concerns

of women that the sacred carries both masculine and feminine dimensions Bloesch emphasizes that the God of the Bible is not described in masculine terms exclusively and we err in our failure to recognize it If Christianity is to remain genuinely Christian these controversial issues must be dealt with in such a manner that will preserve the full historical and biblical understanding of the Trinity *Trinity and Revelation* Veli-Matti Karkkainen, 2014-04-19 In this book Pentecostal theologian Veli Matti Karkkainen develops a constructive theology of triune revelation and the triune God in dialogue with Christian tradition with contemporary theology in its global and contextual diversity and with other major living faiths Karkkainen's Constructive Christian Theology for the Pluralistic World is a five volume project that aims to develop a new approach to and method of doing Christian theology in a pluralistic world at the beginning of the third millennium With the metaphor of hospitality serving as the framework for his discussion Karkkainen engages Judaism Islam Buddhism and Hinduism in sympathetic and critical mutual dialogue while remaining robustly Christian in his convictions Never before has a fullscale doctrinal theology been attempted in such a wide and deep dialogical mode **Women in the Biblical World** Mayer I. Gruber, 1995-11-14 Women's history has emerged as an independent discipline because women have been written out of the history of Western civilization as commonly taught and researched Likewise feminist interpretation of the Bible often called feminist hermeneutics grew out of the realization that conscious and unconscious sexism had often led scholars and students to ignore and even obscure the substantial role of women and womanhood in Hebrew Scripture Women in the Biblical World provides scholars clergy seminarians college students and others with access to books and articles both technical and semi popular that shed light on the role of women in Hebrew Scripture The guide demonstrates that the study of women and womanhood in the biblical world has assumed special importance during the two great periods of struggle for women's rights the 1890s and the last quarter of the 20th century However this guide also demonstrates that the public role of women and womanhood in the ancient Near East was so great that scholarship has never been able to ignore it *Portraits of God* Allan Coppedge, 2009-09-20 What is God like Answering this is the great quest of human existence Because God is so different from us we struggle to describe him While doctrinal statements about God certainly have their place in Christian understanding the Bible more often uses God's actions and roles to help us know him better Indeed some of the most helpful insights in Scripture arise when God is compared to something else a rock an eagle or a tower And many human metaphors metaphors taken from the world of actions and relationships bring us even closer to understanding of God In Portraits of God Allan Coppedge suggests we look carefully at God as our Father Redeemer King Judge Priest and Creator These portraits taken together give us an understanding of the Holy One for which no single category is adequate These images work their way through the whole of Scripture They are the doorway allowing us into the mysteries of God's very being In Portraits of God Coppedge offers a comprehensive survey picturing a God who wants to be known personally and who has profoundly communicated himself Coppedge finds the inexhaustible nature of God to be one of holiness reflected in and best described

by the language of diverse roles Approaching God in this way transforms us as churches and individuals to reflect God's own holy character This is a book for students pastors and churchgoers alike Anyone desiring to know more deeply and wholly the Christian God revealed in the Bible will find in Portraits of God a treasure of scholarship and truth Military Chaplains' Review, 1983 Evangelical Dictionary of Theology Walter A. Elwell, 2001-05 This thoroughly updated edition of a standard reference tool covers systematic historical and philosophical theology as well as theological ethics Beyond the Bounds John Piper, Justin Taylor, Paul Kjoss Helseth, 2003-01-30 Everyone who believes in God at all believes that He knows what you and I are going to do tomorrow C S Lewis This understanding of God's foreknowledge has united the church for twenty centuries But advocates of open theism are presenting a different vision of God and a different view of the future The rise of open theism within evangelicalism has raised a host of questions Was classical theism decisively tainted by Greek philosophy How should we understand passages that tell us that God repents Are essentials of biblical Christianity like the inerrancy of Scripture the trustworthiness of God and the Gospel of Christ at stake in this debate Where when and why should we draw new boundaries and is open theism beyond them Beyond the Bounds brings together a respected team of scholars to examine the latest literature address these questions and give guidance to the church in this time of controversy Contributors include John Piper Wayne Grudem Michael S Horton Bruce A Ware Mark R Talbot A B Caneday Stephen J Wellum Justin Taylor Paul Kjoss Helseth Chad Brand William C Davis Russell Fuller We have prepared this book to address the issue of boundaries and we pray bring some remedy to the present and impending pain of embracing open theism as a legitimate Christian vision of God As a pastor who longs to be biblical and God centered and Christ exalting and eternally helpful to my people I see open theism as theologically ruinous dishonoring to God belittling to Christ and pastorally hurtful My prayer is that Christian leaders will come to see it this way and thus love the church by counting open theism beyond the bounds of orthodox Christian teaching From the Foreword by John Piper **Man, Woman and Priesthood** Graham Leonard, 1989

**Emotional Wholeness** Dick Mohline, Jane Mohline, 1997 What are healthy emotions and how do we tap into them In this book you'll discover how Jesus models godliness personality and proper relationships through His many healthy appropriate emotions Learn how to connect with the emotions of Jesus and experience emotional wholeness *Old Testament Theology in a Canonical Context* Brevard S.
