# The Last Beautiful Days Of Autumn

**John Treadwell Nichols**

## **The Last Beautiful Days Of Autumn:**

**The Last Beautiful Days of Autumn** John Treadwell Nichols, 2000 The second and center piece in a trilogy of memoirs that John Nichols wrote about his first fifteen years in Taos New Mexico **John Nichols** John Treadwell Nichols, 1982 Located in Southwest Collection **An Autumn Remembered** Gary T. King, 2006 In 1956 a group of young men sons of the Great Depression were now student athletes in every sense of the phrase Their young coach was on the verge of an unprecedented winning streak and Bud Wilkinson's 56 Sooners formed the touchstone of the University of Oklahoma's football dynasty This team was the heart and soul of OU's record 47 straight victories **An Autumn Remembered** traces the details of the remarkable 56 season and follows the team into the present through revealing interviews with the principal players In this stirring account Gary T King brings to life a journey filled with memories triumph and glory an autumn truly to be remembered and an experience not to be missed **A Ghost in the Music** John Nichols, 1996-11-17 At forty eight Bart Darling is about to perform a movie stunt that will in all likelihood kill him Lorraine his hillbilly girlfriend who is carrying his child gives him an ultimatum call it off or she'll split Bart summons his emotionally distant twenty nine year old son Marcel from New York to help him hold on to Lorraine But Marcel finds himself falling for Lorraine even as he sorts out his ambiguous feelings for Bart ***Going Away to Think*** Scott Slovic, 2016-10-01 Scott Slovic has spent his life as a teacher writer environmental activist and leader in the field of ecocritical literary studies In *Going Away to Think* he reflects on the twin motivations of his life the commitment to do some good in the world and the impulse to enjoy life and participate fully in its most intense moments and he examines the tension created by his efforts to balance these two poles of his responsibility These essays reveal the complex inner life of one of this generation's most important environmental critics and literary activists They range from profound discussions of the role and responsibilities of scholarship to deeply personal ruminations on the impact of family crises and the influence of his wide ranging travels **The Nirvana Blues** John Nichols, 2013-12-10 This final volume in John Nichols's acclaimed New Mexico trilogy Gentle funny transcendent New York Times Book Review Like its predecessors *The Nirvana Blues* is a lusty visionary novel that blends comedy and tragedy reality and fantasy tenderness and bite to illuminate some very troubling truths about America truths no less pointed and accurate today than they were decades ago The seventies are over All across America the overgrown kids of the middle class are getting their acts together and getting older The once tight Chicano community of Chamisaville is long gone and the Anglo power brokers control almost everything Joe Miniver faithful husband loving father and all around good guy is about to sink roots To buy the land he wants he dreams up a coke scam that will net him the necessary bread Joe is also about to embark on a series of erotic adventures with three headstrong women bringing him face to face with the terrors and absurdity of the modern man woman scene *The Nirvana Blues* is part of John Nichols's New Mexico trilogy which includes *The Milagro Beanfield War* and *The Magic Journey* **The Magic Journey** John Nichols, 2013-12-10 Spanning forty years the second book in John Nichols's

New Mexico trilogy The Magic Journey tells the tale of how relentless progress transformed a rural backwater into a boomtown Boom times came to the forgotten little southwestern town of Chamisaville just as the rest of America was in the Great Depression They came when a rattletrap bus loaded with stolen dynamite blew sky high leaving behind a giant gushing hot spring Within minutes the town s wheeler dealers had organized and within a year Chamisaville was flooded with tourists and pilgrims and the wheeler dealers were rich At first it was a magic time for Chamisaville almost as if every day were a holiday But the euphoria gradually dissipated and the land hungry developers speculators and interlopers moved in Finally the day came when Chamisaville s people found themselves all but displaced their children no longer heirs to their land or their tradition With mounting intensity The Magic Journey reaches a climax that is tragically foreordained A sensitive vital and honest chronicle of life in America s Southwest it is also an incisive commentary on what America has become on its road to progress The Magic Journey is part of John Nichols s New Mexico trilogy which includes The Milagro Beanfield War and The Nirvana Blues

*An Elegy for September* John Nichols,2014-04 A brief poignant and eloquent novel that renders an age old story in a fresh and powerful form An Elegy for September captures the turning point in the life of a man as he confronts his own mortality

**The Empanada Brotherhood** John Nichols,2022-06-24 An aspiring writing adrift in New York finds love and community at a corner empanada stand in this novel by the author of The Milagro Beanfield War It s Greenwich Village in the early 1960s when ex patriots artists and colorful bums are kings A tiny stand selling empanadas near the corner of Bleecker and MacDougal streets is the center of the action for the shy narrator an aspiring writer just out of college There he falls in with a crowd of kooky outcasts from Argentina who introduce him to their raucous adventures melodramatic dreams and women particularly a tough little flamenco dancer from Buenos Aires Charming and insightful this deceptively simple novel is a tale told by a master It is a wise coming of age story full of joy and touched by heartbreak that captures a special time and place with extraordinary empathy and humor

Transitions Austrian Association for American Studies. Conference,2006 This book is about transitions the manifold and dynamic process of change and exchange variety and variation difference and diversity migration and globalisation Contributions emphasize issues of race and ethnicity in the American cultural context look at class based gender oriented religious political historical social and cultural negotiations and question the meaningfulness of distinctions and boundaries in today s fast changing world Contributions include analyses of historical changes from Brown vs Board of Education to 9 11 examinations of cultural transitions from regional identity to migratory artists as well as explorations of literary adaptations ranging from Affrilachian poetry to cyberspace narrativity

*Headed Upstream* Jack Loeffler,2010

*Go Southwest, Old Man* Mario Materassi,2009 Go Southwest Old Man a sort of personal remake of Go West Young Man the founding episteme of the American nineteenth century conciliates these two souls well not to be pretentious let s simply say two sides that have actually always lived in harmony This is a book generated by a quarter of a century spent wandering around the canyons and deserts of Arizona Colorado Utah and above all New

Mexico with a view to penetrating the by now universal legend of the West approaching the cultures English Hispanic and native American and mastering the literature The slant is composite melding the scholarly with the informative and the travel journal and the writing is composite too because the book speaks English and Italian It talks about cinema lots of John Ford and about detective stories the most popular genre here about visual arts and Latino folklore about the legend of the West the so called Soul of the Southwest and the kitsch style of Santa Fe And it talks about and with some of the greatest writers that the Southwest has spawned Rudolfo Anaya Stanley Crawford John Nichols and Hillerman So what we have is a first hand experience of the Southwest where the ego is not entrenched within a precise disciplinary role but opens up and exposes itself to the thrilling risk of the discovery that can renew it *American Blood* John Nichols, 2014-04-01 Michael Smith survives the Vietnam war only to find himself angry and adrift in a United States at war with itself Though he cannot forget the pornographic atrocities he witnessed abroad it is the pervasive brutality of civilian life that threatens to destroy him until he lands in a tormented yet life saving relationship First published in 1987 and now available to a new generation of readers this disturbing novel foreshadows twenty first century headlines that feature assault rifles and mass murders *American Blood* is a timely and fiercely moral statement on violence and loss One of the most intense anti war books since *The Red Badge of Courage* Rocky Mountain News An auspicious literary event The America he describes the nation bathed in blood the people who keep loaded guns by their pillows are more real here than in the news yet it leaves us with wisdom and hope Ray Mungo San Francisco Chronicle **The Voice of the Butterfly** John Nichols, 2003-02 A dazzling darkly comic novel by the author of *The Sterile Cuckoo* *The Voice of the Butterfly* looks at chaotic relationships fraught with conservation efforts Funny and touching Nichols's novel is a wild ride through the lunacies of the postmodern age **Dancing on the Stones** John Nichols, 2000 This new collection of essays gives you the opportunity to know him even more intimately *The Memory of Nature in Aboriginal, Canadian and American Contexts* Françoise Besson, Claire Omhové, Héliane Ventura, 2014-06-12 This volume engages the reader's interest in the relationship that binds man to nature a relationship which makes itself manifest through certain literary or visual artefacts produced by Native or non Native writers and artists It ranges from the study of literatures mainly from Canada including Quebec and Acadia but also from Britain the United States of America France Turkey and Australia to the exploration of films photographs paintings and sculptures produced by Aboriginal artists from North America Thanks to a relational paradigm founded on spatial and temporal enlargement it re imagines the critical outlook on indigenous production by instigating a dialogue between endogenous and exogenous scholars novelists and artists and by weaving together interdisciplinary approaches spanning anthropology geology ecocriticism and the study of myths From the writings by Scott Momaday to those by Tomson Highway from Pauline Johnson to Louise Erdrich or from the photographs by William McFarlane Notman and Edward Burtynsky or the films by Randy Redroad to the paintings by Emily Carr it explores art as the sedimentation of nature It simultaneously interrogates the representation of nature and the nature

of representation as a geological and generic process inscribed in the history of mankind Without eclipsing differences and imposing a reified Eurocentric critical discourse upon indigenous productions this volume does not colonize indigenous texts or indulge in cultural appropriation of works of art but looks for historical mythological or geological traces of the past a past characterized by the intimacy between man and animal man and rock or man and plant a past which is allowed to resurface through the creative and critical outlooks that are bestowed upon its subjacent or subterranean existence It resurfaces not as nostalgic memory but as an interactive fertilization giving the present a new life in which the non human provides a key to the understanding of the human bond to nature

*The Milagro Beanfield War* John Nichols, 2013-12-10 *The Milagro Beanfield War* is the first book in John Nichols's New Mexico trilogy Gentle funny transcendent *The New York Times Book Review* later adapted to film by Robert Redford Joe Mondragon a feisty hustler with a talent for trouble slammed his battered pickup to a stop tugged on his gumboots and marched into the arid patch of ground Carefully and also illegally he tapped into the main irrigation channel And so began though few knew it at the time the Milagro beanfield war But like everything else in the dirt poor town of Milagro it would be a patchwork war fought more by tactical retreats than by battlefield victories Gradually the small farmers and sheepmen begin to rally to Joe's beanfield as the symbol of their lost rights and their lost lands And downstate in the capital the Anglo water barons and power brokers huddle in urgent conference intent on destroying that symbol before it destroys their multimillion dollar land development schemes The tale of Milagro's rising is wildly comic and lovingly tender a vivid portrayal of a town that half stumbling and partly prodded gropes its way toward its own stubborn salvation

**The Orphanage by the Lake** Daniel G. Miller, 2025-03-18 A MISSING GIRL AN ORPHANAGE FILLED WITH SECRETS Hazel wants a new life She's thirty years old single and her private investigation business is months away from folding Her luck takes a turn when Madeline Hemsley a mysterious socialite pays Hazel a visit with an offer too enticing to resist An orphan girl has disappeared from a children's home *The Orphanage By The Lake* as the locals call it and Madeline wants Hazel to find her At first glance it appears to be a standard runaway case but as Hazel plunges into the investigation she finds signs of something more unexplained blood stains cryptic symbols sinister figures shadowing her every move The more she digs the more she realizes that *The Orphanage By The Lake* holds terrifying secrets and even worse so does Madeline Fans of Freida McFadden's *The Housemaid* Charlie Donlea's *The Girl Who Was Taken* and Karin Slaughter's *Pretty Girls* will love this twisty suspenseful thrill ride

*On Top of Spoon Mountain* John Nichols, 2012-08-15 Jonathan Kepler wants to climb Spoon Mountain with his grown son and daughter on his sixty fifth birthday in three weeks The kids Ben and Miranda think he's crazy For starters Spoon Mountain is almost the tallest alpine peak in New Mexico Jonathan's health is terrible Still reeling from his third nearly fatal divorce he has a rotten heart serious asthma and a fed up girlfriend who is about to drop him like a bad habit Once a celebrated novelist Hollywood screenwriter and environmental activist Jonathan is now tottering at the ragged end of his career and yearning to make amends to his children for his past

sins before it's too late Years ago Spoon Mountain was very special to the Kepler family They once shared halcyon days in the wilderness Can they go home again Does Spoon Mountain offer redemption or annihilation And why is getting there so laden with pratfalls John Nichols is at his hilarious and poignant best in this rollicking tale of love anarchy and the awesome Rocky Mountains It is drop dead comedy with an inspiring and beautiful message      **The Sterile Cuckoo** John Nichols, 2025-04-25

A hilarious sad all too true novel about the rough underside of a college love affair John Knowles author of *A Separate Peace* When eighteen year old Jerry Payne first meets Pookie Adams at the Friarsburg Oklahoma bus depot he is hardly aware that this moment marks the beginning of the most memorable love affair of his life Overwhelmed and yet secretly enchanted by her zany rambling monologue Jerry is relieved to leave her in St Louis as he continues to New York Thinking he's seen the last of her he heads off to college only to be pursued by seventeen lengthy letters and before he knows it he's involved with a seemingly crazy startlingly honest girl who adores him During the next two years Pookie helps Jerry leave behind the fun seeking beer blasted fraternity man he has become as she teaches him to open his heart to her Then almost as suddenly as she appeared in his life she disappears from it leaving in her wake an eternal trail of love and wonder
