The Last Coming

**Charles BURTON (Rector of All Saints,
Manchester.)**

The Last Coming:

Signposts of the Last Days Bill Goodwin, 2012-06 SIGNPOSTS of The Last Days is not an attempt to sensationalize predicted events from prophecy implying they will happen in a particular manner Remember that when Jesus came the first time all but two people were looking for a different kind of Messiah than the One they got Instead you will find the Biblical basis for twelve predicted events of the Last Days This book is written to review some of the available passages concerning these events that will lead to the end of the Last Days and how they relate to each other They are arranged in the order they are expected to happen It also is designed to relate coming events to the past times in which God has presented Himself to the world using different people This is your opportunity to separate the modern day scenarios seemingly written for Hollywood from what we might realistically expect should we be alive to see it all unfold Please read them all with the understanding that there may be fewer than two individuals who get close to the actual truth this time around **The Last Times** J.A. Seiss, 2023-04-30 Reprint of the original first published in 1859 The publishing house Anatiposi publishes historical books as reprints Due to their age these books may have missing pages or inferior quality Our aim is to preserve these books and make them available to the public so that they do not get lost **The Second Coming and the Last Days** Glen W Park, 2020-04-17 The most anticipated event since the birth of the Lord Jesus Christ has been and remains His Second Coming in power and great glory When that would happen was a question asked by His disciples who became His original Apostles It was written and prophesied of by many of the ancient Prophets of the Old Testament who lived and wrote before the birth of Jesus Christ The fact is many Prophets and Apostles have been told or have seen in vision much about the Second Coming Of course they have also been told seen and written of the Last Days the times seasons events and conditions of the world and of the United States of America preceding His Second Coming This book quotes highlights and describes many prophecies given by both ancient and modern day Prophets and Apostles Difficult and wonderful times are coming This book will both instruct and illuminate concerning the incredible events that are already unfolding as the time for Christ's Second Coming grows nearer The Last Things Donald G. Bloesch, 2004 In The Last Things Donald G Bloesch takes up difficult and sometimes controversial themes such as the coming of the kingdom of God the return of Jesus Christ the life hereafter the millennial hope the final judgment hell heaven purgatory and paradise Wrestling with biblical texts that often take metaphorical form Bloesch avoids rationalistic reductionism as well as timid agnosticism While he acknowledges mystery and even paradox Bloesch finds biblical revelation much more than sufficient to illuminate the central truths of a Christian hope articulated throughout the history of the church The Last Things is not just a review of past Christian eschatology but a fresh articulation of the grace and glory of God yet to be consummated The triumph of the grace of Jesus Christ and the dawning of hope beckon us to reach out in the power of the Spirit to receive that blessed future and the promise to renew the life of the church universal today *Are We Living in the Last Days?* Chauncey S Killens, 2023-07-30

About the Book The purpose of this book *Are We Living in the Last Day* is to provide serious Bible students and Christians with the opportunity to critically evaluate the book of Revelation from another possible perspective This author believes and approaches the book of Revelation from a more favorable Partial Preterist approach He attempts to demonstrate how the current prevailing end times narrative the Dispensationalism approach teaching that the church will be raptured into heaven prior to the future seven year great tribulation is a gross misunderstanding of this apocalyptic literature written by the apostle John You will be able to evaluate expert accounts I provide as it relates to historic natural disasters along with my overall critique of Dispensationalism s interpretation of Revelation and decide whether or not the book of Revelation is to be taken literal You can determine what the strengths and weaknesses are in this writing and draw your own conclusions About the Author Chauncey Slim Killens has been a street preacher for over forty years and has traveled to major cities around the country standing on street corners on university campuses and in the National Mall of Washington DC defending truth He enjoys engaging people from various religious socio economic backgrounds especially those who disagree with him using sound reason and logic as a persuasive tool By engaging in dialogue with local residents students and vacationers around the country his main goal is to challenge certain claims defending objective truth and moral absolutes against the backdrop of new social constructs in America religious and political that are redefining and undermining our faith family and freedom This nation s constitutional Republic which has been hard fought for is at warp speed being eroded away As a Christian and American patriot I have a moral obligation to defend stand for and maintain those God given rights

Hope in the Last Days Dave Williams, 2017 Understand how ancient biblical prophecies are coming to pass in our day how coming prophetic events will impact you and how there is hope for all followers of Christ Today there is a tremendous interest in Bible prophecy particularly because end time events prophesied long ago are coming to pass in an extraordinary manner *Hope in the Last Days* reveals based on prophecy fulfilled and yet to be fulfilled that very shortly the world will reel into its deepest hour of torment and agony Dave Williams encourages you with the truth of how coming events will affect you and your loved ones and what God has planned as a way of escape for followers of Jesus Christ

The Last Days Are Left Behind James Ellis, 2008-06 Have you been wondering as a Christian or non Christian what many think and expect will happen in the last days or end times with all the talk and focus in the headlines and some churches about our future And with all the events taking place in the Middle East especially Israel And Iran Are you confused because of various end time scenarios and conflicting opinions promoted through popular books on prophecy the Left Behind series televangelists preachers and others speaking of a great tribulation rapture Armageddon Apocalypse the destruction of the earth a new heaven and earth a second coming and a millennium There has been an overload of teaching and information about these things over the last century however sincere and cloaked in good intentions yet with long held and deep seated traditions and doctrines all borne of a lack of accurate knowledge particularly the Hebrew and Greek and information based on compelling evidence Would you like

to know what the Bible actually says about all these issues For God s Word itself Let Scripture Interpret Scripture and the Holy Spirit are the only necessary interpreters The Last Days Are Left Behind will challenge your thinking help to erase the confusion and provide clarity regarding the present day purpose of God Author James Ellis demonstrates end time truth based logically on solid evidence after a linguistically accurate biblically consistent and intellectually honest examination of the Bible s prophetic passages and verses the original languages Hebrew and Greek the social cultural and historical context of Scripture and the relevance of the audience spoken or written to in God s Word

McHenry,2018-01-27

The book in overview is historical and instructional in content with the focus being on the Biblical text in terms of its original form and language and in consideration of its full and proper context linguistically textually historically culturally and literarily It stresses the importance of moving from a knowledge of the Bible to an understanding of its life giving instructions being studied in its entirety as a gift to mankind from a loving creator Elohim The thrust of the book is accordingly threefold An indictment of

two of mans religious systems Judaism and Christianity for syncretism corruption of Elohim's written Word of truth and abuses of religious authority plus promulgation of religious traditions not aligned with the whole truth of Elohim's Word. A call to return to the one source of truth: the written Word of Elohim understood in its originally written form and in its full and proper context. Providing the equipping and study tools necessary to move from a mere knowledge of the Word to an understanding of its life giving instructions: how to live a redeemed life as Elohim intended for all mankind. **The Theological Works of the Learned Dr. Pocock, Containing His Porta Mosis, and English Commentaries on Hosea, Joel, Micah, and Malachi** Pocock, 1740 **The Last Judgement, and the Second Coming of the Lord Jesus Christ**, 1850 History of Redemption, on a Plan Entirely Original Jonathan Edwards, 1793 *The words of the lord Jesus [a commentary]* tr. by W.B.
