The Last Crusade:

Indiana Jones and the Last Crusade Les Martin, Lester M. Schulman, 1989-07-03 Indiana Jones tries to save his father from the Nazis as they all search for the Holy Grail *The Last Crusade* Donald Maxwell, 1920 [The Last Crusade](#) Michael A. Palmer, 2007 The United States argues Michael A Palmer is engaged in a political crusade to modernize the Islamic world Americanism is in the vanguard of modernity's relentless advance promoting capitalist markets and democratic institutions To compete Islamic societies must adopt a more secular and material approach as have the West and South and East Asia But these principles conflict with Islamic fundamentals Once a vibrant force much of the Muslim world spent four centuries as prisoner of an Ottoman Empire that embraced feudalism while the West jettisoned it In the absence of a renaissance or enlightenment modernization in the Islamic world has been painful and unsuccessful While many in the West long for an Islamic reformation Palmer argues that Islamists such as Osama bin Laden are the face of that reformation Just as Protestant reformers sought a return to the purity of early Christianity jihadists desire a return to the halcyon days of conquest and expansion when the Caliphate controlled a united and powerful Muslim community American actions have not provoked this conflict nor can American withdrawal end it Palmer contends For example China also a once powerful civilization subjected to Western imperialism has not produced homicide bombers Instead the Chinese are busy modernizing Islam's failure to modernize is the root cause of the current situation Bin Laden and other jihadists understand correctly that if Islam is to avoid the materialism and secularism that come with modernity they must Islamize the West by force
