friends what it takes to become victorious in life You might be coming to this book as a fan of Tedy s football skills and don t get me wrong gaining the insights of one of the best defenders in Patriots history is worth the price of admission but that s just part of the story There are a lot of reasons to look up to him and I promise you will finish this book with an admiration for him on a much deeper level Tom Brady from the Foreword **Press Summary - Illinois Information Service** Illinois Information Service,1986
