*The Long Journey Home* Maudy G. Testro-Meijer, 2024-08-19 The story of Harry and Christine Meijer on its face is not unique Throughout history countless individuals have endured immense physical and psychological trauma as a result of war and authoritarian regimes These tyrannical leaders motivated by a desire for absolute control and subjugation of the population inflicted immense suffering upon civilian populations Born in a country under colonial rule Harry and Christine in their formative years were undoubtedly marked by a confluence of economic and cultural challenges However the true crucible of their lives emerged at the dawn of their adulthood when they were confronted with adversities of unimaginable magnitude Their narrative encompasses the reality of lingering PTSD suffered by Harry and Christine which significantly impacted their nine children during tumultuous migrations across three continents demanding constant adaptation to unfamiliar cultures and languages Despite facing these significant hardships the remarkable resilience and ultimate triumph over adversity stands as a powerful testament to the human spirit's capacity for perseverance Grounded in meticulous historical detail and enriched with poignant anecdotes this work offers readers the opportunity to glean novel insights into the hardships endured by millions in the South Pacific during World War II and also

serves as a source of inspiration for overcoming their own challenges      The Long Journey Home Martha Dunn,2015-03-25 The memoirs of Martha Dunn a young German Red Cross nurse as she journeyed from Vienna to her home in the Black Forest during the immediate aftermath of World War II in Allied occupied Germany and Austria      **The Long Journey Home** Don Coldsmith,2002-05-19 A Native American track star training for the Olympics in the early part of the 1900s meets 1912 gold medal winner Jim Thorpe and Bill Pickett the black cowboy who invented steer wrestling      The Long Journey Home Margaret Robison,2011-05-17 First introduced to the world in her sons now classic memoirs Augusten Burroughs s *Running with Scissors* and John Elder Robison s *Look Me in the Eye* Margaret Robison now tells her own haunting and lyrical story A poet and teacher by profession Robison describes her Southern Gothic childhood her marriage to a handsome brilliant man who became a split personality alcoholic and abusive husband the challenges she faced raising two children while having psychotic breakdowns of her own and her struggle to regain her sanity Robison grew up in southern Georgia where the facade of 1950s propriety masked all sorts of demons including alcoholism misogyny repressed homosexuality and suicide She met her husband John Robison in college and together they moved up north where John embarked upon a successful academic career and Margaret brought up the children and worked on her art and poetry Yet her husband s alcoholism and her collapse into psychosis and the eventual disintegration of their marriage took a tremendous toll on their family Her older son John Elder moved out of the house when he was a teenager and her younger son Chris who later renamed himself Augusten never completed high school When Margaret met Dr Rodolph Turcotte the therapist who was treating her husband she felt understood for the first time and quickly fell under his idiosyncratic and eventually harmful influence Robison writes movingly and honestly about her mental illness her shortcomings as a parent her difficult marriage her traumatic relationship with Dr Turcotte and her two now famous children Augusten Burroughs and John Elder Robison who have each written bestselling memoirs about their family She also writes inspiringly about her hard earned journey to sanity and clarity An astonishing and enduring story *The Long Journey Home* is a remarkable and ultimately uplifting account of a complicated afflicted twentieth century family      *ON THE CUSP: A Jewish Girl's Very, Very, Very Long Journey to Jesus* Shai Blumberg,2023-04-20 *On the Cusp* is a combination of the author s testimony and memoirs leading the reader through her innocence in the sixties and seventies the tumultuous eighties and nineties and the turning towards Jesus Christ Yeshua as Lord and Savior in the new century of the two thousands There is an undercurrent of love and acceptance portraying an undeniable part of the Lord s patience and grace throughout the work combined with His just nature Growing up Jewish in the sixties and seventies in the shadow of J F State Park off Bond Boulevard in Southern California there is a horsey element to the book as well including Shai s s behind the scenes life as a polo girl her aspirations to show jump and the privilege of having a beautiful off the track Thoroughbred in her suburban backyard Also reflected here are the struggles of growing up Jewish in a decidedly non Jewish world When Grandma Lizzie tells Shai about Jesus as a six year old the seed is planted

despite Shai's mother covering Shai's scars and begging Grandma Lizzie to stop. Later as an unhappy thirteen-year-old Shai tries to connect with God on Christmas day galloping her horse to Heaven's Point with Grandma Lizzy's New Testament tucked in her new saddlebags. But nothing special happens and Shai is left to navigate murky waters of adolescence and a chaotic adult life without any tangible connection with God for decades to come. On the Cusp portrays God's mercy, patience and great love for even the most foolish of us. So enjoy the nostalgia, fallenness and ample human error of it all and bask in God's Amazing Grace, never forgetting that being on the cusp of Greatness, His Greatness is an opportunity the Lord offers to everyone. Even the seemingly most hopeless of us. **The Long Journey** Johannes Vilhelm Jensen, 1922

**Long Journey for Sevenpence** Megan Hutching, 1999 Using interviews and questionnaires Megan Hutching has created a lively account of the process of emigration from the point of view of the migrants themselves, often in their own words. She recounts their experiences of the 12,000-mile sea journey to New Zealand and adaptation to a life in a new country. Not all agree that it was the best thing they ever did, but most of them remained and now consider themselves New Zealanders. Why did people in post-war Britain make the long journey to the other side of the world? Besides the answers to this question in this generously illustrated history, Hutching also explores New Zealand government policy and the reasons for the assisted immigration scheme in 1947.

**A Long Journey: Dr. Benjamin E. Mays** Freddie C. Colston, 2011-10-26 This volume contains twenty-one speeches on the long and enduring struggle for equal rights from one of America's finest scholars and orators on race relations in American history, Dr. Benjamin E. Mays. He witnessed race relations in the 1920s, 1980s and the transformation of America from a rigidly segregated society to a desegregated social structure. Mays is often referred to as the Godfather of the Civil Rights Movement of the 1960s since he mentored many of the leaders of the movement. And he is acknowledged as the spiritual and intellectual mentor of Martin Luther King Jr., the selfless leader of the most important social movement of the twentieth century. The Nobel laureate's birthday is a national holiday celebrated on the third Monday in January annually. Outside of King's immediate family, Dr. Mays influenced his spiritual and intellectual maturation more than anyone else.
