This book can claim to be the first really readable manual in the history of poker An entertaining anecdote packed and invaluable companion to the narrative poker classics BIG DEAL and BIGGER DEAL William Shakespeare Anthony Holden, 2016-04-07 Who was William Shakespeare How did the rude groom from Stratford grow up to be the greatest poet the world has known Not for a generation since the late Anthony Burgess's SHAKESPEARE 1970 has there been anything approaching a popular mainstream biography of the greatest and most celebrated writer Yet Shakespeare's life was as colourful varied and dramatic as his works the Warwickshire country boy who disappeared for seven years before fetching up in London as an apprentice actor whose fellow players could scarcely keep up with the plays he turned out for them who rapidly became a favourite at the court of Elizabeth I and returned to Stratford a prosperous gentleman proud to realise his father s dream of a family coat of arms before his death at 52 Anthony Holden brilliantly interleaves the poets own words with the known facts to breathe new life into a story never before told in such absorbing detail The perfect blend of erudition and accessibility the Daily Telegraph's verdict on Holden's life of Tchaikovsky applies equally to his revealing very human portrait of Shakespeare Bigger Deal Anthony Holden, 2008-04 The author of Big Deal takes his game on the worldwide tournament circuit once more to see if his famed card skills can hold up against the vastly changed world of poker in the 21st century Do I Make Myself Clear? Harold Evans, 2017-05-16 A

wise and entertaining guide to writing English the proper way by one of the greatest newspaper editors of our time Harry Evans has edited everything from the urgent files of battlefield reporters to the complex thought processes of Henry Kissinger He s even been knighted for his services to journalism In Do I Make Myself Clear he brings his indispensable insight to us all in his definite guide to writing well The right words are oxygen to our ideas but the digital era with all of its TTYL LMK and WTF has been cutting off that oxygen flow The compulsion to be precise has vanished from our culture and in writing of every kind we see a trend towards more more speed and more information but far less clarity Evans provides practical examples of how editing and rewriting can make for better communication even in the digital age Do I Make Myself Clear is an essential text and one that will provide every writer an editor at his shoulder New Books in the **Communications Library** University of Illinois at Urbana-Champaign. Communications Library, 1991 Ethics and **Journalism** Karen Sanders, 2003-04-14 Karen Sanders examines the ethical dilemmas faced by journalists in all areas of the media and proposes several ways of achieving ethical journalism The study is informed by interviews with top journalists and editors and includes an exhaustive bibliography In Search of the Truth Michael O'Connell, 2017-05-31 The British criminal justice system is not dedicated to the truth It is concerned only with reasonable doubt During the British Army campaign in Northern Ireland 1969 2007 security forces often dispensed with judge and jury selected candidates for assassination extracted false evidence from suspects forced confessions from innocents and tortured citizens detained without trial Recent inquests have disclosed a wealth of explosive newly declassified information which allows for a compulsive expose of abuses of power Drawing on previously unseen material Michael O Connell an experienced criminal lawyer lays bare the chilling details of key cases in which the law was disregarded He reveals how the truth was sacrificed to collusion prejudice and corruption in notorious cases Among them are the killing of Maire Drumm Vice President of Sinn Fein before which an army unit surrounding the hospital where she was a patient was withdrawn and of Miriam Daly a lecturer in Queen's University in her home where outgoing calls had been cut Too often the attitude of politicians is to leave the past behind But without the truth and justice there can be no reconciliation or forgiveness In this careful examination of indisputable evidence Michael O Connell seeks to ensure wrongful convictions of the innocent will not be repeated

Smashing H-block F. Stuart Ross,2011-01-01 The period from 1976 to 1982 is widely regarded as a crucial turning point in the Irish Troubles As time has passed the historic prison hunger strikes of 1980 and 1981 have taken on near mythic resonance somewhat distorting the broader picture of the Irish republican struggle against criminalization Focusing on the popular movement outside the prisons Smashing H Block gives us a gripping thorough account of this fateful time and reveals how these years of protest reshaped and revitalized modern Irish republicanism Drawing on extensive archival research and the widest range of sources available F Stuart Ross paints a compelling portrait of the last great wave of activism and mobilization with the nationalist population He argues that the protests outside of the infamous H Blocks of

Maze Prison challenged republican orthodoxy while more broadly he examines the importance of popular grassroots movements in effecting political and social change The Occult World Christopher Partridge, 2014-12-05 This volume presents students and scholars with a comprehensive overview of the fascinating world of the occult It explores the history of Western occultism from ancient and medieval sources via the Renaissance right up to the nineteenth and twentieth centuries and contemporary occultism Written by a distinguished team of contributors the essays consider key figures beliefs and practices as well as popular culture People of Today ,2006 The Writers Directory ,2013 American Sketches Walter Isaacson, 2010 What are the roots of creativity What makes for great leadership How do influential people end up rippling the surface of history In this collection of essays the author reflects on the lessons to be learned from Benjamin Franklin Albert Einstein Bill Gates Henry Kissinger Ronald Reagan and Mikhail Gorbachev Hillary Clinton and Bill Clinton and various other interesting characters he has chronicled as a biographer and journalist The people he writes about have an awesome intelligence in most cases but that is not the secret of their success They had qualities that were even more rare such as imagination and true curiosity. He reflects on how he became a writer the lessons he learned from various people he met and the challenges he sees for journalism in the digital age He also offers loving tributes to his hometown of New Orleans which both before and after Hurricane Katrina offered many of the ingredients for a creative culture and to the Louisiana novelist Walker Percy who was an early mentor He describes the joys of the so called writing life and the way that tales about the lives of fascinating people can enlighten our own lives The British National Bibliography Arthur James **El Salvador at the Crossroads** United States.
