*The Last Pope* Robert Howells, 2013-06-20 A historian dissects the prophecies of a Nostradamus like seer who suggests the end of the papal throne and the beginning of a new era in the Roman Catholic Church Nearly a thousand years ago the Archbishop of Armagh later canonized as St Malachy made a series of prophecies that were hidden in the Vatican for four hundred years His predictions gave clues to the identities of the 109 Popes from medieval times to present day including the final Pope who would oversee the end of the Papacy and the fall of the Roman Catholic Church

*The Last Pope* examines the sudden rediscovery of these prophecies in the sixteenth century how they may have been used as propaganda in the campaign to promote Pope Gregory XIV to the papal throne and how the 2013 papal election may have been our last

Robert Howells has spent the last twenty years researching and writing about religious and historical mysteries By drawing on his extensive knowledge of both the political and spiritual history of the Catholic Church he places Pope Francis in the context of what will potential be the most challenging era for the papacy

*The Last Pope* seeks to answer questions surrounding the future of the Catholic church offering an investigating that will fascinate readers who are fascinated by the unresolved mysteries in the history of Christianity

**The Rapture 2028: America'S Countdown to Apocalypse!** David Netherton,2015-01-02 A Shocking Bible Discovery found in the Dead Sea Scrolls After forty years of research in the Biblical text this book came about while studying Biblical manuscripts in their original Greek I was given a project by my Greek professor to research the Dead Sea Scrolls This research changed my life my belief about time and the books of the Bible While researching the Dead Sea Scrolls I found two historical books that were in the Bible during Jesus time on this Earth So I ask this question Why did man remove these books The deeper I

studied I discovered that our Bible should have seventy books instead of sixty six Six is the number of man and a number representing incompleteness Sixty six doubles its meaning and the number 666 needs no explanations Men do resist Gods will today 2 Peter 3 9 While researching the subject I encountered extreme opposition The books of the Bible should be divisible by seven So we are missing one New Testament book and three Old Testament books to make a seventy book Bible Have we been deceived by our religious leaders and science community Does all time truly consist in a 7 007 year window This book is written from the complete seventy book Bible which was revealed in the Dead Sea Scrolls Do the scrolls reveal angels mating with the daughters of Adam Where did the giant human originate Have we all been lied to about Genesis 6 and the events during the days of Noah Are angels and demons masquerading as aliens and UFOs in a great end of time deception Will the dollar collapse by 2022 Will the U S be destroyed in one day by 2028 However when He the Spirit of truth has come He will guide you into all truth for He will not speak on His own authority but whatever He hears He will speak and He will tell you things to come John 16 13 14      *The FINAL Countdown* Zane Lawhorn, 2018-02-23 The final countdown to the Kingdom of God has begun The Second Coming of Jesus Christ is here The end times that signify the end of this evil world have arrived The Revelation of Christ will be within a few short years based on the prophecy in the Holy Bible Please read this book and learn for yourself the twelve Super Signs that must occur before the Messiah is revealed to the world We are living in the times of the man of 666 the Mark of the Beast and Armageddon Jerusalem is surrounded by her enemies and the nations of the world are conspiring against Israel Here in America biblical prophecy is being fulfilled Already five of the twelve super signs have been fulfilled The Countdown to the Kingdom is escalating as prophecy is in our news daily Jesus warned us to not be deceived yet false doctrines abound Christians are to be watching preparing and to know the prophecy as it occurs Christianity is about to shine as our Christ arrives at the Second Coming Praise God      **Incantation of the Law Against Inept Critics** Morten St. George, 2006-05-23 Morten St George s original decoding of the Nostradamus prophecies combined with philosophical considerations Includes commentary on fifty quatrains once considered by St George as true prophecy candidates      **The Vile Man of Daniel** Robert Pelletier, 2018-08-03 The Vile Man of Daniel examines all scriptures related to the Vile Man or beast who arises in the final days of mans rule on the earth It is a fresh look at the scriptures and only the scriptures without the shroud of religion All scriptures written about the beast must fit together perfectly the Old Testament the Gospels and the New Testament There can be no contradictions The book suggests that the missing ingredient with respect to proper interpretation is the hidden mystery of the one body of Jesus Christ which is not accounted for in the Old Testament but kept hidden in God until revealed to the apostle Paul in the first century Once this is understood whole sections of scriptures become plain and clear and perfect
