Portrait Thomas Connolly, 1967 *A Portrait of the Artist as a Young Man* James Joyce, 2008-06-12 Once upon a time and a very good time it was there was a moocow coming down along the road and this moocow that was coming down along the road met a nice little boy named baby tuckoo So begins one of the most significant literary works of the twentieth century and one of the most innovative Its originality shocked contemporary readers on its publication in 1916 who found its treating of the minutiae of daily life indecorous and its central character unappealing Was it art or was it filth The novel charts the intellectual moral and sexual development of Stephen Dedalus from his childhood listening to his father's stories through his schooldays and adolescence to the brink of adulthood and independence and his awakening as an artist Growing up in a Catholic family in Dublin in the final years of the nineteenth century Stephen's consciousness is forged by Irish history and

politics by Catholicism and culture language and art Stephen's story mirrors that of Joyce himself and the novel is both startlingly realistic and brilliantly crafted For this edition Jeri Johnson editor of the acclaimed *Ulysses* 1922 text has written an introduction and notes which together provide a comprehensive and illuminating appreciation of Joyce's artistry ABOUT THE SERIES For over 100 years Oxford World's Classics has made available the widest range of literature from around the globe Each affordable volume reflects Oxford's commitment to scholarship providing the most accurate text plus a wealth of other valuable features including expert introductions by leading authorities helpful notes to clarify the text up to date bibliographies for further study and much more

A Heritage of Holy Wood: The Legend of the True Cross in Text and Image Barbara Baert, 2004-07-01 In the fourth century the idea arose that the Cross on which Christ was crucified had been found by Helena mother of Emperor Constantine Thus began a legend that would grow and flourish throughout the Middle Ages and cause the diffusion of countless splinters of holy wood And where there is wood there was once a tree Could it be that the Cross was made from that most noble species the Tree of Life So gathering characters along the way the legend evolved into a tale that stretches from the Creation to the End of Time *A Heritage of Holy Wood* is the first reconstruction of the iconographic and literary tradition of the Legend of the True Cross Its broad scope encompasses relic cults pilgrimages travellers tales and the Tree of Life and involves Church Fathers crusader kings Teutonic Knights and mendicant orders all of which influenced the legend's depiction from its earliest representation in manuscripts reliquaries and altarpieces to the great monumental cycles of the high Middle Ages If the holy wood was the medium of medieval memory *A Heritage of Holy Wood* reveals the growth rings of fifteen centuries of imagery

Leonardo Da Vinci, the Last Supper Michael Ladwein, 2006 Many great works of art have been created that we call Christian but none has received as much acclaim as Leonardo da Vinci's *Last Supper* Art lovers venerate it for its composition and noble aesthetics whereas for Christians it epitomizes the intimacy between Christ and his disciples In recent years following the publication of bestselling fictional narratives and dubious historical studies *The Last Supper* has also become the focus of intrigue controversy speculation and sensation Recent restoration of the painting has exposed remnants of the original work and removed falsifications created by over painting Thus for the first time since its creation more than five hundred years ago we can contemplate Da Vinci's masterpiece in its more or less original form This lavishly illustrated full color book reproduces many details of the restored work and the author turns our attention to newly revealed aspects of *The Last Supper* that lead to fresh interpretations The philosopher Rudolf Steiner called *The Last Supper* the world's most important work of art adding that it revealed the meaning of Earth existence Michael Ladwein sheds light on many aspects of the spiritual facts that can be uncovered in this immortal painting one that has lost nothing of its urgency in our modern world

forever To the Land of Tea and Turrets Anna Maria Toms,2024-10-15 After an unforgettable trip to the UK I began documenting my experiences with brochures and postcards unaware that my maternal grandfather's suggestion would spark the journey of a lifetime While this book falls under the travelogue category it defies conventional expectations It's a vibrant blend of narrative storytelling and family dynamics where each chapter reads like a delightful episode filled with quirky anecdotes and heartfelt moments With each turn of the page you'll laugh reflect and perhaps even recognize a bit of your own family in our escapades In this travelogue my family members take center stage as exaggerated versions of themselves each infused with their own unique quirks and charm What Were You Arguing About Along The Way? King,2006 An investigation into the connections between the York Plays religious observance and the role played by the city itself WINNER of the 2007 David Bevington Prize The York Play is the earliest near complete English civic mystery cycle It evolved constantly throughout its long performance history but the text that was recorded in the York Register shows that it was already a mature and elaborate civic festival by the time it was written down This study uncovers the Cycle's connection with worship in York in the sense both of devotional practice and of civic honour informing a particular period in the cultural history of the city The pageants in the Register show in their different ways how the community which devised and performed the Cycle regarded the celebration of the great summer feast of Corpus Christi Moreover the principles of selection that give the Cycle its structure reflect the broader pattern of the liturgical calendar with its other feasts and fasts The Cycle bears witness not only to the practices of religious observance in York but also to the ecclesiastical politics in which the city was caught up from the very beginning of the fifteenth century PAMELA KING is Professor of Medieval Studies at the University of Bristol Holy Fable Volume IV Robert M. to the first three centuries after Jesus walked among us Walk the dark corridors of those subterranean burial chambers of the persecuted Christians There we find a much different theology at work a theology with resurrection hope and power at the center If catacomb art were all we had of Christian theology and practice from the first three centuries AD no Scriptures we would have no choice but to conclude that the first message of the Christian faith was the Easter gospel *A Manual of Prayers, and Other Christian Devotions ...
