The Last Viking Don Hollway, 2021-09-02 *The Last Viking* is a masterful and pulse pounding narrative that transports the reader into the middle of the action Carl Gnam Military Heritage Harald Sigurdsson burst into history as a teenaged youth in a Viking battle from which he escaped with little more than his life and a thirst for vengeance But from these humble origins he became one of Norway's most legendary kings *The Last Viking* is a fast moving narrative account of the life of King Harald Hardrada as he journeyed across the medieval world from the frozen wastelands of the North to the glittering towers of Byzantium and the passions of the Holy Land until his warrior death on the battlefield in England Combining Norse sagas Byzantine accounts Anglo Saxon chronicles and even King Harald's own verse and prose into a single compelling story Don Hollway vividly depicts the violence and spectacle of the late Viking era and delves into the dramatic events that brought an end to almost three centuries of Norse conquest and expansion

and King Harold of England **LEGEND OF THE LAST VIKINGS - Free Alternate Ending** John Halsted, 2017-10-23 In 1066 upon the death of Edward the Confessor Harald Godwinson King of Norway challenged for the crown of England claiming it was his through his bloodline He led a large force of over 400 longships to England and after a few initial victories was defeated during the Battle of Stamford Bridge near York by Harold Godwinson Only 24 longships returned to Norway Two weeks later Harold Godwinson and his army exhausted by the forced march from York to Hastings were defeated William the Conqueror And the rest they say is history Or is it Questions remain What happened to the Vikings after Stamford Bridge Where did they go What did they do Well Legend of the Last Vikings is just one possibility But why an Alternate Ending When I started researching the book I was amazed to discover that the Silk Route was not just one route but instead a whole network of routes reaching from Eastern Europe and criss crossing Asia As such I had to decide which of these routes my characters would travel along Before I could make this decision I had to research the routes In doing so I found so much fascinating information on each trying to decide which route to travel was not easy Even though I eventually settled upon a route I did not want to waste potential stories so decided to write an alternate ending which in effect gives the reader a two for one Synopsis Chapters 1-33 I was going to give a summary of the chapters 1 to 33 but have decided that too much action adventure character building and meaning would be lost in doing so so I have kept this to a minimum by providing the following synopsis On returning home to Norway after defeat at Stamford Bridge in 1066AD our hero Ulf Uspakson herald to King Harald Godwinson realises an era is over Then he remembers the story of a Swedish Viking Adventurer Yngvar Vittfarne Yngvar the Far Travelled who went missing on a journey to the East and in a last fling of youth decides to try and trace him somewhere on the Silk Route No easy task The alternate ending starts at Chapter 34 with the conclusion of the adventure in China's Taklamakan desert or is it After leaving Shanguo and crossing the Tien Shan mountains the crew as I affectionately call this motley group follow the course of the Jaxartes River Syr Darya to the Aral Sea in Kazakhstan They then cross the Karakum and Barsuki deserts they loop around the top of the Aral sea Approaching Astrakhan from the North East they are tired and weary after such an arduous journey As always trouble awaits and the crew will have to summon physical and mental strength from reserves hidden deep within themselves About the Book Itself A finalist in the Foreword Magazine Book of the Year Competition It has a 4 Star Amazon rating and reviews of the book can be found on the Amazon page as well Last Viking Terry Deary, 2005 Adventure fiction The Viking invaders have arrived to make Emma and her fellow villagers slaves Will they be able to outwit the raiders and escape This book features a gripping narrative with stacks of fun facts aimed at reluctant readers Illustrations appear on almost every page *The Last Viking* Stephen R. Bown, 2012 One hundred years have passed since Robert Falcon Scott's beleaguered expeditionary team arrived at the South Pole only to find that they had been beaten by the Norwegian explorer Roald Amundsen The most feted explorer of his generation Amundsen counted the discovery of the Northwest Passage in 1905 as well as the North Pole amongst his

greatest achievements In the golden age of polar exploration Amundsen whose revolutionary approach to technology transcends polar and nautical significance was a titan among men However until now his story has rarely featured as more than a footnote to Scott's tragic failure Reviled for defeating Scott but worshipped by his men Amundsen was pursued by women and creditors throughout his life before disappearing on a rescue mission for the Italian Fascist who had set off in an airship to claim the North Pole for Mussolini The Last Viking is the life of a visionary and a showman who brought the era of Shackleton to an end put the newly independent Norway on the map and was the twentieth century's brightest trailblazing explorer Against the backdrop of the race to conquer the most inhospitable corners of the earth The Last Viking stands alongside The Worst Journey in the World for its grim immediacy of heroism and hardship Bestriding the generation defined by adventure and the unquenchable desire for discovery it is the mesmerising story of courage misery friendship and the ultimate price paid for immortality The last of the Vikings Charles Young (maj.),1895 **Harald Hardrada** Michael Burr,2011 In the dead of night a band of Vikings ravage a lonely convent on the Brittany coast and their fearsome leader makes a decision that will eventually lead to his downfall Ranulf de Lannion is fifteen years old Crippled deformed and abandoned by his family to the charity of the convent he is seized by the Vikings during a midnight raid Contemptuously nicknamed The Scraeling by his captors his future appears grim Harald Sigurdsson or Hardrada as he will come to be known is the leader of the Viking band A violent mercenary with designs on the throne of Norway Hardrada abducts The Scraeling on a whim Ranulf grows into an invaluable asset smoothing Hardrada's path over their thirty five years together from mercenary to commander of the Varangian Guard all the way to king of Norway But all is not as it seems in the heart of Ranulf de Lannion Having sworn secret revenge upon Hardrada for the murders at the convent he vows to end the day of the Viking forever When the king of Norway launches an attack against the Anglo Saxon throne of England in 1066 what role will The Scraeling play in bringing the age of the Viking to an end *Vikings - Final Secrets Revealed* World History,2025-05-06 In the past 50 years significant progress has been made in mapping and understanding Scandinavia during the Viking Age Archaeologists and historians have carefully studied various sources such as ancient postholes and thousand year old grape seeds in their efforts to uncover the truth about the Viking world This work is crucial because the Vikings did not document their history and what we know is based on exaggerated accounts from monks and sagas However with the help of patience and modern technology researchers are slowly piecing together the puzzle While considerable progress has been made there are still unanswered questions World History invites you on a fascinating journey to bygone eras allowing you to explore the greatest events in history Take a trip back in time to the frontlines of World War 2 to the Viking raids and to the religious rituals of ancient Egypt World History is for everyone who would like to know more about the exciting and dramatic events of the past **The Vikings** Robert Livesey,2019-10-01T00:00:00-04:00 Meet these daring men and women who first discovered Canada Who were they Where did they travel What gods inspired them Where did they live How did they dress
