The Key To Understanding Revelation:

The Key to Understanding Revelation Pastor Jim Knotek, 2019-04-04 For years people would ask author Jim Knotek his opinion of The Mark of the Beast 666 Armageddon the Millennium and other topics in the Book of Revelation He was convinced that Revelation is a book of historical and prophetic parallels not a chapter by chapter chronological or linear account Chapter twelve focuses on the birth of Jesus Christ which is in the middle of the book How could that be if it were a linear account Furthermore there are several events that are described more than once paralleling one another The rapture which is a coined word from the 1800s is not a biblical word What about the Seven Years of Tribulation That statement is nowhere to be found in the Bible If we are to understand the Apostle John s Revelation we must allow scripture to interpret scripture We cannot use current events as many authors have done All of their books have become outdated as time passes Truly there must be a key to help us understand Revelation more clearly This book is an enlargement of Pastor Jim Knotek s previous book *Unlocking the Mystery of Revelation* It is written in laymen s term and is an excellent commentary for teachers and pastors who many have hesitated to teach a class on Revelation Pastor Jim Knotek is a graduate of Andrews University M A and Concordia Theological Seminary M Div majoring in New Testament and Biblical Languages He has served several congregations in southern California including Capistrano Beach and Huntington Beach Pastor Knotek is also the author of *Angels and Miracles Grief and Hope* a book that was written in tribute to his wife Ruth who departed to be with her Lord in 2010 due to Alzheimer s disease

The last few decades have seen a revolution in debates about the rationality of Christian belief Among the array of current options for justifying religious belief however nearly every one assumes that a general theory of knowing and a minimal version of theism must be adopted before the rationality of Christian belief can be tackled In Crossing the Threshold of Divine Revelation William J Abraham confronts both of these assumptions arguing that epistemology must begin with its particular target of inquiry in Abraham s case the full blooded canonical theism of the early undivided Christian church He argues moreover that special divine revelation forms a crucial threshold at the entrance to the epistemology of Christian belief Sure to intrigue philosophers theologians and curious students Abraham s robust vision of Christian faith provides a creative solution to many of the current difficulties in philosophy and theology [KJV Standard Lesson Commentary® 2021-2022](#) Standard Publishing,2021-06-01

Meyers,2021-11-08 Revelation is resistance literature written to instruct early Christians on how to live as followers of Jesus in the Roman Empire The Nonviolent Apocalypse uses modern examples and scholarship on nonviolence to help illuminate Revelation s resistance arguing that Revelation s famously violent visions are actually acts of nonviolent resistance to the Empire The visions form part of Revelation s proclamation of God s way as a just and life giving alternative to the system constructed by Rome Revelation urges its readers to pursue this radical form of living engaging in nonviolent resistance to all that stands in the way of God s vision for the world **The Catholic Bible, Personal Study Edition** Graziano Marcheschi,Biagio Mazza,2022-04-29 In local parishes upper levels of secondary schools and introductory college classes the Personal Study Edition provides superb study resources for readers that will open the text of the Bible to new understanding and greater appreciation for all **The Beast** Jonathan P. Leonard,2014-01-30 The identity of the Beast rising out of the sea in Revelation 13 is a hotly debated topic Some believe the Beast has come already while others believe that he is alive today waiting to take his position of power One of the key passages cited by all groups is in Revelation 13 18 Yet the imagery of the book of Revelation has opened it to misinterpretation by modern day interpreters who are unfamiliar with the apocalyptic literary genre Jonathan Leonard explains the meaning of the Beast of Revelation 13 18 in its first century context and its relevance to members of the early church The imagery of the Beast of Revelation is not seen as instilling fear into the hearts of believers concerning the future but serves as a stinging critique of imperial power idolatry and oppression When properly viewed in its original context the unveiling of the Beast can transcend the first century and serve to strengthen the testimony of the church of Jesus Christ in the present day **Bible Talk** J. E. Mejia,2022-02-22 Is there a God that created us or did we all get here by chance as many atheist scientists speculate or theorize If there is a God what is he like and what does that mean for us Is the Bible his inspired and reliable word These may be some questions that the average person asks among others I try to answer these questions throughout the book I examine some evidence for creation I examine prophecies from the book of Daniel and Revelation that prove that God s word is reliable and true I examine some popular doctrines such as whether the Bible

supports the doctrine of eternal torment in hell A close inspection shows that it doesn't I also discuss many other important topics Also in the Christian world we are awaiting the return of Jesus Christ He promised he would return and all the promises that God has made he has kept And so I discuss how to get ready for his Second Coming and how to inherit eternal life Anyone no matter their past is welcomed by God And eternal life is a free gift **Lord of History** Richard Crane,2017-01-05 Discover the hidden truths revealed in The Lord of History for all Christians during difficult times The Lord of History uncovers the mystery of the apostle John's revelation using the historical approach Burning questions of all Christians are answered What would be the outcome of life and death struggle between the Roman Empire and the church Between the Caesars and Christ Other issues discussed include the following Proof of God's hand in history Ultimate victory of good over evil Prophecies of events including conflict with Rome Islamic conquests the Dark Ages Reformation the Battle of Armageddon the World Wars the millennium etc Identities of the Beast the false prophet 666 Personages of the Caesars czars Mohammad Kaisers Gutenberg Hitler Napoleon Symbolic language of numbers colors creatures Significance of the number seven o Seven Blessings o Seven fold judgment on Roman Empire o Seven new realities o Seven dooms o Seven personages o Seven churches o Seven visions Thoughtful provocative and insightful The Lord of History offers evidence that God directs and protects his people during troubled and foreboding times The church lives on forever and ever Enigma: An Interpretative Commentary of Revelation Dr. Nathan Ogan,2019-01-16 This has been offered to the reader as if to say that from the very outset any study of Revelation that is done or offered without the direct application of Jesus teaching specifically His sermon on the Mount of Olives is incomplete at best The argument that God conclusively broadened His redemptive purpose beginning with the Jewish people then spread to all races as promised in Matthew 28 19 rings true in Revelation when understood in the context of what Jesus taught What's more the development of temple based worship into a simpler spiritual based worship as expected in John 4 21 24 is equally difficult to ignore from what appears to have been fulfilled in the prophecy of Revelation as predicted by Jesus in His Mount of Olives sermon **The Picture in the Puzzle** Wayne A Andre,2022-04-25 We have entitled the work The Picture in the Puzzle This new and original work is the culmination of an effort to help adult Bible students understand the entire Bible using a holistic Christ centered approach There are over 100 original diagrams that show the many ways that the Bible can be understood as an overall consistent and expanding story
