The Kid From Ozone Park:

The Kid from Ozone Park & Other Stories Richard Wilson, 1989-01-01 **New York Supreme Court** , The NYPD Red Novels, Volumes 1-3 James Patterson, Marshall Karp, 2019-05-07 NYPD Red is a special task force charged with protecting the interests of Manhattan's wealthiest and most powerful citizens. Discover the first three books in the New York Times bestselling detective series from the world's #1 writer. NYPD Red 1 introduces Detectives First Grade Zach Jordan and Kylie MacDonald, new task force partners and recent romantic exes. Their first assignment is to cover a Manhattan film festival called Hollywood on the Hudson. A Molotov cocktail explodes at a movie premiere announcing the presence of a killer lurking on set, scripting an explosive finale that will level New York and Hollywood. Zach and Kylie are called in. NYPD Red 2 to Central Park where a carousel is spinning a murder victim, a woman of vast wealth and even greater connections. Her death is the fourth in a string of shocking murders that has the city on edge and political and personal secrets of the highest order hanging in the resolution of these scandalous crimes. NYPD Red 3 opens in the townhouse garage of Hunter Alden Jr. where the billionaire businessman makes a grisly discovery. When Alden's teenage son goes missing soon afterward and his father seems oddly reluctant to find him, Detectives Zach Jordan and Kylie MacDonald find themselves behind the closed doors of New York high society and in the depths of depravity.

Dogfella James Guiliani, Charlie Stella, 2025-05-01 How did a former mob enforcer become a compassionate advocate for animals in need of loving homes? How did his hardened heart open up to the plight of abused and abandoned pets? James Head Guiliani was an unlikely candidate to become a passionate animal rescuer. Raised in a religious family in a blue collar neighborhood, James became involved in street gangs at a young age. By his mid-twenties, he'd become a 6'2" 250-pound enforcer for the Gambino crime family during the reign of infamous mob boss John Gotti. But after years of worsening alcohol and drug use and a stretch in the Riverhead Correctional Facility, James finally hit bottom. It was then that he met Lena Perrelli, who helped turn his life around, providing the love and support he'd rejected in the past. And when the couple rescued an abandoned and abused Shih Tzu, the second phase of James's salvation began. Lovingly named Bruno, the small dog opened the former enforcer's hardened heart, and James discovered a new purpose in life as a devoted animal rescuer. *Dogfella* tells how this onetime altar boy from Queens became a gang member, a mob confidante, an addict, and a convicted felon, and how he found redemption by dedicating his life to animals. Alongside his personal journey, James shares stories from his rescue missions with Keno's Animal Rescue Shelter in Brooklyn, saving pit bulls from a dogfighting ring, driving through six-foot snowdrifts to reach 200 cats stranded in a blizzard, taking in homeless ducks from Staten Island, and many more. Sometimes scary, sometimes funny, and often poignant, James's story shows how the love of an animal can bring even the most hopeless cases a new purpose and a path to redemption.
