The Kindly Ones Melissa Scott, 2017-07-28 Orestes was a cruel world cold and inhospitable Its first colonists were castaways from a crash landing cling to survival through the institution of strict socio political controls Over the generations life grew somewhat easier but the code of honour remained Misdeeds and errors were paid for with blood At one time all miscreants were executed Now a social death is imposed Every Oresteian city has colony of ghosts ostracised citizens who must survive somehow without help from the living But galactic civilisation is spreading and Orestes is in its path The old ways are under scrutiny And though the Oresteian aristocracy will fight for the status quo they have not reckoned on the power of a thousand ghosts

The Kindly Ones Jonathan Littell, 2010-03-02 Oh my human brothers let me tell you how it happened Dr Max Aue the man at the heart of Jonathan Littell's stunning and controversial novel *The Kindly Ones* personifies the evils of the Second World War and the Holocaust Highly educated and cultured he was an ambitious SS officer a Nazi and mass murderer who was in the upper echelons of the Third Reich He tells us of his experience during the war He was present at Auschwitz and Babi Yar witnessed the battle of Stalingrad and survived the fall of Berlin receiving a medal from Hitler personally in the last days of Nazi Germany Long after the war he is living a comfortable bourgeois life in France married with two children managing a lace factory And now having evaded justice he speaks out giving a precise and accurate record of his life The tone of his account is detached lapidary and for the most part unrepentant whether he is describing his participation in mass murder on the Eastern Front his bureaucratic investigations of labour productivity in the death camps his casual murder of civilians as he tries to break through Russian lines towards the end of the war or his fervid and convoluted relationship with his twin sister Over its course by entwining Aue's life with those of historical figures such as Eichmann and Speer Himmler and indeed Hitler *The Kindly Ones* comes to depict the entire architecture of Nazism from its grandest intellectual pretensions to its most minute most chilling managerial details and executions *The Kindly Ones* presents with unprecedented realism meticulous research that is both fascinating and compelling and brilliant literary accomplishment the greatest horrors imaginable War and murder are a question a question without an answer for when you cry out in the night no one answers Aue says In the same way this powerfully affecting powerfully challenging book confronts the reader with the most profound questions about history morality and art without offering any easy resolution Written originally in French and published now in English for the first time *The Kindly Ones* has already sold to date well over a million copies in Europe In France it won two prestigious prizes including the Goncourt and has been compared to *War and Peace* and other great classics of literature
