of Wales later King Edward VII and Grand Duke Nicholas of Russia She accumulated an enormous fortune but gambled it all away Scarlet Women tells her story and many more including Marie Duplessis who inspired characters by both Dumas and Verdi Clara Ward a rare American courtesan who hunted for a European aristocrat but having married a Belgian prince ran away with a gypsy violinist Ninon de L Enclos who was offered 50 000 crowns by Cardinal Richelieu for one night Money left in her will paid for Voltaire s education Courtesans were an elite group of talented professional mistresses The most successful became wealthy and famous in their own right While they led charmed lives they occupied a curious position they enjoyed freedom and political power unknown to most women but they were ostracised by polite society From the hetaerae of ancient Greece to the cortigiani onesti of 16th century Venice the oiran of Edo period Japan to the demimondaines of 19th century France this captivating book perfect for readers of A Treasury of Royal Scandals uncovers the rich colorful lives of these women who dared to pursue fortunes outside their societies norms **Edward VII** Catharine Arnold,2017-07-25 Victorian England We know what that was supposed to mean all priggish prudery and we are not amused harrumphing Except now we know it wasn t all that Catharine Arnold s new biography focuses deliciously on the women who shared the scandalously plentiful sex life of Queen Victoria s eldest son the Prince of Wales later Edward VII USA Today Edward Prince of Wales better known as Bertie was the eldest son of Queen Victoria Charming and dissolute he was a larger than life personality with king size appetites A lifelong womanizer Bertie conducted his countless liaisons against the glittering backdrop of London society Europe and the stately homes of England in the second half of the 19th century Bertie s lovers were beautiful spirited society women who embraced a wide field of occupations There was Lillie Langtry the simple Jersey girl who would become an actress and producer Daisy Brooke Countess of Warwick the extravagant socialite who embraced socialism and stood for Parliament as a Labour party candidate bisexual French actress Sarah Bernhardt celebrated for her decadent appeal and opium habit and by total contrast the starchy Agnes Keyser who founded a hospital for army officers One of Bertie s most intriguing liaisons was with American heiress Jennie Churchill unhappy wife of Sir Randolph Churchill and mother of Sir Winston While the scandals resulting from his affairs from suicides to divorces were a blight on the royal family Bertie would become a surprisingly modern monarch His major accomplishment was transforming the British monarchy into the modern institution that we know today and ensuring its survival in a period when every other European dynasty collapsed in the wake of WWI *The Biography Book* Daniel S. Burt,2001-02-28 From Marilyn to Mussolini people captivate people A E s Biography best selling autobiographies and biographical novels testify to the popularity of the genre But where does one begin Collected here are descriptions and evaluations of over 10 000 biographical works including books of fact and fiction biographies for young readers and documentaries and movies all based on the lives of over 500 historical figures from scientists and writers to political and military leaders to artists and musicians Each entry includes a brief profile autobiographical and primary sources and recommended works Short reviews describe the pertinent biographical works and

offer insight into the qualities and special features of each title helping readers to find the best biographical material available on hundreds of fascinating individuals

Cupid and the King Her Royal Highness Princess Michael of Kent, Princess Michael (of Kent), 2006-01-03 Written with an insider's keen understanding of court life and filled with delicious details born of impeccable research *Cupid and the King* explores a little known chapter of the history of women's roles in the royal bedrooms of Europe

Playboy Princes Peter Beer, 2016-07-20 A fascinating dual biography proves that controversial Royal Family members are not necessarily only a feature of late 20th or 21st century life Edward VII 1841 1910 and his grandson Edward VIII 1894 1972 were born in different eras but it is illuminating to compare the early and middle years of the two Princes of Wales as kings in waiting and discover how their youth informed their years on the British throne The privileges of rank aside they were heirs to an unenviable role and this study presents a unique portrait of strained apprenticeships for which there was no satisfactory precedent Theirs was an upbringing dictated by dogmatic prescription and the heavy weight of obligation As they pursued their lives according to their distinct personalities they were never relieved of parental strictures especially with regard to Queen Victoria and her eldest son who filled the void with shallow interests a profligate style of living and the delights of Parisian nightlife Inevitably the two princes were consigned to filling much of their time with insubstantial engagements not best suited to their characters and which reveal a common vulnerability In the case of the future Edward VIII he took a jaundiced view of matters of state and preferred dance floors riding to hounds and the ministrations of lovers This book is the story of the heirs progress that provides often unexpected perspectives on two public figures better known through the history of their respective reigns For readers in this era the similar position of Prince Charles ensures that this survey is as timely as well as a surprisingly entertaining read

Royal Bastards Peter Beauclerk-Dewar, Roger Powell, 2011-10-24 Since 1066 when William the Conqueror alias William the Bastard took the throne English and Scottish kings have sired at least 150 children out of wedlock Many were acknowledged at court and founded dynasties of their own several of today's dukedoms are descended from them Others were only acknowledged grudgingly or not at all In the twentieth century this trend for royals to father illegitimate children continued but the parentage while highly probably has not been officially recognised This book split into four sections Tudor Stuart Henoverian and perhaps most fascinating Royal Loose Ends is a genuinely fresh approach to British kings and queens examining their lives and times through the unfamiliar perspective of their illegitimate children

Royal Marriages Susanna de Vries, 2018-10-01 Meghan Markle Duchess of Sussex made history when she married Prince Harry in a genuine love match as the first divorced bi-racial American woman to be welcomed into the British royal family But for centuries it was accepted that princes married virginal aristocrats for dynastic reasons and often the large dowries of their brides and few arranged royal marriages were happy Most kings and princes took mistresses or in the case of Edward II and James I male lovers Royal wives were used as baby factories and if found to be unfaithful could be beheaded or have the lover

murdered Prince George of Wales later George IV married for money but found his bride Princess Caroline of Brunswick physically repulsive and his marriage became the first War of the Wales This fascinating book is now able to tell the full story of the second War of the Wales the tragic mismatch of Prince Charles and Princess Diana which ended in Camillagate and divorce Now decades later the Queen has relaxed the ancient rules allowing Prince Charles to marry his mistress and the Queen s grandsons William and Harry to marry for love in a significant change in royal history Royal Sex Roger Powell,2010-06-15 Exposes the amazing story of how key English aristocratic families supplied the British royal family mistresses over several generations to secure influence at court **Historical Dictionary of the British Monarchy** Kenneth J. Panton,2023-10-15 The foundations of the British monarchy date from the era more than a millennium ago when Anglo Saxon Celtic and Viking peoples competed for dominance Early sovereigns exercised near absolute power but over time that authority dwindled as the changing role of women the democratization of society dynastic intermarriage financial demands religious convictions struggles for economic and political control and territorial aggrandizement combined to promote change The strengths and weaknesses of rulers such as William the Conqueror Henry VIII Elizabeth I and Mary Queen of Scots and Queen Elizabeth also contributed to the evolution of the monarchy and are documented here Historical Dictionary of the British Monarchy Second Edition contains a chronology an introduction and an extensive bibliography The dictionary section has more than 800 cross referenced entries that cover significant events places institutions and other aspects of British culture economics politics and society This book is an excellent resource for students researchers and anyone wanting to know more about the British monarchy *Great Scandals of the Victorians* Debbie Blake,2024-07-30 Great Scandals of the Victorians features a collection of true stories that shocked outraged angered or simply amused the Victorians in nineteenth century Britain Drawing on a wide variety of original material seven disreputable stories that dominated the national newspapers for many weeks are explored including the Great Warwickshire Scandal a highly publicized divorce case where for the first time in history a Prince of Wales was called to give evidence in court a baby scandal that disrupted Queen Victoria s court and threatened the monarchy the sex scandals of the Abode of Love a mysterious religious cult founded by a defrocked clergyman Henry James Prince and the sensational trial of Fanny and Stella two outrageous cross dressers accused of sodomy Some scandals though traumatic for the people involved produced a positive outcome such as the scandalous custody battle between Caroline Norton and her husband which led to the passing of the Custody of Infants Act granting mothers custody of their children following a divorce and the case of 13 year old Eliza Armstrong sold to a brothel keeper for 5 which caused a major scandal and public outrage but also led to a change in the law raising the age of consent from 13 to 16 years **Camilla, Diana, Charles, and the Royal Vexations** Oswald Eakins, Two women one exceedingly beautiful and charismatic the other an average looking older woman with an unassuming demeanor Princess Diana and Camilla Parker Bowles how contrasting can the two women in Prince Charles life be And yet with all the

beauty and charisma Princess Diana couldn't retain her husband Camilla overtook every aspect of the Prince's life without asking much in return Why did Prince Charles choose Camilla over Diana Was Prince Charles to be blamed for his wife's irreparable loss Or was it Prince Charles who was sinned against With calculated revenge Princess Diana repeatedly tarnished Prince Charles and Camilla's reputation By giving explosive interviews to channels and secretly colluding with writers was Diana taking revenge If yes was she wrong in doing so given that her marriage reeked of infidelity and betrayal Today 25 years after her death her legacy supersedes that of her husband or the monarchy itself Enriched with insights from books as diverse as Prince Charles The Passions and Paradoxes of an Improbable Life Diana Her True Story The Diana Chronicles this is a must read book on the trials and tribulations of not only Prince Charles Diana and Camilla but also the humiliation suffered by Andrew Parker Bowles and his children Buy the book and get yourself soaked in one of the most tumultuous love triangle tales of the century

Royal Affairs Leslie Carroll, 2008-06-03 A funny raucous and delightfully dirty history of 1 000 years of bedroom hopping secrets and scandals of Britain's royals Insatiable kings lecherous queens kissing cousins and wanton consorts history has never been so much fun Royal unions have always been the stuff of scintillating gossip from the passionate Plantagenets to Henry VIII's alarming head count of wives and mistresses to the Sapphic crushes of Mary and Anne Stuart right on up through the scandal blighted coupling of Prince Charles and Princess Diana Thrown into loveless arranged marriages for political and economic gain many royals were driven to indulge their pleasures outside the marital bed engaging in delicious flirtations lurid love letters and rampant sex with voluptuous and willing partners This nearly pathological lust made for some of the most titillating scandals in Great Britain's history Hardly harmless these affairs have disrupted dynastic alliances endangered lives and most of all fed the salacious curiosity of the public for centuries Royal Affairs will satiate that curiosity by bringing this arousing history alive

The New York Times Book Review, 1989

Royal Mistresses Charles Carlton, 2023-03-31 First published in 1990 Royal Mistresses provides an innovative way of looking at the development of British monarchy and at the same time investigates the relationship between sex and power Charles Carlton focuses not so much on the amorous activities of the mistresses of British monarchs as on their influences on those monarchs and on society at large Ranging from the early medieval period to the late 1990s he shows that a monarch's illicit sexual life sheds light on his character and reign It is no coincidence that Henry I Charles II and Edward VII who were successful with their mistresses were also successful in their reigns while the divorced John and the lovelorn Edward VIII failed Not surprisingly the affairs of the sovereign's heart have very often become the affairs of state This book will be of interest to students of history and literature

Edwardian London Felix Barker, 1995
