The Talking Thrush and Other Tales from India - Illustrated by W. Heath Robinson W. H. D. Rouse, 2022-05-18 This gorgeous book is a collection of 43 Indian folk tales superbly illustrated by W Heath Robinson These tales were originally collected by William Crooke but are retold here by W D Rouse to delight children Rouse has chosen to keep this selection confined to the Beast Stories which are particularly interesting as being mostly indigenous and little affected by so called Aryan influence Any changes made by Rouse have been included in a notes section which also include the sources of each tale alongside a few obvious parallels or references to literature of the subject Tales include The Talking Thrush The Judgment of the Jackal The Camel's Neck The Foolish Wolf The Grateful Goat The King of Mice The Bull and the Bullfinch and many more These wonderful tales are accompanied by many beautiful and intricate black and white illustrations by W Heath Robinson An English cartoonist and illustrator best known for drawings of ridiculously complicated machines for achieving deceptively simple objectives Such was and is his fame that the term Heath Robinson entered the English language during the First World War as a description of any unnecessarily complex and implausible contrivance Originally published in 1899 we are now republishing it here as part of our Pook Press imprint celebrating the golden age of illustration in children's literature

Inderwick,1895 **The Sheep and the Goats** Chad Venters,2022-08-09 Chad Venters argues that Psalm 80 Psalm 79 LXX is an important source for the composition of Matthew 25 31 46 Psalm 80 provides a religio political background for understanding the devastation facing Israel at the hands of the Romans Viewing Psalm 80 as a source for Matthew 25 31 46 accounts for the diversity of images found in the Sheep and the Goats and provides further insight into the meaning of the passage Venters s reading of the Sheep and the Goats contends that the story is not focused on world ending judgment but a cataclysmic shift in which Yahweh s vineyard has been taken from Israel and given to the church and the nations This book augments the larger corpus of Matthean studies contributing to the less prominent research of Psalm 80 as an influential text for multiple passages in the New Testament and other first century literature Various studies have proposed the prevalence of Psalm 80 through scriptural echoes and allusions in the New Testament Venters seeks to solidify these hypotheses in favor of Psalm 80 as an important background text for the New Testament Gospels *The talking thrush and other tales from India, collected by W.
